Now in paperback, New York Times bestselling author Morgan Jerkins's fiction debut, an electrifying novel for fans of Ta-Nehisi Coates and Jacqueline Woodson, that brings to life one powerful and enigmatic family in a tale rife with secrets, betrayal, intrigue, and magic. Laila desperately wants to become a mother, but each of her previous pregnancies has ended in heartbreak. This time has to be different, so she turns to the Melancons, an old and powerful Harlem family known for their caul, a precious layer of skin that is the secret source of their healing power. When a deal for Laila to acquire a piece of caul falls through, she is heartbroken, but when the child is stillborn, she is overcome with grief and rage. What she doesn't know is that a baby will soon be delivered in her family—by her niece, Amara, an ambitious college student—and delivered to the Melancons to raise as one of their own. Hallow is special: she's born with a caul, and their matriarch, Maman, predicts the girl will restore the family's prosperity. Growing up, Hallow feels that something in her life is not right. Did Josephine, the woman she calls mother, really bring her into the world? Why does her cousin Helena get to go to school and roam the streets of New York freely while she's confined to the family's decrepit brownstone? As the Melancons' thirst to maintain their status grows, Amara, now a successful lawyer running for district attorney, looks for a way to avenge her longstanding grudge against the family. When mother and daughter cross paths, Hallow will be forced to decide where she truly belongs. A Poetry Memoir

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

James Bernard Jr., a.k.a. Dutch, has become the most dangerous criminal in New Jersey. From his early skill as a car thief, Dutch recognized the opportunity to rule the streets and he seized it. With both the protection and respect of the Mafia, Dutch becomes the most terrifying force on the streets. District Attorney Anthony Jacobs is determined to take down Dutch and

his crew, and he's confident that his witnesses will testify against them. But a sudden turn of events will soon make the DA's job harder than he imagined.

But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.
