How Korean Short Stories for Beginners works:
- Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Korean

culture. -

Having trouble understanding Hangul? No problem - we provide you with the same story twice - one version fully in Korean and the other version with English translation added below each

paragraph,
allowing you to
fully grasp what
you are reading!
- The summaries
follow a
synopsis in
Korean and in
English of what
you just read,
both to review
the lesson and
for you to see
if you

understood what the tale was about. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have
