experiences too in an attempt to present soft skills as an essential tool to life skills. Anecdotal and relatable, it brings alive a range of skills and strategies dating back to centuries that are relevant even today, underlining the efficacy of soft skills and the need to acquire it early on in life. Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It

existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are.

book is for anyone who wants a miracle, has ever wanted to see God's work in action, or needed proof of His existence. It is for the doubters and believers alike. If you think nothing is out there, think again. Whether you're an agnostic astrophysicist or a seminary priest, you will discover an ancient gift that works every time, no questions asked. By the time you finish this book, your perception of the universe will have changed. If you thought God was out there but not listening, you may discover that you have been tuning into the wrong channels. It doesn't matter whether you want to call it the Light Force of God, the creative power of the Lord, or any other expression of omnipotent omniscience because as you'll soon discover, you have the ability to tap into it. In fact, you've had the ability all along. If you ever wondered if anyone was listening or if anyone cared, you'll soon see for yourself the

benevolence that's been available to you and all of us since the dawn of time. You'll learn why the ancient sages said the Light Force always gives, always listens, and always answers. Find out how to get heard. Find out what you've been missing. See an infinite stream of miracles spread out before you, guiding your every step. As you rethink everything you've ever known, you'll see that life is not supposed to be difficult; man isn't supposed to suffer; fate isn't some abstraction beyond our control, and your life can indeed be wonderful".--From the Introduction

In the Great Mystic Symbolic Tetragrammaton of the Ancient Masters we have one of their deepest secrets; the discovery of what the Masters called the Sacred Four Elements, as they found that these elements enter into the constitution of everything known. Earth, Water, Air, and Fire are the elements that produce

Download Free The Ancient Secret Of The Flower Of Life

Vol 1 Ebooks About The Ancient Secret Of The Flower Of Life Vol 1 Q1

every formation, every object, every organism. The Masters then invented an appropriate symbol to embrace the Sacred Four Elements. This symbol is known to us as the Sphinx, the image of which has been found in all the lands of the ancient world, and just as far back in the night of time as it is possible for us to go. Professor Hilton Hotema again raises compelling questions regarding our physical, spiritual, and mental reactions to these Sacred Four Elements.

Sepher Yetzira is a second or third century Hebrew book that is considered to be the seminal work of Kabbalah because it is a mystical interpretation of the Old Testament's creation story, and Kabbalists delve beneath the surface of the Bible to understand the unspoken mysteries of how the world came to be. Ancient Secrets of Creation is a new translation and reinterpretation of Sepher Yetzira that

Download Free The Ancient Secret Of The Flower Of Life

Vol 1, Ebooks About The Ancient Secret Of The Flower Of Life Vol 1 Or

provides the answers to questions about how God created the world, especially how the expression, "And God said" is used. Because of Sepher Yetzira's succinctness and the passage of time, its implicit meanings have been lost.

However, this work provides a fresh understanding of Sepher Yetzira by rediscovering and clearly explaining those mathematical, scientific, philosophical, and theological foundations on which it rests. These include pertinent pre-Socratic Greek philosophies; the ideas of Plato, Plotinus, Iamblichus, Neopythagoreanism, and Neoplatonism; as well as the works of Philo of Alexandria, the Old Testament, and rabbinic understandings at the time that Sepher Yetzira was written. This translation and explication unlock the secrets hidden within the Hebrew-language text of Sepher Yetzira, the book that started Kabbalah.

