

Thanatos

In this chilling novel by the author of the Domain of the Dead series, one man is on his own in a desperate struggle to survive the end of the world. Even though he knew something was coming, even though he tried to prepare his family, even though he had bought survival equipment and food stores—when it happened, he wasn’t ready. Now he is slowly starving to death in a desolated apocalyptic wilderness. He tries to find food and stay warm. He is hounded by his fear of being discovered and haunted by the loss of his family. As the sunless days grow colder and as he grows weaker, he is forced to risk more and more for less and less. To survive he must risk dying—or even worse—getting caught.

It wasn't until people started shooting at her that Eve Salutem had an inkling she was anything other than an elementary school teacher suffering from a rare form of cancer. Discovering she was a walking source of the vaccine for lethal bioweapons and that her previous twenty-seven years were based on lies, lies, and more lies, shattered her fragile world and threatened her sanity. She wanted to lock the doors, close the shades and hide in the closet, but he wouldn't let her. According to him—a guy she'd first encountered next to the fresh fish case in the grocery store for Pete's sake—he was there to save her from some unknown bad guys and her own government. He didn't do personal protection—he assassinated people. He didn't work domestic ops—he was strictly foreign. This babysitting gig in Rochester, Minnesota surveilling a woman who may or may not be an innocent victim was absolutely not in his job description. Dragging her ass across half of America on a forced road trip infuriated him even further. He didn't need or want to spend days locked in a car with a sexy young woman whose bucket list included drinking champagne, getting a puppy and being kissed. How had this become his life? Her purity and goodness bordered on irresistible, but if he touched her, he'd leave a black smudge on her soul. In Eve, he saw the goodness of humanity, and Thanatos would storm the gates of Hell to protect her; but a creature of purity and light could never belong to the assassin who was named after a God of Death.

Thanatos, god of death, has a mission: scour the unknown realms of the Underworld and retrieve the only daughter of his god-king, Hades. Murdered six centuries ago and her soul captured before it could pass on, she now falls under Thanatos's domain. Armed with only a description of the location of her prison seen in a vision by her oldest brother, Thanatos has spent four years hunting for her, determined to complete his task and save her. But when he locates Calindria, she's not the delicate little girl he remembers—she's a fierce, bewitching and beautiful warrioress who stirs unwanted feelings in his black heart and she's on a mission of her own. Calindria, daughter of Hades, has a mission: escape her prison, hunt down the ones who murdered her twin brother, and then make her family pay for abandoning her. But the Fates have other plans, placing a distractingly gorgeous god of death in her path—a warrior who is determined to convince her that what she believed is the truth is in fact a lie. In a realm that turns memories against them and where anything can be an illusion, can Calindria and Thanatos learn to trust each other enough to work together to escape the hellish domain, or will the darkest moments of their past prove too powerful to overcome? If you love Greek gods romance books featuring powerful dark lords of the Underworld and strong heroines who steal their hearts, this paranormal romance series is for you. Thanatos is the eighth novel in the Guardians of Hades Romance series. This paranormal romance features a Greek god of death with a traumatic past, a Greek goddess determined to break down his walls, and a cast of sizzling Greek god brothers determined to protect the Underworld and their father Hades, plus lots of action and adventure--and steamy scenes! Be swept up in the story and characters as the princes of the Underworld fight to protect their world and ours, and the women who claim their hearts. From an enemy bent on destroying everything in the Guardians of Hades romance series: Book 1: Ares Book 2: Valen Book 3: Esher Book 4: Marek Book 5: Calistos Book 6: Daimon Book 7: Keras Book 8: Thanatos Book 9: Hades - Coming Soon! keywords: paranormal, paranormal romance, paranormal romance books for adults, Greek gods, greek gods romance, gods romance, gods, goddesses, goddess romance, Greek goddesses, immortals, immortal romance, Greek mythology, Greek myths, fantasy romance, alpha hero, strong heroine, action, long series, adventure, no cliffhangers, guaranteed HEA, happily ever after

