

### The Absolutist John Boyne

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank. " Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

1867. On a dark and chilling night Eliza Caine arrives in Norfolk to take up her position as governess at Gaudlin Hall. As she makes her way across the station platform, a pair of invisible hands push her from behind into the path of an approaching train. She is only saved by the vigilance of a passing doctor. It is the start of a journey into a world of abandoned children, unexplained occurrences and terrifying experiences which Eliza will have to overcome if she is to survive the secrets that lie within Gaudlin ’ s walls...

A searing, beautiful, and deeply comic novel by a young American master Milo Burke, a development officer at a third-tier university, has "not been developing": after a run-in with a well-connected undergrad, he finds himself among the burgeoning class of the newly unemployed. Grasping after odd jobs to support his wife and child, Milo is offered one last chance by his former employer: he must reel in a potential donor—a major "ask"—who, mysteriously, has requested Milo’s involvement. But it turns out that the ask is Milo’s sinister college classmate Purdy Stuart. And the "give" won’t come cheap. Probing many themes— or, perhaps, anxieties—including work, war, sex, class, child rearing, romantic comedies, Benjamin Franklin, cooking shows on death row, and the eroticization of chicken wire, Sam Lipsyte’s The Ask is a burst of genius by an author who has already demonstrated that the truly provocative and important fictions are often the funniest ones. " A moving and deeply felt tribute to a love that dared to speak its name." —André Aciman, author of Call Me by Your Name A new edition of the beloved novel most similar thematically to the author ’ s mega-bestseller The Heart ’ s Invisible Furies It is September 1919, and twenty-one-year-old Tristan Sadler takes a train from London to Norwich to deliver a package of letters to the sister of Will Bancroft, the man he fought alongside during the Great War. But the letters are not the real reason for Tristan ’ s visit. He can no longer keep a secret and has finally found the courage to unburden himself of it. As he recounts the horrific details of what to him became a senseless war, he also speaks of his friendship with Will—from their first meeting on the training grounds at Aldershot to their farewell in the trenches of northern France. The intensity of their bond brought Tristan happiness and self-discovery as well as confusion and unbearable pain. The Absolutist is a masterful, unforgettable tale of passion, jealousy, heroism, and betrayal set in one of the most gruesome trenches of France during World War I.

A History of Loneliness

Having witnessed the deaths of his mother and stepfather in 1758, Matthieu Zela realizes that he has stopped aging, a situation that hundreds of years later culminates in his frustration about his limited prospects for finding love. By the author of Crippen. Reprint. 15,000 first printing.

A tale of acceptance from the bestselling author of The Boy in the Striped Pajamas. Barnaby Brocket is an ordinary eight-year-old boy in most ways, but he was born different in one important way: he floats. Unlike everyone else, Barnaby does not obey the law of gravity. His parents, who have a fear of being noticed, want desperately for Barnaby to be normal, but he can’t help who he is. And when the unthinkable happens, Barnaby finds himself on a journey that takes him all over the world. Drifting from Brazil to New York, from Canada to Ireland, and even to space, the floating boy meets all sorts of different people—and discovers who he really is along the way. This whimsical novel will delight middle-graders, while readers of all ages will find themselves questioning what it means to be "normal."

Revolt Against the Inquisition in the Last Days of the Cathars

The Absolutist

A Novel of Discworld

*In 1300, the French region of Languedoc had been cowed under the authority of both Rome and France since Pope Innocent III ’s Albigensian Crusade nearly a century earlier. That crusade almost wiped out the Cathars, a group of heretical Christians whose beliefs threatened the authority of the Catholic Church. But decades of harrowing repression-enforced by the ruthless Pope Boniface VIII , the Machiavellian French King Philip the Fair of France, and the pitiless grand inquisitor of Toulouse, Bernard Gui (the villain in The Name of the Rose)-had bred resentment. In the city of Carcassonne, anger at the abuses of the Inquisition reached a boiling point and a great orator and fearless rebel emerged to unite the resistance among Cathar and Catholic alike. The people rose up, led by the charismatic Franciscan friar Bernard Délicieux and for a time reclaimed control of their lives and communities. Having written the acclaimed chronicle of the Cathars The Perfect Heresy , Stephen O’Shea returns to the medieval world to chronicle a rare and remarkable story of personal courage and principle standing up to power, amidst the last vestiges of the endlessly fascinating Cathar world. Praise for The Perfect Heresy : "At once a cautionary tale about the corruption of temporal power...and an accounting of the power of faith ...It is also just a darn good read."-Baltimore Sun "An accessible, readable history with lessons ...that were not learned by broad humanity until it saw 20th-century tyrants applying the goals and methods of the Inquisition on a universal scale."-New York Times*

