

The Best Phrasal Verbs And How To Use Them

Improve your understanding of phrasal verbs in English. Explanations and practice of approximately 1,000 phrasal verbs, written for advanced-level (C1 to C2) learners of English. Perfect for both self-study and classroom activities. Learn phrasal verbs in context, with lots of different topics, including 'Lectures and seminars', 'Agreeing' and 'Social life'. Be confident about what you are learning, thanks to Cambridge research into how English is really spoken and written, and get better at studying by yourself, with study tips, follow-up tasks and an easy to use answer key.

Learn more than 1,000 of the most common and useful English phrasal verbs using the highly effective English for Everyone visual method. Phrasal verbs (two- or three-part verbs such as "put off," "put on," and "put up with") are incredibly useful but notoriously difficult to learn. English for Everyone: Phrasal Verbs uses the same combination of visual teaching and crystal-clear definitions as in the rest of the English for Everyone series to make one of the most difficult aspects of learning English much easier. More than 1,000 phrasal verbs are presented in context, together with easy-to-understand definitions and attractive illustrations. Each teaching module is based around a practical or everyday topic (such as work, education, or leisure) and is followed by tightly focused practice exercises to help students remember what they have just learned. All phrasal verbs are also listed by key verb (such as "put," "take," or "get") in the reference section. Every day all around the world, learners of the English language are constantly battling with those irksome multiple word verbs which we all refer to as phrasal verbs. This book has been written as a guide on how to use two hundred commonly used phrasal verbs by way of exercises. There is also a glossary which goes more into detail on their usage along with plenty more examples. It is always best to learn phrasal verbs in a natural context through natural speech. Without context, phrasal verbs mean nothing. Level B1 to C1 grammar is continuously used throughout the book to enable learners to learn not only phrasal verbs in a natural context but also to become more acquainted with grammar structures. The author has not gone into detail about how to remember which particle goes with which verb. There are ongoing debates among linguists about whether or not this makes a complicated situation even more complicated. It does nothing to speed up the learning process if the student has to waste time trying to decipher particles before he or she starts to speak. Phrasal verbs are picked up naturally as students slowly progress in their studies. Remember, out of context even native speakers are unable to decipher their meanings.

A fine-grained qualitative and quantitative analysis of phrasal verbs covering almost 400 years, based on large amounts of empirical evidence.

The Ultimate Phrasal Verb Book

Fluent in 3 Months

This A - Z guide will enable learners of the English language to begin to master the language and speak just like the natives do. Phrasal verbs and all idiomatic language are extremely important components in reaching a good proficiency level. This book is a clear guide for all ESL students of an intermediate level. Each phrasal verb is clearly defined in context so students can guess the meaning. There is a glossary at the back of the book to check if you have guessed correctly.

If you're a high-intermediate to advanced student of English as a foreign or second language, and you sometimes feel like giving up on phrasal verbs, you're not alone. Phrasal verbs can be a nightmare for EFL/ESL students of all ages and levels, and the lists of phrasal verbs with meanings and examples you find on the Internet aren't always useful. 100 Phrasal Verbs to Learn for Life, written by best-selling author Luiz Otávio Barros, offers a fresh approach to helping B2, C1, TOEFL/IELTS, and Cambridge First/Advanced students learn phrasal verbs more effectively. It may even appeal to native speakers who want to learn more about how phrasal verbs work! Here's what makes the book unique: - Instead of teaching hundreds of low-frequency phrasal verbs, we focus on 100 really common ones and teach them really well. - The phrasal verbs are grouped by topic so you can remember them more easily. - Each phrasal verb is supported by an average of 15 examples so you can really understand it. - All of the 1,500 example sentences were adapted from authentic sources (newspapers, blogs, TV shows, etc.) so you can learn how each phrasal verb is used in the real world. - The number of meanings per lesson is limited so you don't get confused. - 100 Phrasal Verbs to Learn for Life is light on terminology so you don't waste your time on terms like "type 1" or "separable/inseparable." Phrasal verbs can be easier to learn than you think, especially at this level. So, why not give this book a chance and click/tap on look inside? 100 Phrasal Verbs to Learn for Life might be just what you need.