Beyond the Pleasure Principle

Thanatos Palace Hotel

A Spiritual Approach to Aging

eros and thanatos

Death had never been kissed, until now . . . Thanatos meets seventeen-year-old Therese while she's in a coma hovering between the realm of the dead and the realm of dreams. A lucid dreamer, she takes control of her dream and kisses him, unaware that he is Death. It was his first kiss. No one, in his long existence, has ever wanted to kiss Death. After Therese awakens from her coma, Thanatos is desperate to find her. He makes a deal with Hades and goes to the Upperworld as a mortal to pursue her and to see where it might lead. The deal requires Therese to avenge the death of her parents. With the help of Than's fierce and exotic sisters, the Furies, she finds herself in an arena face to face with the murderer, and only one will survive. *Formerly The Gatekeeper's Sons, this series has been edited so that the main character begins her journey at age seventeen. Praise for Thanatos: "Got this for son but ended up reading it myself. And very quickly purchased all the following books in the saga." --Miss C. ????? "Even though I'm not in the target audience (I'm over 40 and can no longer be called a young adult!) I really enjoyed this book. I loved the story and the characters are believable and engaging. I became really invested in their trials and tribulations. There's some real emotioin in here, I even found myself with tears in my eyes on a few occasions." --Kirsty Smith ????? "I found the Greek Mythology to be well researched and really enjoyed that part. Overall I actually really loved this story." --Michelle Lynn ????? "This is at my top recommendation for anyone looking to sit down and read an awesome paranormal romance with Greek Mythology." --Sue-ellen B. Reilly (GirlyGirlBookReviews) ????? "It is exciting how much of the gods we get to explore in this series. . . . I'm addicted and love Eva Pohler's writing." --P. Beach ????? "This is an action packed, incredible read. I had trouble putting down. Cant wait to see what happens with Than and Hip." --Jane McNair ????? "I loved this book. Easy to read, well written, fantastic storyline. Kudos to the author." --Terri Logue ????? "Loved this book, the writer did a great job setting scenes and making you feel like you were there with the characters. Got my mom to read this and she is hooked on the series now too!" --Crystal G ????? "I really enjoyed this series...started with the first book and wanted to keep reading until I got to the end. It's a fun blend of mythological characters, paranormal, romance, adventure, and while I haven't been a young adult for a very long time, I still enjoyed reading this series. It is also one I can see myself reading again." --momofsporefan ????? "Great plot and character development. Greek mythology blended with modern themes. Highly recommend." --Lillian ????? "I really enjoyed reading this book! To me it was sort of a cross between Twilight and The Hunger Games with some wonderful Greek mythology thrown in for good measure! I actually learned something by reading this book and it actually peaked my curiosity into learning more about the Greek gods and goddesses. Looking forward to reading more in the series!" --Robin E Casey ????? "I absolutely loved and enjoyed this book! Once I began reading, I was immediately hooked and wondered why I hadn't read it sooner, since I'd downloaded it quite some time ago. Loved it! The characters are believable, the plot moves quickly and keeps the reader engaged, and it is quite easy to become emotionally attached as the Therese, the main character, goes through so much." --Dusty Rogers ????? Grab your copy to begin the exciting adventure today!

When your devoutly religious parents choose who you marry, your husband makes all your decisions for you, and your life is accompanied by constant, excruciating pain, then your chances of becoming addicted to drugs are high. This is what happens to Ana, the daughter of a free church pastor. Convinced that marriage is her purpose in life, she agrees to marry Tommy, a devoutly religious doctor, widower and father of three small children. It soon becomes clear that this is a decision with fatal consequences, because Tommy is obsessed with sex. Her four pregnancies, a temporary job, and above all the unbearable headaches offer her respite, at least for a while. She is prescribed increasingly strong medication by her husband, which she becomes addicted to. She is living in hell. When divorce becomes inevitable, a fight ensues between husband and wife for the practice they have established together. Can Ana win and free herself from her addiction? The unsentimental narrative style in which this chilling drama is told gives the extraordinary events even greater force. It is a story that will strike readers to their very core.

Love and death have been the subject of his mind for some time. This poetry maps a few of her most intense experiences, accentuating the positive, the unusual, and the lost. With a unique voice and lively wit, a sardonic twist, strength, and a peculiar resolve through melancholy, these words lay bare her soul. Luzajic believes in exploring the frontiers of the universe, its chaos, its beauty, its small kindnesses, its remarkable spirit. Along the way on these adventures, you sometimes have to say goodbye.

