For nearly sixty years, Wheelock’s Latin has remained the optimum liber of beginning Latin textbooks. When Professor Frederic M. Wheelock’s Latin first appeared in 1956, the reviews extolled its thoroughness, organization, and conciseness; one reviewer predicted that the book “might well become the standard text” for introducing students to elementary Latin. Now, nearly six decades later, that prediction has certainly proved accurate. This new edition of Wheelock’s Latin has all of the features, many of them improved and expanded, that have made it the bestselling single-volume beginning Latin textbook: 40 chapters with grammatical explanations and readings drawn from the works of Rome’s major prose and verse writers; Self-tutorial exercises, each with an answer key, for independent study; An extensive English-Latin/Latin-English vocabulary section; A rich selection of original Latin readings—unlike other Latin textbooks, which contain primarily made-up texts; Etymological aids, maps, and dozens of images illustrating aspects of the classical culture and mythology presented in the chapter readings. Also included are expanded notes on the literary passages, comments on vocabulary, and translation tips; new comprehension and discussion questions; and new authentic classical Latin readings, including Roman graffiti, in every chapter.

A New Spirituality for Today

The definitive plant-based Mexican cookbook for a new generation, featuring 100 recipes transforming traditional dishes into vegan celebrations of family and home ONE OF THE BEST COOKBOOKS OF THE YEAR: Boston Globe and Glamour [] “The stories will feed your soul and the recipes will channel your love for Mexican food in a wholesome plant-based way.”—Misha Vora, creator of Rainbow Plant Life and author of The Vegan Instant Pot Cookbook Edgar Castrejón went vegan as a college student when he realized that following a plant-based diet made him feel better, but he worried he would no longer fit in back at the table with his family. As a proud first-generation Mexican American growing up in Oakland, Edgar had spent countless hours with his mom, aunts, and grandmother in the kitchen, where family recipes were passed down through “las manos mágicas.” So Edgar began creating healthier, meatless variations on the dishes he grew up cooking and eating. Provecho features one hundred of Edgar’s ingenious vegan recipes that honor the traditional, often meat-heavy classics of Mexican and Latin American culture while cooking with compassion. Many take thirty minutes or less, rely on readily accessible ingredients, and feature Salvadoran and Colombian influences. And they’re all organized by how meals are approached in Edgar’s family: [] La Mesa Llana (“The Full Table”); Mushroom Sancocho, No-Bake Enchiladas Verdes with Jackfruit, Lentil-Cauliflower Empanadas [] La Mesita (“The Small Table”); Sweet Potato and Kale Tacos, Quesadillas de Brócoli y Tofu, Vegan Queso Fundido [] La Mañana Después de la Cruda (“The Morning After”); Burritos de Desayuno, “Huevos” Rancheros; Papas con Chorizo Vegano [] Antojitos (“Little Cravings”); Vegan Chipotle Crema; Mi Tia Evelia’s Ceviche de Coliflor; Ensalada de Nopales [] Bebidas (“Drinks”); Oat Milk Horchata; Jugo de Espinaca y Piña; Margarita Fuerte [] Postrecitos (“Little Desserts”); Almond Milk Rice Pudding with Cashew Cream; Gelatina de Mango Coco; Apple Empanadas With Provecho. Edgar invites you to discover a whole new way to enjoy the flavors he has loved his entire life—and still wakes up craving every day.

A leading minister offers an inspiring guide to living a meaningful life by embracing the power of gratitude. “Galen Guengerich’s wise and tender words about belonging, connection, and gratitudeare like keys to unlock our hearts, give us courage, and call us into the kind ofrelationships and community we are all longing for.”—Elizabeth Lesser, bestselling author of Broken Open Galen Guengerich, the charismatic, brilliant leader of one of the nation’s most prominent Unitarian Universalist congregations, All Souls in New York City, shares with readers his wisdom on how to lead a purposeful and joyful life through the practice of gratitude. When Guengerich was in his midtwenties, he left the Conservative Mennonite Church, the faith of his upbringing. The prospect of venturing out on his own was daunting, but he needed to find the way of life that was right for him. For Guengerich, transcendence is not limited to experiences of the divine; it can also be reached through gratitude’s ability to take us beyond ourselves and create connection to others and the universe. Through his personal story, poems that resonate with his spiritual message, and guided spiritual practice, including “gratitude goals,” this book helps readers discover how the way of gratitude can make them happier and healthier, and provide a new sense of belonging, not only to the universe as a whole but also to themselves.

The Right Stuff

From "America's nerviest journalist" (Newsweek)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure: namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made The Right Stuff a classic.

Five years in the writing by one of science fiction’s most honored authors, Domsday Book is a storytelling triumph. Connie Willis draws upon her understanding of the universalites of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. For Kivrin, preparing an on-site study of one of the deadliest eras in humanity’s history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin—barely of age herself—finds she has become an unlikely angel of hope during one of history’s darkest hours. Praise for Domsday Book “A stunning novel that encompasses both suffering and hope. . . . The best work yet from one of science fiction’s best writers.”—The Denver Post “Splendid work—brutal, gripping and genuinely harrowing, the product of diligent research, fine writing and well-honed instincts, that should appeal far beyond the normal science-fiction constituency.”—Kirkus Reviews (starred review) “The world of 1348 burns in the mind’s eye, and every character alive that year is a fully recognized being. . . . It becomes possible to feel. . . . that Connie Willis did, in fact, over the five years Domsday Book took her to write, open a window to another world, and that she saw something there.”—The Washington Post Book World

Getting Started with Latin is divided into simple lessons that explain the fundamentals of Latin grammar in a way that anyone can grasp.

Lizet, a daughter of Cuban immigrants and the first in her family to graduate from high school, secretly applies and is accepted to an ultra-elite college. Her parents are furious at her decision to leave Miami, and amid a painful divorce, her father sells her childhood home, leaving Lizet, her mother, and older sister, a newly single mom—without a steady income and scrambling for a place to live.

Amidst this turmoil, Lizet begins college, but the privileged world of the campus feels utterly foreign to her, as does her new awareness of herself as a minority. Struggling both socially and academically, she returns home for a Thanksgiving visit, only to be overshadowed by the arrival of Ariel Hernandez, a young boy whose mother died fleeing with him from Cuba on a raft. The ensuing immigration battle pits Miami in a glaring spotlight, captivating the nation and entangling Lizet’s entire family. Pulled between life at college and the needs of those she loves, Lizet is faced with hard decisions that will change her life forever. Her urgent, mordantly funny voice leaps off the page to tell this moving story of a young woman torn between generational, cultural, and political forces; it’s the new story of what it means to be American today.
