NTA NET Previous Papers (Topicwise) - Teaching and Research Aptitude Paper-1 NET JRF Paper-1

This book is written keeping in view revised syllabus and Question Pattern of UGC SET/NET Exams. The book contains question papers with immediate accurate solutions. Usually immediate and accurate solutions are not provided in any book, where students find it difficult to get clarity of the concept. Only providing answer keys at the end of the question paper doesn't serve the purpose. I faced all these limitations when I have attempted these examinations. Various states also conduct their State Eligibility Test for determining the eligibility for Assistant Professor. Usually students find it difficult to get the material for their respective state level exam. I have qualified SET for seven different states including J&K, Maharashtra, Tamilnadu, Kerala, Karnataka, Telangana, and North Eastern Region. So, through these exams I got the understanding of how to

incorporate specific needs of those respective states also. This book is an attempt to provide enough practice exercises to make the students perfect and confident before the exams. This book is For Teaching and Research aptitude Paper One. It consists of all types of questions and comprehensive syllabus of NET/SET Paper one. Proposed book by the author: The next book proposed by authors is "Commerce SET/NET-A Comprehensive Look". This book is the in-depth expertise of mine in the domain of Commerce.