Percy's stirring sequel to Love in the Ruins follows Tom More's redemptive mission to cure the mysterious ailment afflicting the residents of his hometownDr. Tom More returns to his parish in Louisiana determined to live a simpler life. Fresh out of prison after getting caught selling uppers to truck drivers, he wants nothing more than to live "a small life." But when everyone in town begins acting strangely—from losing their sexual inhibitions to speaking only in blunt, truncated sentences—More, with help from his cousin Lucy Lipscomb, takes it upon himself to reveal what and who is responsible. Their investigation leads them to the highest seats of power, where they discover that a government conspiracy is poised to rob its citizens of their selves, their free will, and ultimately their humanity.

Chronicles of Thanatos the Reaper

Eros and Thanatos

Gre3ek God of Death

Human's Struggle between Eros & Thanatos - Libido & Compulsion

In Greek mythology, Eros was the Greek god of love and sex. In the Theogony of Hesiod (700 BCE), Eros was a primeval god, son of Chaos(the original primeval emptiness of the universe) but later tradition made him the son of Aphrodite(goddess of sexual love and beauty) by either Zeus (the king of the gods), Ares (god of war and of battle), or Hermes (divine messenger of the gods). Eros was a god not simply of passion but also of fertility. His brother was Anteros(the god of mutual love) who was sometimes described as his opponent. The chief associates of Eros were Pothos and Himeros (Longing and Desire). Roman counterpart of Eros was Cupid . Eros has the ability to make mortals and gods fall in love by shooting them with his bow and arrow. This would work on both mortals and gods. Thanatos, in ancient Greek religion and mythology, was the personification of death. Hesiod thought that Thanatos was the son of the Nyx (goddess of the night) and the Erebus (god of darkness). This makes Thanatos dark and negative. His twin brother is Hypnos, the god of sleep. He appeared to humans to carry them off to the underworld when the time allotted to them by the Fates had expired. It is believed Thanatos to be always nearby Eros. They are brothers. One represents the life and creation and another death and destruction. In Greek mythology, Eros is the god of love, and Thanatos is the god of death, making them opposite of one another. Eros is portrayed as nice, compassionate, loving, and full of life. This is how Eros came to represent the instinct of life. People who are driven by life instincts are often happy, compassionate, and social. Thanatos is associated with violent death and would be called upon by gods who wished to inflict death upon one another. Thanatos often manifested anger, violence, and aggression. These characteristics are portrayed in those who are driven by death instincts. This collection has 69 poems. Under Eros 35 and under Thanatos 34.

On the basis of the biological characteristics that distinguish two different procreative modalities, the naturalization of the roles between masculine and feminine has been created, which has led to the creation of the stereotypes and conventions known to us today. What is at stake is not only the freedom of expression of the human organism, it is the possibility of leading a life worthy of being lived, without suffering the violence of a society that makes it unbearable because it does not conform to the norm. Queer pedagogy is a methodology that aims to make the organism experience transformative experiences through mimetic performances. From these experiences, queer pedagogy expects the possibility of facilitating the free expression of the truth that each organism recognizes in its own depth in a comfortable and welcoming context through the dance of Eros and Thanatos. A book about Pedagogy, Queer Theory and Butoh Dance.

In our fourth book of Duane Michals's work, the artist explores classic themes of love and death through photographs and words. The evocative images and poems collected in Eros & Thanatos conjure memories of love and loss, lust and longing, in what is perhaps the most revealing and overtly sensual of Michals's works to date. The full richness of Michals's imagery emerges from these exquisite, large-format sheet-fed gravures.

A Realistic Journal Concerning Dying, Death & Bereavement

The Underworld Saga, Book One

Caught between dogma and drugs

Zoe Thanatos

An eloquent, insightful book of imagined dialogue between the author's mother and Thanatos, Greek god of death,illuminating the spirituality and wisdom that guide us through the final stage of life.

Excerpt from Thanatos
Ma troppo lontano mi condurrebbe il trattar qui appieno di questo argomento, e seguire il filo del pensiero umano traverso i secoli nelle differenti sue vicende e trasformazioni innanzi all'eterna Sfinge, che nasconde in se gelosamente il segreto dell'universo. Dovro anzi ristringermi, ed in modo altresì succinto, al mondo romano, per poi passare a dire alcuna cosa della forma che il concetto della morte prese nell' eta di mezzo e ne'secoli sus seguenti, allorquando la religione e la morale cristiana diedero ad esso un indirizzo affatto diverso.