This is the second edition, revised and over 70% bigger than the first one. Most people think that phrasal verbs, verbs with more than one word, are hard to learn. As students we are given lists and lists of them to memorise, and we usually find the whole thing boring, complicated, and really hard to remember. This book is different. There are no lists and there is nothing to memorise. Instead, there are over 600 little stories, one for each verb. The fact is that phrasal verbs are not a logical system, designed by some maniac a few centuries ago. No. There are simply something that grew up naturally. Most natives don't even know the expression phrasal verbs. We never learn them at school. We know the difference between chopping down a tree and then chopping it up. We also know that when a building burns down, it is the same as when it burns up. Neither do we ever confuse put up your cousin with put up with him. If you use this book for about ten minutes every day, I money-back guarantee that in about ten days you will know more about phrasal verbs than 99% of all non-native teachers who teach English for a living. I also promise you that you will have fun doing it. "Reviews for the first edition, which was Kindle only Phrasal verbs are usually a nightmare for us. Often we try out the "uncommon common sense" just to come to the wrong meaning, fools rush in where angels fear to tread. So I am very grateful to the author as he shows a natural way to learn those damned little things. - jartiblisimo (Spain) It's a brilliantly conceived book, not only the short stories really stick in your head and help your memory in recalling all those verbs, but also enables the reader to get all the subtle shades of a verb which a non-native speaker fails to appreciate most of the times. - haunted85 (Italy) "

Word Power: Phrasal Verbs and Compounds is a textbook for guided self-learning intended for post-intermediate and advanced learners of English. It contains some 1,100 phrasal compounds used with 17 particles/prepositions which combine with some 500 different verbs, nouns and adjectives. Numerous glosses allow the teacher to use it in very heterogeneous classes. Thanks to cognitive linguistics the material is organized around each particle giving the students an astonishing insight into the networks of metaphorical meanings of each particle. Furthermore, the book implements the most important findings and techniques in the field of learning a foreign language. This textbook will be a valuable companion for teachers and students.

Clear Grammar is a four-level grammar series that features a unique combination of useful grammar information written in clear language with activities that promote more accurate and fluent vocabulary usage, writing, speaking, and reading. Features of all four new editions of Clear Grammar include: More user-friendly charts to accompany grammar explanations High-frequency, corpus-based vocabulary related to each grammar point Grammar discovery tasks using students' own writing skills A greater variety and increased number of activities, including more practice online Many more activities at the longer discourse level The addition of reading practice at the end of the unit, as well as a critical-reading task More writing practice one on editing student writing and another for original student writing Two vocabulary practice activities, including a focus on collocations, in each unit, as well as many one-minute mini lessons showing the connection between grammar and speaking practice, with activities that require students to speak and listen to each other while using the target grammar Support for teachers in the form of indicators that reference how to teach the grammar points in the Clear Grammar Teaching Grammar for English Language Learners by Keith S. Folse (978-0-472-03220-4). Clear Grammar 2 offers students and teachers a solid introduction to low-intermediate grammar. Clear Grammar 2, 2nd Ed., includes * Articles * Past tense * Irregular verbs * Present perfect tense * Adverbs of frequency * Nouns used as adjectives * Object pronouns * Past progressive tense * One and Other * Possessives *Comparatives and superlatives *Modals The book's companion website provides additional grammar/vocabulary activities that are referenced in the textbook.

Phrasal Verbs

The Big Book of English Expressions and Phrasal Verbs for ESL and English Learners; Phrasal Verbs, English Expressions, Idioms, Slang, Informal and Colloquial Expression

The Blue Book of Grammar and Punctuation

English for Everyone Phrasal Verbs

History, Stylistic Drifts, and Lexicalisation

If you want to learn English, then you must learn English phrasal verbs, idioms and expressions. This book combines two of our best selling English grammar books about English phrasal verbs and English expressions. Now with free audio book access. For intermediate through advanced ESL and English learners. Designed for individual and classroom use, for students, ESL instructors and schools. The Phrasal Verbs section, especially, can be used to help with IELTS, TOEIC, TOEFL, Cambridge, and GED studies. This book uses quick-find menus so students can quickly and easily find any phrasal verb of interest. This book also includes the full content of English Expressions for Real Life, one of the most popular books for exploring English expressions.

Phrasal Verbs in American English provides useful information and guided exercises for ESL/EFL language learners. The contents of Phrasal Verbs come from written and spoken corpora of American English. The most frequent phrasal verbs are taught along with their associated words (collocates). This means that rather than focussing on a phrasal verb such as "get into," this book covers common phrases: "get into an argumen," "get into trouble," etc. Thus the book covers the phrasal verbs and phrases that the learner is likely to meet in everyday situations.

