The idea of the book floated about seven years ago, back in 2015, in the reading room of Bhai Gurdas Library, Guru Nanak Dev University, Amritsar when I (Sakshi Sahni) was preparing for my Ph.D. entrance exam along with Hardeep Sekhon who was preparing for Assistant Town Planner exam. As time flew, Sanjay Mishra got involved with the tedious task of typing registers. Puneet Mehra got involved in co-ordinating, sorting and arranging the PPSC papers. Simranjot Singh took all the task of sketching and preparing illustrations using various software like Autocad, Sketchup, coral draw, photo shop etc. Gulpreet Kaur helped in the academic section editing and drafting. Rawal Singh helped in history of Architecture questions and its framing. The huge daunting task which seemed impossible was completed in the span of seven years by consistent efforts of all the authors with grace of almighty.

With all of us placed at different locations, managed to contribute what we could do at our best. Planning students were great motivation and inspiration to us for whom the work has been produced and will help in their PPSC and GATE exam preparation. Since all the authors are the product of Guru Ram Das school of Planning, who made us what we are today we would sincerely like to express our gratitude towards our alma mater and would like to dedicate this book to Guru Ram Das ji and to the Department which is celebrating its 50th anniversary this year.