Beyond the Pleasure Principle is a book by Sigmund Freud that marks a major turning point in his theoretical approach. Previously, Freud attributed most human behavior to the sexual instinct (Eros or libido). With this book, Freud went "beyond" the simple pleasure principle, developing his theory of drives with the addition of the death drive (often referred to as Thanatos). The book describes humans as struggling between two opposing drives: Eros, which produces creativity, harmony, sexual connection, reproduction, and self-preservation; and Thanatos, which brings destruction, repetition, aggression, compulsion, and self-destruction. With Beyond the Pleasure Principle, Freud also introduced the question of violence and destructiveness in humans. These themes play an important role in some later writings, when Freud suggested that civilization's major function is to repress the death instinct. Sigmund Freud (1856-1939) was an Austrian neurologist and the father of psychoanalysis, a clinical method for treating psychopathology through dialogue between a patient and a psychoanalyst. In creating psychoanalysis, Freud developed therapeutic techniques such as the use of free association and discovered transference, establishing its central role in the analytic process. Freud's redefinition of sexuality to include its infantile forms led him to formulate the Oedipus complex as the central tenet of psychoanalytical theory. His analysis of dreams as wish-fulfillments provided him with models for the clinical analysis of symptom formation and the mechanisms of repression as well as for elaboration of his theory of the unconscious.

Playing Chicken with Thanatos

Thanatos Inc: Death: Have It Your Way.

Thanatos and the Sage

Denying Thanatos

REVENGE ISN'T ALWAYS SWEET. IT'S MESSY. UGLY. AND A LOT OF WORK. BUT IF THANATOS, THE GOD OF DEATH, IS TO REIGN OVER THE LIVING WORLD AND THE DEAD, HE NEEDS TO UNLEASH CHAOS. The god of death is on strike, well, mostly. Mortals, who should be dead, wander the earth with decaying bodies and minds. And while the humans live, the immortals are dying—all thanks to Thanatos. The Underworld and the Overworld are ripe for death’s reaping. But there’s one thing standing in his way, Hades. The god of the Underworld shows up uninvited in Necromourn, a world created from nightmare and story, a world where death is the only god. This gives Thanatos the home-field advantage, or so he thinks. While worshippers, armies, gods, and rebel groups storm through the dark city in the name of justice, a millennia-old hatred propels Hades and Thanatos toward a bloody and explosive battle, winner takes all. With nothing left to lose, Thanatos unleashes all the powers of his world against his enemies. Death is coming, but will he triumph? Thanatos: The Fall of the Gods is an urban/dark fantasy loaded with fallen gods, mythical beasts, and dark tribes of the djinn. Thanatos is the third novel in the Fall of the Gods series. PICK UP YOUR COPY TODAY!

"Dire McCain has given us a mesmerizing, startling, lyrical addition not just to the literature of drugs and madness, but to literature itself." - Nick Tosches
The long-awaited debut book from Dire McCain, editor of Paraphilia Magazine. Playing Chicken With Thanatos tells a hard-hitting yet sympathetic tale of a precocious forgotten child who sought refuge in self-annihilation, and ultimately had to choose between doom and survival. Set primarily in Southern California in the 1980s and 90s, the narrator takes you headlong on an intensely revealing and turbulent odyssey through the abysses of madnss and junkiedom to the peaks of liberation and personal evolution. Born from the author's harrowing formative experiences, Playing Chicken With Thanatos transcends autobiography, evades the niche of vicarious voyeurism, and reaches out an empathetic, nonjudgmental hand to anyone who's ever teetered over that ineffable precipice.

What if you decided to end your life, only to find out it wasn't yours to begin with? What if there is a life you were meant to live... in another world? On her 25th birthday Zoe Thanatos is ready to end her short and unhappy life by jumping off a cliff into the Pacific. But her plans irrevocably change when a stranger intervenes, preventing her death while seemingly cheating his own. She demands answers but unearths a whole new world of questions when her savior confesses his true identity - that he isn't from her world - and leads her down a path of discovery that reveals truths about the life she was meant to live and those responsible for taking it from her. Discover a new world with "Zoe Thanatos", the first of three novels that is as intelligent as it is modern, and transports the classic hero narrative into a multiverse rich with possibility and intrigue.

