Excel Test Skills - General Ability Tests Year 3 is the first in a four-book series for Years 3-6 which help students with the skills they need to excel in general ability tests. General ability testing covers areas such as logic, general knowledge and reasoning, and forms part of many primary school tests used throughout Australia. The book contains: sample questions covering all the main question types found in Year 3 general ability tests a section of practice questions with hints on how to answer each different type of question twelve practice tests to measure progress helpful advice for sitting general ability tests answers to all questions, plus explanations when required An amount of mystery surrounds general ability testing. This is probably because it is not an actual subject such as Science or Mathematics. General ability testing is based upon the student's ability to think and reason, but most of the questions are based on normal classroom subject matter. This practice book is intended to demystify GA tests, thereby giving the student the confidence to respond positively to the test and maximise his/her score.

• Over 325 solved examples to practice and learn • Passage summaries to help you understand and interpret different texts • Systematic and effective strategies to save time and build confidence • Answer Key with detailed explanation for every question

GRE Reading Comprehension: Detailed Solutions to 325 Questions is designed to help students analyze and interpret complex and unfamiliar passages in the minimum possible time by employing simple, yet effective test-taking strategies. With over 325 Reading Comprehension questions straddling all possible topics, formats and question types, students get the most intensive practice opportunities to sail through Reading Comprehension questions on the GRE. Reading Comprehension questions in the Verbal Reasoning portion of GRE are a tough nut to crack because they take up a lot of time and no amount of theoretical knowledge can help ace them. The only way to score well in the RC section is to practice smart and learn to budget your time wisely and well. About Test Prep Series The focus of the Test Prep Series is to make test preparation streamlined and fruitful for competitive exam aspirants. This book, now in its Third Edition, is revised as per the feedback received from our valuable students and readers. It is exclusively prepared for the students who wish to appear for campus recruitment screening test and graduate/post graduate students appearing for various competitive examinations in Quantitative Aptitude and Reasoning. The main objective of this volume is to guide the students to solve the problems within the stipulated time and that too with the higher degree of accuracy. Organized in two parts—Quantitative Aptitude (Part I) and Reasoning (Part II)—it helps students to apply basic mathematical and reasoning concepts to a range of quantitative and reasoning problems. The separate sections are devoted to verbal and nonverbal reasoning. It sharpens the ability to apply analytical and logical thinking while gathering and analysing information, designing and testing solutions to problems, and formulating plans. This book is a valuable resource for conducting training programmes/workshops to train students in problem solving techniques in Mathematical Aptitude. It would equally be useful to the candidates appearing for quantitative aptitude and reasoning test conducted in various competitive examinations of graduate level.