This reference and practice book contains 60 attractive two-page units featuring approximately 1,000 phrasal verbs. This new level of English Phrasal Verbs in Use is specifically designed for advanced level students looking to improve their knowledge of this often difficult area of the English language.

The book includes many phrasal verbs useful to students preparing for the Cambridge CAE, CPE and IELTS examinations.

This book has been written as a learning aid for EFL students (English as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make) while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons ('Learn Phrasal Verbs') that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.

Cambridge Phrasal Verbs Dictionary

Phrasal verbs are an important part of the English language. This guide focuses on separable and inseparable phrasal verbs and exactly how to use them. There are no complicated explanations or boring rules listed (you can open any textbook for those!). Instead, each phrasal verb has a short definition that focuses on only one meaning (most phrasal verbs have more than one meaning, making them difficult to learn). Every phrasal verb also comes with multiple real life examples on how to use it in everyday life. Learn 138 useful and common phrasal verbs and remember them easily with this guide. Workbooks for this guide are also available. Brought to you by InspiredByEnglish.com.

This A - Z guide will enable learners of the English language to begin to master the language and speak just like the natives do. Phrasal verbs and all idiomatic language are extremely important components in reaching a good proficiency level. A clear guide for all ESL students of an intermediate level. Each phrasal verb is clearly defined in context so students can guess the meaning. There is a glossary at the back of the book to check if you have guessed correctly.

This complete guide to over 850 Phrasal Verbs used in daily life by native speakers, also includes a section with over 200 business idioms and phrasal verbs. Cross that bridge and start mastering the language today. About phrasal verbs Phrasal verbs, or multi - word verbs as they are often referred to, can be rather daunting for non natives of the English language. A mistake in using the wrong particle or the wrong word order can completely change the intended meaning. This can lead to misunderstandings which can either be horrific or hilarious. Students of the English language are not expected to be able to remember all the phrasal verbs - they are too numerous - but they should be familiar with the most common ones and they should also be able to recognise their meanings in context. Phrasal verbs play an important role in the English language. There is no getting away from them. Every time natives speak they use them. Take a look at the ones below. Did you know that the following two sentences have different meanings? Peter hung up after a few minutes = he ended the telephone call. Peter hung up on me after a few minutes = he ended the call by interrupting the conversation abruptly, angrily and rudely. Now look at these two examples: Pretty flabbergasting! I've gone off cheese = I no longer like cheese. The cheese has gone off = the cheese is not fresh anymore. It is not good to eat. If you eat it you could become sick. The alarm clock has just gone off = Can you turn it off please? I want to sleep for another few minutes. Does this mean that the alarm clock is not fresh anymore? NOOOO!!!! Does it mean the alarm clock doesn't like someone or something anymore? NOOO!!! Well what does it mean you may be asking yourself. You should be able to understand from the context. Out of context 'to go off' is devoid of any meaning whatsoever. In the case of the alarm clock, it means, it didn't ring. Another example is: He turned on me = he either attacked me physically or verbally. He turned me on = he caused me to become excited. Now can you see why the wrong use can lead to numerous misunderstandings? Phrasal verbs can be separable, that is, as seen in the example 'he turned me on', and inseparable as in the example 'he turned on me'. There are also phrasal verbs which are both separable and inseparable Example: She took off her jacket/she took her jacket off = she removed her jacket. In this book you will learn and become familiar with each phrasal verb type. Good clear examples are set out to illustrate the meanings. ABOUT THE AUTHOR The author has been a teacher of English as a foreign language for over 18 years. Born in the North East of Scotland, she has spent most of her adult life abroad, teaching students of various nationalities how to speak English effectively.

This business English guide is the fifth of five workbooks for the book, "99 Essential Business Idioms and Phrasal Verbs". With this self-study ESL guide, you will be able to test your knowledge of common business English idioms and phrasal verbs - and immediately see the correct answer after each question. All questions are business-related to help you learn the best ways to use each idiom or phrasal verb in a business environment.

The Ultimate Phrasal Verbs and Collocations Book for Learning English

For Complete Master Over Written & Spoken English Phrasal Verbs in Daily Use

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.