A Greek Mythology Romance

An Anthology of Death & Desire

Eternal Riders - Thanatos

Thanatos: Path to Immortality

Research Paper (postgraduate) from the year 2016 in the subject Literature - Asia, language: English, abstract: 'Desire', 'Pleasure', 'Passion' 'Wish' or 'Sex': by whatever name 'Eros' is addressed, it has always been reckoned as a stumbling block in the perennial human quest to attain 'Moksha'. Sigmund Freud, the 'Copernicus of Psychology' put forth the concept of 'Eros' and 'Thanatos' and posited that one's life is structured by a rhythmic conflict between 'Eros' or life instinct and 'Thanatos' or death instinct. 'Eros' leads to procreation and persistently constructs a detour for an individual to reach his/ her ultimate goal i.e. death while 'Thanatos' chases self-destruction. The confrontation between these two instincts comes into being simultaneously with the birth of an individual. However, since time immemorial a futile attempt has been made to avert this conflict through the proliferation of multifarious endeavors such as by renouncing pleasure, through eschewing of desire and by practicing rigorous self-discipline. This article seeks to explore how 'Eros' in the form of Narannapa's demonic ways and 'Thanatos' through Praneshacharya's penance has been symbolized in U.R. Ananthamurthy's Samskara. The article will further analyze that in the tug between Praneshacharya and Narannapa's modus vivendi neither asceticism nor eroticism emerges as an exclusive winner.

A pair of profound dystopian novels from the "brilliantly breathtaking" New York Times–bestselling and National Book Award–winning author of The Moviegoer (The New York Times Book Review). Winner of the National Book Award for The Moviegoer, the "dazzlingly gifted" Southern philosophical author Walker Percy wrote two vividly imagined satirical novels of America's future featuring deeply flawed psychiatrist and spiritual seeker Tom More (USA Today). Love in the Ruins is "a great adventure . . . so outrageous and so real, one is left speechless" (Chicago Sun-Times), and its sequel The Thanatos Syndrome "shimmers with intelligence and verve" (Newsday). Love in the Ruins: The great experiment of the American dream has failed. The United States is on the brink of catastrophe. Can an alcoholic, womanizing, lapsed-Catholic psychiatrist really save a society speeding toward inevitable collapse? Dr. Thomas More certainly thinks so. He has invented the lapsometer, a machine capable of diagnosing and curing the country's spiritual afflictions. If used correctly, the lapsometer could make anxiety, depression, alienation, and racism things of the past. But in the wrong hands, it could rapidly propel the nation into chaos. "A comedy of love against a field of anarchy . . . Percy is easily one of the finest writers we have." —The New York Times Book Review The Thanatos Syndrome: In Percy's "ingenious" sequel, Dr. Tom More, fresh out of prison after getting caught selling uppers to truck drivers, returns home to Louisiana, determined to live a simpler life (The New York Times). But when everyone in town starts acting strangely—from losing their sexual inhibitions to speaking only in blunt, truncated sentences—More, with help from his cousin, epidemiologist Lucy Lipscomb, takes it upon himself to investigate. Together, they uncover a government conspiracy poised to rob its citizens of their selves, their free will, and ultimately their humanity. "The Thanatos Syndrome has the ambition and purposefulness to take on the world, to wrestle with its shortcomings, and to celebrate its glories." —The Washington Post Book World

Eros & Thanatos

The Dance of Eros and Thanatos: Butoh and Queer Pedagogy

Thanatos (Classic Reprint)

A Novel

Essay from the year 2017 in the subject Communications - Public Relations, Advertising, Marketing, Social Media, grade: A, University of Auckland, language: English, abstract: Thanatos and technology have bonded. The use of thanatechnologies through the rise and integration of internet services has seen death become part of media and computational logics. Social practices and conventions of death and grieving are moving online. Like with other aspects of mediatisation research, media-embedded processes driving social change are becoming the norm. The paper studies this procedural change on death - how big data services and applications are dealing with notions and possibilities of a computational afterlife.

Tovar Cooke was a blacksmith. However, as fate would have it, he went to a university in Boston. There he met the girl of his dreams. Together they fought against a secret organization, known as the Fleur-Dis-Lis. The Fleur-De-Lis was an underground society whose purpose was the overthrow of governments of the world and install their own leaders. On the American continent there were two who stood steadfast in opposition to this maniacal scheme, Tovar Cooke and his wife Allison. The Fleur-De-Lis set out a plan that would stop this interference once and for all. After which, they would systematically coerce or kill off the resisting leaders of the country. It was a grand scheme that had a name, Thanatos! Thanatos spelled death for many and the end of the United States Constitution. The first step was to kill off Allison, then entrap Tovar. When the first step was completed, Fleur-De-Lis found out that step two was impossible but that it triggered a one man trek of vengeance that spelled doom for the Fleur-De-Lis. Tovar was not out for the preservation of any government, some body had killed his wife and that body or group was not fit to exist. How do you exterminate a covert group? You cut off its head!

