Winner of the Pulitzer Prize “A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue.”—The New York Times Book Review A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

**NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE •** A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

### The Old Man

Roger Angell, the acclaimed New Yorker writer and editor, steps up with a selection of writings that celebrate a view from the tenth decade of an engaged, vibrant life. Whether it's a Fourth of July in rural Maine, the opening game of the 2015 World Series, editorial exchanges with John Updike, a letter to a son, or his award-winning essay on aging, "This Old Man," what links the pieces is Angell's unique perceptions and humor, his utter absence of self-pity, and his appreciation of friends and colleagues encountered over a fruitful career unlike any other.

The beloved author of *The Hundred-Year-Old Man Who Climbed Out of the Window and Disappeared* returns with an enchanting adventure that skewers the greed and hypocrisy that dominates our time and holds lessons about what's truly important in life. Meet Ole Mbatian Jr., a Maasai warrior; Kevin, his sort-of-son; Agneta, a wronged and penniless ex-wife; and Johan, an unscrupulous Stockholm ad-man whose company specializes in revenge services. As Agneta and Kevin seek revenge against the gallery owner who has wronged them, this madcap, funny and philosophical novel takes off on a madcap journey that spans five continents and whirls around a colorful cast of characters, including a goat called Molly and the Pope. As he's done in his previous novels, Jonas Jonasson acts as a travel guide through time, drops in a few lessons on colonialism and art history, and pokes fun at capitalism and the artworld, with plenty of laughs along the way. From the author of the international bestseller *The 100-Year-Old-Man Who Climbed Out the Window and Disappeared*, a brilliant satirical novel set in modern Sweden—a story of idealism and fanaticism, gangsters and entrepreneurs, sensationalism and spirituality, that explores the values that matter in contemporary life. In a former brothel turned low-rent hotel, the lives of three unusual strangers—a former female priest, recently fired from her church; the ruined grandson of an ex-millionaire working as a receptionist; and Killer-Anders, a murderer newly released from prison—accidentally collide with darkly hilarious results. Seeing a lucrative opportunity in Killer-Anders, the unlikely trio form an unusual new business. The Priest and The Receptionist will handle strategy and public relations, and coordinate Killer-Anders’ “missions.” Using the media’s obsessive need for sensational, headline-making stories to advertise their talent’s superb “skill,” they quickly build a clientele of rich Swedish gangsters. Suddenly, they’re making an altogether different kind of killing of their own. But when Killer-Anders begins asking deeper questions about purpose and meaning, his curiosity leads him to an unexpected discovery: he finds Jesus. Desperate to save the money machine they’ve built, The Priest and The Receptionist devise an audacious plan utilizing Killer-Anders’ newfound and decidedly fervent faith. Mischievous yet big-hearted, filled with Jonas Jonasson’s trenchant humor and delightful twists, *Hitman Anders and the Meaning of It All* is a delightful comic adventure that reminds us it’s never too late to start over—and to discover what truly matters.

The Age of Anxiety is a great rock novel, but that is one of the less important things about it. The narrator is a brilliant creation - cultured, witty and unreliable. The novel captures the craziness of the music business and displays Pete Townshend's sly sense of humour and sharp ear for dialogue. First conceived as an opera, The Age of Anxiety deals with mythic and operatic themes including a maze, divine madness and long-lost children. Hallucinations and soundscapes haunt this novel, which on one level is an extended meditation on manic genius and the dark art of creativity.

New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he possesses a certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." A heartstopping, poignant, epic adventure story about a boy destined to live forever, who only wants to grow up. Without death, life is just existence. Have you ever wondered what it would be like to live forever? Well, Alfie Monk can tell you. He may seem like an ordinary eleven-year-old boy, but he's actually more than a thousand years old--and remembers the last Viking invasion of England, not to mention the French Revolution and both World Wars. Way back in the tenth century, he and his mother were given the alchemical secret to eternal life. But when everything Alfie knows is destroyed in a fire, and the modern world intrudes, he must embark on a mission--along with friends Aidan and Roxy--to find a way to reverse the process and grow up like a regular boy. de force--a sweeping epic that takes you on an unforgettable, breathtaking adventure and asks big questions about the meaning of life.

Jonas Jonasson's picaresque tale of how one person's actions can have far-reaching—even global—consequences, written with the same light-hearted satirical voice as his bestselling debut novel, *The 100-Year-Old Man Who Climbed Out the Window and Disappeared*. On June 14th, 2007, the King and Prime Minister of Sweden went missing from a gala banquet at the Royal Castle. Later it was said that both had fallen ill: the truth is different. The real story starts much earlier, in 1961, with the birth of Nombeko Mayeki in a shack in Soweto. Nombeko was fated to grow up fast and die early in her poverty-stricken township. But Nombeko takes a different path. She finds work as a housecleaner and eventually makes her way up to the position of chief advisor, at the helm of one of the world's most secret projects. Here is where the story merges with, then diverges from reality. South Africa developed six nuclear missiles in the 1980s, then voluntarily dismantled them in 1994. This is a story about the seventh missile . . . the one that was never supposed to have existed. Nombeko Mayeki knows too much about it, and now she's on the run from both the South African justice and the most terrifying secret service in the world. She ends up in Sweden, which has transformed into a nuclear nation, and the fate of the world now lies in Nombeko's hands.