*'The funniest book I've read in ages. Savage but compelling' Ian Rankin 'A fearless romp with big laughs along the way' Graham Norton 'Funny, rumbustious, unstinting and wonderfully Hogarthian' The Observer 'His relish is infectious' Times \_\_\_\_\_ What a thing of wonder a mobile phone is. Six ounces of metal, glass and plastic, fashioned into a sleek, shiny, precious object. At once, a gateway to other worlds - and a treacherous weapon in the hands of the unwary, the unwitting, the inept. The Cleverley family live a gilded life, little realising how precarious their privilege is, just one tweet away from disaster. George, the patriarch, is a stalwart of television interviewing, a 'national treasure' (his words), his wife Beverley, a celebrated novelist (although not as celebrated as she would like), and their children, Nelson, Elizabeth, Achilles, various degrees of catastrophe waiting to happen. Together they will go on a journey of discovery through the Hogarthian jungle of the modern living where past presumptions count for nothing and carefully curated reputations can be destroyed in an instant. Along the way they will learn how volatile, how outraged, how unforgiving the world can be when you step from the proscribed path. Powered by John Boyne's characteristic humour and razor-sharp observation, The Echo Chamber is a satiric helter skelter, a dizzying downward spiral of action and consequence, poised somewhere between farce, absurdity and oblivion. To err is maybe to be human but to really foul things up you only need a phone. Emily, a popular but bookish prep school senior, goes missing after a night out with friends. She was last seen leaving a party with Alex, a football player with a dubious reputation. But no one is talking. Now three mothers, Catherine, Leslie and Morgan, friends turned frenemies, have their lives turned upside down as they are forced to look to their own children—and each other’s—for answers to questions they don’t want to ask. Each mother is sure she knows who is responsible, but they all have their own secrets to keep and reputations to protect. And the lies they tell themselves and each other may just have the potential to be lethal in this riveting debut.*

Everybody wants more time, which is why on Discworld only the experts can manage it -- the venerable Monks of History who store it and pump it from where it’s wasted, like underwater (how much time does a codfish really need?), to places like cities, where busy denizens lament, “Oh where does the time go?” While everyone always talks about slowing down, one young horologist is about to do the unthinkable. He’s going to stop. Well, stop time that is, by building the world’s first truly accurate clock. Which means esteemed History Monk Lu-Tze and his apprentice Lobsang Ludd have to put on some speed to stop the timepiece before it starts. For if the Perfect Clock starts ticking, Time -- as we know it -- will end. And then the trouble will really begin...

Happily married with two small children and a circle of devoted friends, Angelica knows she should be grateful. But then she meets a charismatic South African who flirts with her and makes her feel beautiful. What starts as a long distance friendship grows into something deeper and soon she longs for his emails. From the glamorous streets of London to the lush vineyards of South Africa, Angelica chases a dream that risks the very things she holds dear. Yet, the dream is flawed and a moment of savage violence flings her and Jack together only to rip them apart. With life refined down to its bare essence, Angelica learns that what Fate takes with one hand, it gives with the other.

Part love story, part historical epic, part tragedy, The House of Special Purpose illuminates an empire at the end of its reign. Eighty year old Georgy Jachmenev is haunted by his past - a past of death, suffering and scandal that will stay with him until the end of his days. Living in England with his beloved wife Zoya, Georgy prepares to make one final journey back to the Russia he once knew and loved, the Russia that both destroyed and defined him. As Georgy remembers days gone by, we are transported to St. Petersburg in the early 20th century, to the Winter Palace of the Tsar. A time of change, threat and bloody revolution. And as Georgy overturns the most painful stone of all, we uncover the story of the house of special purpose.

The powerful, unforgettable new novel from the bestselling author of The Boy in the Striped Pajamas, for ages 12+. When Pierrot becomes an orphan, he must leave his home in Paris for a new life with his Aunt Beatrix, a servant in a wealthy household at the top of the German mountains. But this is no ordinary time, for it is 1935 and the Second World War is fast approaching; and this is no ordinary house, for this is the Berghof, the home of Adolf Hitler. Quickly, Pierrot is taken under Hitler's wing, and is thrown into an increasingly dangerous new world: a world of terror, secrets and betrayal, from which he may never be able to escape.

The riveting narrative of an honorable Irish priest who finds the church collapsing around him at a pivotal moment in its history Propelled into the priesthood by a family tragedy, Odran Yates is full of hope and ambition. When he arrives at Clonliffe Seminary in the 1970s, it is a time in Ireland when priests are highly respected, and Odran believes that he is pledging his life to "the good." Forty years later, Odran's devotion is caught in revelations that shatter the Irish people's faith in the Catholic Church. He sees his friends stand trial, colleagues jailed, the lives of young parishioners destroyed, and grows nervous of venturing out in public for fear of disapproving stares and insults. At one point, he is even arrested when he takes the hand of a young boy and leads him out of a department store looking for the boy's mother. But when a family event opens wounds from his past, he is forced to confront the demons that have raged within the church, and to recognize his own complicity in their propagation, within both the institution and his own family. A novel as intimate as it is universal, A History of Loneliness is about the stories we tell ourselves to make peace with our lives. It confirms Boyne as one of the most searching storytellers of his generation.

"A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, A Ladder to the Sky is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for A Ladder to the Sky "Boyne's mastery of perspective, last seen in The Heart's Invisible Furies, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading A Ladder to the Sky as much as you definitely will enjoy reading it."—NPR "Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—Vanity Fair

The legendary Judge Dee Renjie investigates a high-profile murder case in this intriguing companion novel to Inspector Chen and the Private Kitchen Murder set in seventh-century China. Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

In this collection of twelve dark, unerring and surprising short stories, John Boyne explores the extremities of the human condition in all its brilliance and brutality. The secrets we keep and the ways in which they shape us, the impossibility of shared loss, the lengths we will go to in order to protect our families and the distance we will run to protect ourselves. Drawing on a host of enthralling characters â€" a farmer, a cuckold and a teenager exploring his sexuality; good parents, bad parents, writers and soldiers; a student, a rent boy and a hitman â€" Boyne examines the hopeful and the damaged without prejudice or judgement. This, his first collection of short stories, is some of John Boyneâ€(tm)s finest writing to date. It includes â€"Rest Dayâ€(tm) which won the 2015 Writing.ie Short Story of the Year award in Ireland.
