The Standard Works are surprisingly clear, yet concise, in answering the question, Does life exist on planets other than Earth? The universe is immense and filled with kingdoms, as latter-day revelation informs us: And there are many kingdoms; for there is no space in which there is no kingdom; and there is no kingdom in which there is no space, either a greater or a lesser kingdom. (Doctrine and Covenants 88:37.) As God revealed the immensity and substance of His kingdom and dominion to Moses, he began to gain an appreciation of the magnitude of the creative works of God; And worlds without number have I created; and I also created them for mine own purpose; and by the Son created I them, which is mine Only Begotten. And the first man of all men have I called Adam, which is many. But only an account of this earth, and the inhabitants thereof, give I unto you. For behold, there are many worlds that have passed away by the word of my power. And there are many that now stand, and innumerable are they unto man; but all things are numbered unto me, for they are mine and I know them. (Moses 1:33-35); This scripture clarifies the truth of a number of important Gospel topics. Not only does the revelation proclaim the existence of other life-sustaining planets and the existence of life on those planets, it informs us that humans, children of our Heavenly Father, live on those planets.;

Recreates the 1912 sinking of the Titanic as observed by millionaire John Jacob Astor, a beautiful young Lebanese refugee finding first love, "Unsinkable" Molly Brown, Captain Smith, and others including the iceberg itself.

Harry's enemies seek to separate him from all he holds dear, as Garth and Meagan are forced to make choices that could leave Harry permanently lost in Jerusalem during the first century A.D.

When a mysterious geologist stumbles in out of the rain with tales of hidden oil deposits on the outskirts of town, Cluvarous Jones and his family will never be the same. Set on the boom-or-bust frontier at the turn of the century, this is a timeless tale of greed, sedition, and one man's courageous refusal to compromise his word, told through the eyes of his not-so-constant son. Clue's father is a well-respected banker and keeper of the land records, but when he refuses to confiscate the oil-rich property from a couple of Indians, the specter of vast wealth is enough to incite revolt among the townspeople. Before long, Clue's home is in flames, his mother lies wounded in the street, and he and his sister are sent to live in the hills with the mysterious Indians who are at the heart of the problem, Gabriel and Keziah Jane. There are more than enough delightful plot twists to keep you on your toes, but at its heart, this is a book about the triumph of life over materialism in the finest tradition of The Christmas Box and Tuesdays with Morrie.

Women of the Old Testament

The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed them to several others. These men gave their personal testimony as witnesses. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate gold plates that were in Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and continues state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbols. Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the translation of the sealed portion, the first part of the gold plates is also included. Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is lead from blindness into the light as he or she discovers the truths written within these pages. When Becky and Josh Plimpton are kidnapped by Todd Finlay, Megan and her two suitors, Ryan and Apollus, attempt to rescue them, but through the mysterious powers of the Rainbow Room, one group ends up in nineteenth-century Jerusalem and the other in central America hundreds of years after the visitation of the Savior to the Nephites.

Vowing to reclaim the land of his fathers, Zeniff leads a company of Nephites deep into Lamanite territory. But the Lamanites have other plans for them. Can Zeniff defend his city against the Lamanite armies? Will his ambitious son Noah seize the crown? Can the prophet Abinadi save the city from its own wickedness? Jay's Journal

When he jeopardizes his football scholarship, high school student Kaleo is transported from present-day Salt Lake City to early nineteenth-century Palmyra, New York, where he meets the Prophet Joseph Smith and learns for himself the truthfulness of the Book of Mormon.

At one of the most conservative colleges in the countryNBrigham Young UniversityNreturned missionary David Them and his flamboyant Texan roommate Curses Olai set out to pen a rock opera about the ultimate quest for the 20-something Mormon male: avoiding matrimony.

You've heard the story before: an orphaned boy, raised by a wise old man, comes to a fuller knowledge of his magic and uses it to fight the great evil threatening his world. But what if that hero were destined to become the new dark lord? The Academy of Chaenbalu has stood against magic for centuries. Hidden from the world, acting from the shadows, it trains its students to detect and retrieve magic artifacts, which it jealously guards from the misuse of others. Because magic is dangerous: something that heals can also harm, and a power that aids one person may destroy another. Of the academy's many students, only the most skilled can become avatars—warrior thieves, capable of infiltrating the most heavily guarded vaults—and only the most determined can be trusted to resist the lure of magic. More than anything, Annev de Breth wants to become one of them. But Annev carries a secret. Unlike his classmates who were stolen as infants from the capital city, Annev was born in the village of Chaenbalu, was believed to be executed, and then unknowingly raised by his parents' killers. Seventeen years later, he struggles with the burdens of a forbidden magic, a forgotten heritage, and a secret deformity. When Annev is subsequently caught between the warring ideologies of his priestly mentor and the Academy's masters, he must finally decide whether to accept the truth of who he really is ... or embrace the darker truth of what he may one day become.
