An encyclopædia designed especially to meet the needs of elementary, junior high, and senior high school students.

A troubled young mother yearns for a shot at redemption in this heartbreaking yet hopeful story from #1 New York Times bestselling author Colleen Hoover. After serving five years in prison for a tragic mistake, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter. But the bridges Kenna burned are proving impossible to rebuild. Everyone in her daughter's life is determined to shut Kenna out, no matter how hard she works to prove herself. The only person who hasn't closed the door on her completely is Ledger Ward, a local bar owner and one of the few remaining links to Kenna's daughter. But if anyone were to discover how Ledger is slowly becoming an important part of Kenna's life, both would risk losing the trust of everyone important to them. The two form a connection despite the pressure surrounding them, but as their romance grows, so does the risk. Kenna must find a way to absolve the mistakes of her past in order to build a future out of hope and healing.

When the Scooby Snacks disappear, Scooby and his friends embark on a mission to recover the snacks and find the thief.

Jon Winokur defines and classifies irony and contrasts it with coincidences and cynicism, and other oft-confused concepts that many think are ironic. He looks at the different forms irony can take, from an irony deficiency to visual irony to an understatement, using photographs and relate-able examples from pop culture. \* "Irony in Action" looks at irony in language, both verbal and visual, while "Bastions of Irony" and "Masters of Irony" look at institutions and individuals steeped in irony, though not always intentionally. PLUS: \* The Annals of Irony looks at irony, and its lack thereof, throughout history. A delight for anyone with a smart, dark sense of humor.

Kids will have fun using their eagle eyes to spy the 1,000 hidden objects in this colorful search-and-find activity book. Author Walter Wick is the photographer of the bestselling I Spy series as well as the author and photographer of the bestselling Can You See What I See? series.

Concepts embody our knowledge of the kinds of things there are in the world. Tying our past experiences to our present interactions with the environment, they enable us to recognize and understand new objects and events. Concepts are also relevant to understanding domains such as social situations, personality types, and even artistic styles. Yet like other phenomenologically simple cognitive processes such as walking or understanding speech, concept formation and use are maddeningly complex. Research since the 1970s and the decline of the "classical view" of concepts have greatly illuminated the psychology of concepts. But persistent theoretical disputes have sometimes obscured this progress. The Big Book of Concepts goes beyond those disputes to reveal the advances that have been made, focusing on the major empirical discoveries. By reviewing and evaluating research on diverse topics such as category learning, word meaning, conceptual development in infants and children, and the basic level of categorization, the book develops a much broader range of criteria than is usual for evaluating theories of concepts.

Chris Rutkowski's name is synonymous with UFO research the world over, and this book captures his most breathtaking research, along with new and exciting accounts, that will have you questioning "are we alone in the universe?" The Big Book of UFOs is a compendium of his best and most disturbing UFO stories for enthusiastic fans everywhere, with startling evidence to make even the biggest skeptics believe. The renowned ufologist takes us on a tour of UFOs in Canada and around the world. He has studied UFOs, aliens, abductions, and even encounters reported by kids. Rutkowski offers many famous reports, such as the "ghost airplanes" seen over Canadas Parliament in 1915, but also includes many exciting new cases, secret files, and statistics, as well as lots of tidbits and trivia to keep everyone excited.

Reminders of Him

Can You Find the Magic? It's right there in front of you! Well, sort of. Disney historian Bob Sangwell's clever word search puzzles conceal key names, places, and things from over sixty of Disney's animated and live-action films. Each puzzle comes with a short historical introduction and features a hidden message. Beginning at the beginning, with Walt Disney's Laugh-O-grams, and ending with the recent animated film Coco, you'll find a word search search for each of your favorite Disney classic movies. Just like Walt Disney told his Imagineers to "plus" whatever they were working on, and make it even more magical, Bob plusses each humble word search with a hidden message, formed from the letters in the puzzle that are not used. The message relates to the topic of the puzzle and forms the basis for the short historical article that accompanies it. You'll not only find the magic...you'll learn about it, too!

The Big Book of Awesome Activities is packed with hundreds of puzzles to challenge the brain while it entertains! With everything from Search & Find puzzles to mazes, word searches, sudoku and more, this is the perfect book for travel, vacation, rainy days, and family-fun time.

501 Zig Zag Word Searches Large 20x20 Well Spaced Grid Large Print 16 Point Font For The Word List & Grid 10,000 Words Days, Months Of Fun & Brain Work Great Price To Value

War is only the beginning... From #1 New York Times bestselling author Jennifer L. Armentrout comes book four in her Blood and Ash series. From the desperation of golden crowns... Casteel Da'Neer knows all too well that very few are as cunning or vicious as the Blood Queen, but no one, not even him, could've prepared for the staggering revelations. The magnitude of what the Blood Queen has done is almost unthinkable. And born of mortal flesh... Nothing will stop Poppy from freeing her King and destroying everything the Blood Crown stands for. With the strength of the Primal of Life's guards behind her, and the support of the wolvern, Poppy must convince the Atlantian generals to make war her way—because there can be no retreat this time. Not if she has any hope of building a future where both kingdoms can reside in peace. A great primal power rises... Together, Poppy and Casteel must embrace traditions old and new to safeguard those they hold dear—to protect those who cannot defend themselves. But war is only the beginning.

Ancient primal powers have already stirred, revealing the horror of what began eons ago. To end what the Blood Queen has begun, Poppy might have to become what she has been prophesied to be—what she fears the most. As the Harbinger of Death and Destruction.
