"In upstate New York, in the woods around Woodstock, Dutchman's Creek flows out of the Ashokan Reservoir. Steep-banked, fast-moving, it offers the promise of fine fishing, and of something more, a possibility too fantastic to be true. When Abe and Dan, two widowers who have found solace in each other's company and a shared passion for fishing, hear rumors of the

Creek, and what might be found there, the remedy to both their losses, they dismiss it as just another fish story. Soon, though, the men find themselves drawn into a tale as deep and old as the Reservoir. It's a tale of dark pacts, of long-buried secrets, and of a mysterious figure known as Der Fisher: the Fisherman. It will bring Abe and Dan face to face with all that they have lost, and with the price they must pay to regain it."--Publisher.

Few New Testament characters are as fascinating as Simon Barjona, the man called Peter-a reluctant disciple who changed the face of Christianity. For more than twenty-five years, author and pastor Larry

Huntsperger has spent hundreds of hours studying New Testament documents in preparation for writing this fictional first-person account of the life of this enigmatic disciple. The result is a novel that faithfully follows Scripture while offering a powerful, fresh narration of the story of one of Christianity's greatest men. In the fast-paced chapters of The Fisherman, readers will relive Peter's initial resistance to the pull he feels toward Jesus and his ministry. They'll walk with Peter alongside Jesus through the events of the Gospels and catch intimate glimpses of the disciples' personalities. They'll even "feel" the dust on the roads as familiar stories are transformed into original, spellbinding accounts from Peter's life. This

fascinating novel will help readers "to see the Master as a man. For, if we cannot see him correctly as man, we have no hope of understanding him correctly as our God."

Retells the tale of a fisherman and his greedy wife who is never satisfied with the wishes granted her by an enchanted fish.

Just as Norman Maclean writes at the end of "A River Runs through It" that he is "haunted by waters," so have readers been haunted by his novella. A retired English professor who began writing fiction at the age of 70, Maclean produced what is now recognized as one of the classic American stories of the twentieth century. Originally published in 1976, A

River Runs through It and Other Stories now celebrates its twenty-fifth anniversary, marked by this new edition that includes a foreword by Annie Proulx. Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century. As a young man he worked many summers in logging camps and for the United States Forest Service. The two novellas and short story in this collection are based on his own experiences—the experiences of a young man who found that life was only a step from art in its structures and beauty. The beauty he found was in reality, and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand

and foot, without power saws, "cats," or four-wheel drives. Populated with drunks, loggers, card sharks, and whores, and set in the small towns and surrounding trout streams and mountains of western Montana, the stories concern themselves with the complexities of fly fishing, logging, fighting forest fires, playing cribbage, and being a husband, a son, and a father. By turns raunchy, poignant, caustic, and elegiac, these are superb tales which express, in Maclean's own words, "a little of the love I have for the earth as it goes by." A first offering from a 70-year-old writer, the basis of a top-grossing movie, and the first original fiction published by the University of Chicago Press, A River Runs through It

and Other Stories has sold more than a million copies. As Proulx writes in her foreword to this new edition, "In 1990 Norman Maclean died in body, but for hundreds of thousands of readers he will live as long as fish swim and books are made."

I am not a fisherwoman, fisherlady, or fishergirl. If anything else, I am a thirty-seven-year-old tomboy. It's a word I have never outgrown." Greenlaw also happens to be one of the most successful fishermen in the Grand Banks commercial fleet, though until the publication of Sebastian Junger's *The Perfect Storm*, "nobody cared." Greenlaw's boat, the Hannah

The Hungry Ocean, Greenlaw's account of a monthlong swordfishing trip over 1,000 nautical miles out to sea, tells the story of what happens when things go right--proving, in the process, that every successful voyage is a study in narrowly averted disaster. There is the weather, the constant danger of mechanical failure, the perils of controlling five sleep-, women-, and

booze-deprived young fishermen in close quarters, not to mention the threat of a bad fishing run: "If we don't catch fish, we don't get paid, period. In short, there is no labor union." Greenlaw's straightforward, uncluttered prose underscores the qualities that make her a good captain, regardless of gender: fairness, physical and mental endurance, obsessive attention to detail. But, ultimately, Greenlaw proves that the love of fishing--in all of its grueling, isolating, suspenseful glory--is a matter of the heart

death, resurrection, and withdrawal from the world. We see these events unfold through the eyes of Simon, known to history as St. Peter, the Big Fisherman himself, who was such a majestic and comforting presence in *The Robe*. He shares point-of-view duties with Fara/Esther, the apparently fictional daughter of Herod Antipas and Phasaelis (called Arnon in the novel) an Arabian princess whom he was forced to marry for political reasons and divorced in favor of his older sister-in-law Herodias. Of the two protagonists, Fara has the more adventurous life. At age twelve, she swore to avenge her mother's honor, and when her mother dies young of a mysterious illness four years later, the girl takes off for Judaea, disguised as a boy for her safety, aiming to assassinate her

