

The 39 Storey Treehouse The Treehouse Books

The 91-Storey Treehouse is the seventh book of Andy Griffiths and Terry Denton's wacky treehouse adventures, where the laugh-out-loud story is told through a combination of text and fantastic cartoon-style illustrations. Join Andy and Terry in their now 91-storey spectacular treehouse. They've added thirteen new levels, including the world's most powerful whirlpool, a mashed-potato-and-gravy train and a human pinball machine. Why not try your luck on the spin-and-win prize wheel or hang out in a giant spider web (with a giant spider), or you can always get your fortune told by Madam Know-it-all or eat a submarine sandwich the size of an actual submarine while deciding whether or not to push the big red button . . . Well, what are you waiting for? Come on up!

The author, a New York City cab driver, shares his experiences, and offers humorous observations about life in the city.

Andy and Terry live in a 78-story treehouse. It has a an open-air movie theatre with a super-giant screen... which is a very useful thing to have now that Terry's going to be a big-shot movie star! After Andy gets cut out of the movie, he and Terry Reformatted as a stand-alone tale for beginning readers, follows a riotous chase between a rat and a bat-wielding cat.

Laser Eyes and Annoying Flies

Andy and Terry's awesome treehouse just keeps on growing! In The 39-Storey-Treehouse they've added a chocolate waterfall you can swim in, a baby-dinosaur-petting zoo, a not-very-merry merry-go-round, a boxing elephant called the Trunkinator, a top-secret thirty-ninth level and more!! And in The 52-Storey Treehouse they've added a wave machine, a life-size snakes and ladders game (with real ladders and real snakes!), and a high-tech detective agency with all the latest high-tech detective technology. Well, what are you waiting for? Come on up!

An ingenious and hilarious riddle book with a difference... Follow the gnu as the riddles get harder!

Surprise, absurdity, and laugh-out-loud humor are the hallmarks of this New York Times-bestselling author, and in Killer

Koalas from Outer Space, Griffiths offers up a collection of ridiculous stories featuring zombie kittens, rocket stealing ants, and of course, killer koalas from outer space.

In this seventh installment of the New York Times–bestselling series, Kitty encounters what may be her most formidable foe yet: her creator! Kitty soon learns that feline manipulation works both ways—especially when you're at the wrong end of your author's pencil. Along the way, Nick shows kids how a book is created, despite the frequent interruptions from you-know-who. A Neal Porter Book

A Most Magical Girl

A story that you and your butt will never forget! Join Zack on his epic journey across the Great Windy Desert and through the Brown Forest, to reclaim his runaway butt. Zack Freeman is ready to tell his story . . . the story of a brave young boy and his crazy runaway butt. The story of a crack butt-fighting unit called the B-team, a legendary Butt Hunter's formidable daughter, and some of the ugliest and meanest butts ever to roam the face of the Earth. A story of endurance that takes Zack on an epic journey across the Great Windy Desert, through the Brown Forest, and over the Sea of Butts before descending into the heart of an explosive buttcano to confront the biggest, ugliest, and meanest butt of them all!

Full of highly original, and extremely funny stories, which established Andy Griffiths as the world's most annoying person. They include convincing his best friend Danny that he is invisible so that he will wreak havoc in the school library, and pretending that corn relish is vomit to make an old lady move seats on a plane....

In its 68 fully illustrated, 99.9% fact-free chapters, What Body Part Is That? will explain everything you ever needed to know about your body without the boring technical jargon and scientific accuracy that normally clog up the pages of books of this type. Never again will you be stuck for an answer when somebody comes up to you, points at a part of your body and demands to know, "What body part is that?" That is all there is to know about this book.

Magical machines, wizards, witches, mysterious underworlds, a race against time - and two most magical girls.

Annabel Grey has been brought up to be a very proper Victorian young lady. But being 'proper' isn't always easy - especially when you can sometimes see marvellous (as well as terrifying) things in puddles. But parlour tricks such as these are nothing compared to the world that Annabel is about to enter... After the rather sudden departure of her mother, Annabel is sent to live with her aunts. They claim to be Shoreditch witches, and from a very old family line of them too. They're keen to introduce Annabel to their world of transformation, potions and flying broomsticks (which seem to have strong personalities of their own) but are horrified when Annabel announces not only does she not

know any magic, young ladies shouldn't believe in such things. But before Annabel has time to decide whether she does or not, she is swept into an urgent quest. The trees of Highgate have been whispering to Kitty - an extraordinary urchin of a girl, who Annabel's aunts seem very fond of - and so have the fairies. They talk of a terrible, dark magic that wants to devour all of London. And of a most magical girl who might be able to stop it . . . This sparkling and enchanting story is sure to bewitch you, so curl up in front of the fire, and prepare to be swept away . . .

The 130-Story Treehouse

What's black and white and read all over the world? The New York Times–bestselling Treehouse series, of course! International author-illustrator superstar duo Andy Griffiths and Terry Denton are back, and this time they've cooked up a hilarious joke book to complement their beloved chapter book series. Chock-full of gags, quips, and puns—both all-new and some that were previously featured in The 104-Story Treehouse—The Treehouse Joke Book promises countless laughs both for existing fans and newcomers to the Treehouse universe.

Meet Andy and Terry. They make books together in the world's coolest treehouse! They've got loads of different storeys in their home in the sky: you can find a marshmallow machine, the world's most powerful whirlpool, a penguin ice-skating rink, a tank full of sharks and a human pinball machine, among many other things. But none of these help them agree on their special story for World Book Day - and it's not just Mr Big Nose keeping an eye on them now, but the story police too! Terry's Dumb Dot Story is a special World Book Day Treehouse adventure from Andy Griffiths and Terry Denton, told through a combination of laugh-out-loud text and fantastic cartoon-style illustrations. Well, what are you waiting for? Come on up!

Andy and Terry have added 13 new levels to their treehouse and now it's even more out of this world than before! There's a soap bubble blaster, a grabinator (it can grab anything from anywhere at any time), a time-wasting level, a toilet paper factory (because you can never have too much toilet paper), a super long legs level, an extraterrestrial observation centre and the best bookshop-in-a-treehouse-in-a-tree-in-a-forest-in-a-book in the whole world!

Treehouse is getting festive! With lots of Christmas laughs at every level in The 156-Storey

Treehouse, from the worldwide bestselling Treehouse series by Andy Griffiths and Terry Denton. They've added 13 new levels, including a wishing well, a world-record breaking level, a super-stinky stuff level and a TV quiz show level (hosted by no other than Quizzzy the quizzical quizbot). But it's the night before Christmas, and they've got carols to sing, lists to write, a new book to finish, and the real Santa to uncover . . . Will they get it all done in time? Well, what are you waiting for? Come on up!