The locks are failing. The keys are calling. The Titans are waking. Crowned before her time, nineteen-year-old Natylia is thrust into an unpleasant reality--her people don't want her, her family doesn't need her and, despite her best efforts, she can't seem to shake an incorrigible suitor. But when rumors begin to swirl throughout her kingdom the young queen shifts her focus and realizes that the world she loves could be destroyed in an instant. An ancient enemy, long thought gone, is trying to return. Forgotten legends have resurfaced, stories that tell of three scepters: the keys to unleashing these foul beings. Across Araenna the hunt rages for this trio of formidable power--to command the keys is to hold the power of mortal gods. Aided by her snarky elven bodyguard, an unassuming blacksmith, and a clever nature witch, Natylia races to correct the mistakes of the past... before they can destroy her people's future.

The Kisses of Thanatos

A Greek Gods and Goddesses Paranormal Romance (Guardians of Hades Romance Series Book 8)

Thanatos

Thanatos contains two books in one volume.Lilly's Project: Will you conquer Thanatos? Join biologist Lilly Summer as she searches for the cure to the worst disease man has ever encountered. During her quest, she uncovers two pills. Choose wisely. One pill leads to perpetual bliss, the other permanent blistering.The Void:Discover meaning for your life by answering the four great questions. Who am I? Where did I come from? Why am I here? Where am I going when I die? The Void contains the full Gospel of John interspersed with pictures, reflection questions, and assorted quotes from classic literature and religious texts.

Dive into a world in which the ancient gods of Greece are real.Fifteen-year-old Therese watches her parents die. While in a coma, she meets the twin sons of Hades-Hypnos (the god of sleep) and Thanatos (the god of death). She thinks she's manipulating a dream, not kissing the god of death and totally rocking his world.Than makes a deal with Hades and goes as a mortal to the Upperworld to try and win Therese's heart, but not all the gods are happy. Some give her gifts. Others try to kill her.The deal requires Therese to avenge the death of her parents. With the help of Than's fierce and exotic sisters, the Furies, she finds herself in an arena face to face with the murderer, and only one will survive.*Formerly The Gatekeeper's Sons

Only when fear is at its most intense can true heroism come into the light. In the wilds north of Rome ' s Danube frontier, the Carpathian lord has revealed himself. Few of centurion Gaius Justus Vitalis ' men have survived the horrors of Germania, and the young Thracian boy, Daxos, has been taken. Darkness is spreading rapidly, and the Carpathian lord grows so much in power that even the gods are in danger. As evil forces torture Gaius ' family in Rome, he and two of his best legionaries are fighting their way across the perilous lands of Dacia to rescue Daxos, and to face the Carpathian lord once and for all. It is the final battle in a conflict that began at the dawn of time. Will Gaius and his men succeed in bringing Mithras ' light into the heart of the Carpathian Mountains, or will they and their families perish in the gathering darkness? Complete The Carpathian Interlude today to discover the fate of Mithras and his faithful Roman warriors... Thanatos on a Southland Freeway

Poems of Eros and Thanatos

Narannapa ' s demonic ways and Praneshacharya ' s penance. Eros and Thanatos in "Samskara" by U.R. Ananthamurthy

The Thanatos Syndrome

In Thanatos on a Southland Freeway the reader senses a range of dark, brooding cloud poems on the horizon, and as the wind blows each moves overhead and deposits its contents on the reader below. A sense of interesting dread and a mysterious forest of words attempt to lure the reader in, and keeps him there trapped.

Have you ever believed in a life after death? Do want to know what the most rattling secrets of the existence of mankind are? If questions such as these stir a sense of curiosity in your mind then this book is for you. Come with me as I take you to a journey in which we will see what life after existence really feels like. Along the way we will be coming across some of the most renowned geniuses that have embraced our planet ever since the beginning of time. Not only will we have in depth discussions on all of the biggest questions that have confused mankind over the years with these geniuses, but we will also be uncovering some of the most mindboggling secrets along the way. "Eros and Thanatos" follows the story of "DEM" and how I travelled the gates of hell and paradise with Dante. The stories we find in this book provide an interesting outlook on many of the most heated debates that the greats have long discussed but come to no conclusion despite thinking about countless concepts and ideas.