faithless father. Near the start of her quest, she runs into John the Baptist, finding him sympathetic and inspiring but frightened by his vision of the future. She is followed after several months by her boyfriend, Voldi, who becomes friends with the Roman Mencius (who also appears in *The Robe*) and both become embroiled in the events of Passion Week, but neither to the same extent as Peter or Fara. Peter, born Simon, is just a fisherman of Capernaum with little education and no use for religion. He hears of an itinerant preacher with apparently magical healing powers from his young friend John, son of Zebedee. Annoyed that someone has taken John's attention away from his job fishing, Peter storms off to one of Jesus' sermons, and witnesses the Man of Galilee give eyesight

to a toddler who was clearly blind before. His whole worldview shaken, Simon spends the next several weeks irritable and depressed. Meanwhile, Fara, under the alias Esther, seeks refuge in Simon's mother-in-law's house, and gets a day job as a maid at Antipas' palace, where she hopes to eventually carry out her oath. Jesus calls Simon to follow him, and the miserable man only feels right in the presence of the Carpenter, so he obeys Him. His brother Andrew and his friends James and John soon join them. As Jesus travels across the country, trailing miracles in His wake, His following swells. After Jesus heals Simon's mother-in-law with Fara as witness, He convinces her to follow Him, and she does. The character development for Simon/Peter is so good that he

The Big Fisherman

Lloyd C. Douglas's 1948 novel 'The Big Fisherman' is an engaging fictional work on christian history. "It was a calm, early summer noon in the southern mountains of Arabia. Sheltering the King's well-guarded domain, a mile above and a dozen miles east of the Dead Sea, motionless masses of neighbourly white clouds hung suspended from a remote blue ceiling." -an excerpt

A gripping, twisting account of a small town set on fire by hatred, xenophobia, and ecological disaster—a story that

weaves together corporate malfeasance, a battle over shrinking natural resources, a turning point in the modern white supremacist movement, and one woman's relentless battle for environmental justice. By the late 1970s, the fishermen of the Texas Gulf Coast were struggling. The bays that had sustained generations of shrimpers and crabbers before them were being poisoned by nearby petrochemical plants, oil spills, pesticides, and concrete. But as their nets came up light, the white shrimpers could only see one culprit: the small but growing number of newly resettled Vietnamese refugees who had recently started fishing. Turf was claimed. Guns were flashed. Threats were made. After a

white crabber was killed by a young Vietnamese refugee in self-defense, the situation became a tinderbox primed to explode, and the Grand Dragon of the Texas Knights of the Ku Klux Klan saw an opportunity to stoke the fishermen's rage and prejudices. At a massive Klan rally near Galveston Bay one night in 1981, he strode over to an old boat graffitied with the words U.S.S. VIET CONG, torch in hand, and issued a ninety-day deadline for the refugees to leave or else "it's going to be a helluva lot more violent than Vietnam!" The white fishermen roared as the boat burned, convinced that if they could drive these newcomers from the coast, everything would return to normal. A shocking campaign of violence ensued,

Access Free The Big Fisherman

marked by burning crosses, conspiracy theories, death threats, torched boats, and heavily armed Klansmen patrolling Galveston Bay. The Vietnamese were on the brink of fleeing, until a charismatic leader in their community, a highly decorated colonel, convinced them to stand their ground by entrusting their fate with the Constitution. Drawing upon a trove of never-before-published material, including FBI and ATF records, unprecedented access to case files, and scores of firsthand interviews with Klansmen, shrimpers, law enforcement, environmental activists, lawyers, perpetrators and victims, Johnson uncovers secrets and secures confessions to crimes that went unsolved for

more than forty years. This explosive investigation of a forgotten story, years in the making, ultimately leads Johnson to the doorstep of the one woman who could see clearly enough to recognize the true threat to the bays—and who now represents the fishermen's last hope.

Young medical student John Wesley Beaven is torn between the detached, cold pragmatism of Dr. Forster and the humanistic attitudes of kindly Dr. Cunningham. Matters are brought to a head when Beaven must choose between his career and impending marriage to fellow student Audrey Hilton.

A striking debut novel about an unforgettable childhood, by a Nigerian writer the New York Times has crowned "the heir to Chinua Achebe." Told by nine-year-old Benjamin, the youngest of four brothers, THE FISHERMEN is the Cain and Abel-esque story of a childhood in Nigeria, in the small town of Akure. When their father has to travel to a distant city for work, the brothers take advantage of his absence to skip school and go fishing. At the forbidden nearby river, they meet a madman who persuades the oldest of the boys that he is destined to be killed by one of his siblings. What happens next is an almost mythic event whose impact-both tragic and redemptive-will transcend the lives and
