about corruption, judgements and punishments of corruptions etc. Chanakya knows very well that just like it is impossible to know when and how much water a fish drinks, it is utmost difficult to know how much

Chanakya keeps eye on conduct and life style of not only ministers, but all levels of the government officials too.

Chanakya takes multi pronged approach to tackle and eradicate

corruption. He knows that by establishing one department to tackle corruption problems are not going to be solved, instead will increase many fold later when that department itself becomes corrupt eventually. He

are not utilised actually?

Chanakya knows corruption is
contiguous, and he tackles such
problems too with well laid out
and practical laws to follow at
that time. Looking at the crux of

the guidelines what Chanakya outlines, it seems that essence of those laws are applicable still today with more verbatim or expansion of words to suite and cover present scenarios. But, the essence remains same. He