Karlsson is waiting for a party he doesn't want to begin. His one-hundredth birthday party to be precise. The Mayor will be there. The press will be there. But, as it turns out, Allan will not . . . Escaping (in his slippers) through his bedroom window, into the flowerbed, Allan makes his getaway. And so begins his picaresque and unlikely journey involving criminals, several murders, a suitcase full of cash, and incompetent police. As his escapades unfold, Allan's earlier life is revealed. A life in which - remarkably - he played a key role behind the scenes in some of the momentous events of the twentieth century. Translated by Roy Bradbury.

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

Sherman Sage (ca. 1844?1943) was an unforgettable Arapaho man who witnessed profound change in his community and was one of the last to see the Plains black with buffalo. As a young warrior, Sage defended his band many times, raided enemy camps, saw the first houses go up in Denver, was present at Fort Laramie for the signing of the 1868 treaty, and witnessed Crazy Horse's surrender. Later, he visited the Ghost Dance prophet Wovoka and became a link in the spread of the Ghost Dance religion to other Plains Indian tribes. As an elder, Old Man Sage was a respected, vigorous leader, walking miles to visit friends and family even in his nineties. One of the most interviewed Native Americans in the Old West, Sage was a

wellspring of information for both Arapahos and outsiders about older tribal customs. Anthropologist Jeffrey D. Anderson gathered information about Sage's long life from archives, interviews, recollections, and published sources and has here woven it into a compelling biography. We see different sides of Sage—how he followed a traditional Arapaho life path; what he learned about the Rocky Mountains and Plains; what he saw and did as outsiders invaded the Arapahos' homeland in the nineteenth century; how he adjusted, survived, and guided other Arapahos during the early reservation years; and how his legacy lives on today. The remembrances of Old Man Sage's relatives and descendants of friends make apparent that his vision and guidance were not limited to his lifetime but remain vital today in the Northern Arapaho tribe.

injustice, and oppression that fills her world. Bina is a woman who 's had enough and isn ' t afraid to say so. " I ' m here to warn you, not reassure you, " she announces at the book ' s outset. In a series of taut, urgent missives she attempts to set the record of her life straight, and in doing so, to be useful to others. Yet being useful is what landed her in jail. Empathy is her Achilles ' heel. Her troubles seem to stem from an injured stranger named Eddie, and they multiply when her charity extends from delivering meals to the elderly to working with the dying. No good deed of hers goes unpunished and the costs of her capacity for care are legion, as one by one she is denied her livelihood, her health, and her freedom, but her voice continues resolutely, an act of friendship in itself. Bina is an unsettling, thought-provoking novel of formal inventiveness and moral and emotional complexity by a bold and talented writer.

plea, he refused, maintaining his innocence. The lion ' s share of Confessions of a Wall Street Insider was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him; realizing that none of that mattered in the end. As he writes: “ Stripped of family, friends, time, and humanity, if there ' s ever a place to give one pause, it ' s prison . . . Tomorrow is promised to no one. ” In Confessions of a Wall Street Insider, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR “ A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we ’ ve all been doing it wrong for a long, long time. ” —Elizabeth Gilbert, author of Big Magic and Eat Pray Love No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you ’ re not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren ’ t found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. **Perfect for fans of Gail Honeyman's Eleanor Oliphant is Completely Fine; Ruth Hogan's The Keeper of Lost Things and Graeme Simsion's The Rosie Project, A Man Called Ove is one of the best-loved and most life-affirming novels of the decade. This multi-million-copy phenomenon is a funny, moving, uplifting tale of love and community that will leave you with a spring in your step. 'Warm, funny, and almost unbearably moving' Daily Mail 'Rescued all those men who constantly mean to read novels but never get round to it' Spectator Books of the Year At first sight, Ove is almost certainly the grumpiest man you will ever meet. He thinks himself surrounded by idiots - neighbours who can't reverse a trailer properly, joggers, shop assistants who talk in code, and the perpetrators of the vicious coup d'etat that ousted him as Chairman of the Residents' Association. He will persist in making his daily inspection rounds of the local streets. But isn't it rare, these days, to find such old-fashioned clarity of belief and deed? Such unswerving conviction about what the world should be, and a lifelong dedication to making it just so? In the end, you will see, there is something about Ove that is quite irresistible . . . One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and**

**the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.**

written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*.
