A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

Ignorance is bliss—except in self-awareness. What you don't know about yourself can hurt you—and your relationships, and maybe even how you make your way in the world. It can also keep you in the shallows with God. Do you want help figuring out who you are and why you're stuck in the same ruts? The Enneagram is an ancient personality type system with an uncanny accuracy in describing how human beings are wired, both positively and negatively. In *The Road Back to You* and this companion study guide, Ian Morgan Cron and Suzanne Stabile forge a unique approach—a practical, comprehensive way of accessing Enneagram wisdom and exploring its connections with Christian spirituality for a deeper knowledge of God and of ourselves. Funny and filled with stories, this companion study guide used together with the book allows you to get inside the heads of people who represent each of the Enneagram types, keeping you turning the pages long after you read the chapter on your own number. Beginning with changes you can

start making today, the wisdom of the Enneagram can help you get on the road that will take you further along into who you really are—leading you into places of spiritual discovery you would never have found on your own, and paving the way to the wiser, more compassionate person you want to become.

An M&A “dream team” of experts explains how to conduct due diligence in the first, most important step in the process—determining exactly what a company is worth "What's it worth?" Valuation is the common thread that unifies every M&A transaction, regardless of a company's industry, financial condition, or stage of development. *The Art of M&A Valuation and Modeling* bridges the gap between M&A valuation in theory and as an appraisal practice. It shows how to perform objective analyses, address all parties' subjective interests in the transaction, and use practical financial models to complete a smooth transaction that benefits everyone.