PREVENTED, and methods which can be used to correct existing problems. Dr. Miller explains how every horse inherits ten character traits that influence its behavior. These ten traits are embedded deep within the horse's DNA and shared, without exception, by every horse that was ever born. Understanding these 10 traits is essential to optimum communication with the horse, and is the reason the current revolution in natural horsemanship is so successful. If you understand how your horse thinks, you can control its behavior. You can teach your horse to: - ignore the "spooky" stuff - stand quietly while tied - accept routine veterinary and farrier

from both East and West, who traveled there long before 1492. Sharing his more than 25 years of research and travel to sites throughout North America, Carl Lehrburger employs epigraphy, archaeology, and archaeoastronomy to reveal extensive evidence for pre-Columbian explorers in ancient America. He provides more than 300 photographs and drawings of sites, relics, and rock art, including Celtic and Norse runes in New England, Phoenician and Hebrew inscriptions in the Midwest, and ancient Shiva linga and Egyptian hieroglyphs in the West. He uncovers the real story of Columbus and his motives for coming to the Americas. He reinterprets many well-known archaeological and astronomical finds, such as the Ohio Serpent Mound, America's Stonehenge in New Hampshire, and the Crespi Collection in Ecuador. He reveals Celtic, Hebrew, Roman, early

Vol 1 Ebooks About The Ancient Secret Of The Flower Of Life Vol 1 Or

Christian, Templar, Egyptian, Chinese, and Japanese influences in famous stones and ruins, reconstructing the record of what really happened on the American continents prior to Columbus. He also looks at Hindu influences in Mesoamerica and sacred sexuality encoded in archaeological sites. Expanding upon the work of well-known diffusionists such as Barry Fell and Gunnar Thompson, the author documents the travels and settlements of trans-Atlantic and trans-Pacific explorers, miners, and settlers who made it to the Americas and left their marks for us to discover. Interpreting their sacred symbols, he shows how their teachings, prayers, and cosmologies reveal the cosmic order and sacred landscape of the Americas.

Thousands of years ago Ayurveda described multiple levels of the radial pulse that could be used to interpret the

status of the organs and systems of the body as well as the mental and physical constitutions of the individual. For the first time in the west this book presents this ancient art and provides a method by which anyone can learn to read his or her own pulse. Imbalances and potential disease states can be detected in their early stages, giving one the opportunity to correct them before they affect the quality of life. With practice and guidance, one can acquire the proficiency to use this knowledge to heal self and others. This book will give guidelines to think about various ways of feeling, reading and gathering information through the pulse. It is quite difficult to put subjective experience into words. It is an attempt to express these simple ways of feeling the pulse.

The Cygnus Constellation holds the key to proving that life originated in the

Download Free The Ancient Secret Of The Flower Of Life

Vol 1 Ebooks About The Ancient Secret Of The Flower Of Life Vol 1 Or

heavens and will ultimately return there. Best-selling author Andrew Collins has uncovered an astronomy that is about 17,000 years old, with standing stones, temples, and monuments across the globe oriented towards Cygnus's stars. He also found that the use of deep caves by Palaeolithic man led to the rise of religious thought and the belief in life's stellar origins. Now modern-day technology has confirmed that high-energy particles come from a binary star known as Cygnus X3. Ancient people knew what science is finally verifying: that the DNA of life came originally from deep space. The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes

through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and

This is a new release of the original 1940
edition.

The Spiritual, Occult and Historical
significance of the "Emerald Tablets" is
almost beyond belief of modern man.
Written around 36,000 B.C. by Thoth,
an Atlantean priest-king, this
manuscript dates far back beyond reach
of any Egyptian writings ever found.
The author, Thoth, a Master-Teacher of
the early Egyptians, put this treatise to
writing in his native Atlantean language
and Dr. Doreal, by use of his expertise
as an Occultist and Master of time and
space, was given the directive to retrieve
these Tablets and translate them into
English for the edification of modern
man. The powerful and rhythmic verse

of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The

often overlook the fact that this system of belief has been alive and kicking for thousands of years before the movie 'The Secret' pushed it openly into public awareness. But for the past 2000 years this ancient belief system was traditionally kept secret, hidden away in the dusty catacombs of the great temples of spiritual learning. Regarded as forbidden knowledge and taught only to societies most accomplished and deserving members. This eBook series finally cracks open the vault and
