No, Sass's family is literally cursed: they must stay and guard their small town of Rattler's Run from the Crossroads, the Bermuda Triangle of the prairie. If Sass and her sisters flee, the uncontrolled magic will wipe the town straight off the map--and the world will be overrun by the unnatural critters that emerge from the cataclysm. Not to mention that there's a couple generations of Lockett ghosts hanging around the attic, just itching to point out how she's failing. Sass dreams of a completely different, completely normal life far away from Rattler's Run. But that would require money and magic she just doesn't have. And then some fast-talking, big city researchers offer her a fat paycheck to play tour guide on the Crossroads. When all hell breaks loose--literally--Sass realizes they're not tracking normal wolves at all. The strangers are actually government agents investigating the magical shenanigans in and around Rattler's Run, and somehow they think Sass is the key to restoring balance in the Crossroads. There's only so much cursing a witch can take, and Sass is running out of friends and patience. It's just a matter of time until she's sh*t-outta-Lockett.*

The African-American contribution to winning World War II has never been celebrated as profoundly as in Fighting for America. In this inspirational and uniquely personal tribute, the essential part played by black servicemen and -women in that cataclysmic conflict is brought home. Here are letters, photographs, oral histories, and rare documents, collected by historian Christopher Moore, the son of two black WWII veterans. Weaving his family history with that of his people and nation, Moore has created an unforgettable tapestry of sacrifice, fortitude, and courage. From the 1,800 black soldiers who landed at Normandy Beach on D-Day, and the legendary Tuskegee Airmen who won ninety-five Distinguished Flying Crosses, to the 761st Tank Battalion who, under General Patton, helped liberate Nazi death camps, the invaluable effort of black Americans to defend democracy is captured in word and image. Readers will be introduced to many unheralded heroes who helped America win the war, including Dorie Miller, the messman who manned a machine gun and downed four Japanese planes; Robert Brooks, the first American to die in armored battle; Lt. Jackie Robinson, the future baseball legend who faced court-martial for refusing to sit in the back of a military bus; an until now forgotten African-American philosopher who helped save many lives at a Japanese POW camp; even the author's own parents: his mother, Kay, a WAC when she met his father, Bill, who was part of the celebrated Red Ball Express. Yet Fighting for America is more than a testimonial; it is also a troubling story of profound contradictions, of a country still in the throes of segregation, of a

domestic battleground where arrests and riots occurred simultaneously with foreign service—and of how the war helped spotlight this disparity and galvanize the need for civil rights. Featuring a unique perspective on black soldiers, *Fighting for America* will move any reader: all who, like the author, owe their lives to those who served.

Poetry. Latinx Studies. Translated by Lisa Allen Ortiz and Sara Daniele Rivera. *THE BLINDING STAR* collects selected new translations of poems by the Peruvian poet Blanca Varela and includes two of her most experimental works in their entirety: *The Book of Clay* and *Animal Concert*. Although Varela has been categorized as a surrealist, this collection reframes her work as existentially feminist. There is nothing arbitrary in Varela's serrated language and carnal obsessions. She is telling the story of a woman's liminal being—her body as both a vessel of expectations and a vast unmapped interior. Octavio Paz described Varela's work as "Both the wound and the knife," and this collection emphasizes the duality of her poetry. These poems journey inward through dark gardens to expose the wound of grief and outward again with sharp clarity. Blanca Varela is a singular artist, furiously searching for fragments of brightness in the merciless landscape of her own mind.

'Romantic, wildly creative, and utterly charming, *The Undertaking of Hart and Mercy* is a fantasy unlike any I've read before' Lana Harper, author of *Payback's a Witch* *The Princess Bride* meets *You've Got Mail* in this enchantingly quirky, completely refreshing fantasy with a rom-com-worthy premise, perfect for readers of *The House in the Cerulean Sea*. Hart is a marshal, tasked with patrolling the magical wilds of Tanria. It's an unforgiving job, and he's got nothing but time to ponder his loneliness. Mercy never has a moment to herself. She's been single-handedly keeping *Birdsall & Son Undertakers* afloat in defiance of sullen jerks like Hart-ache Hart, the man with a knack for showing up right when her patience is thinnest. After yet another run-in with *Merciless Mercy*, Hart finds himself penning a letter addressed simply to "A Friend". Much to his surprise, he receives an anonymous reply, and a tentative friendship is born. Little does Hart know he's baring his soul to the person who infuriates him most. . . Set in a world equally full of magic and demigods as it is donuts and small-town drama, this utterly unique fantasy is sure to sweep you off your feet. Praise for *The Undertaking of Hart and Mercy*: 'The Undertaking of Hart and Mercy broke my heart, put it back together, then tucked me into bed with a forehead kiss. Packed with earnest characters, wit, action, and reluctant yearning, this is easily my favourite fantasy romance of the year' Jen DeLuca, author of *Well Met* 'A uniquely charming mixture of whimsy and the macabre that completely won me over' Helen Hoang, author of *The Kiss Quotient* 'Megan Bannen remains the queen of swoons upon swoons upon swoons! *The Undertaking of Hart and Mercy* is a playful, quirky gem-full of feels and guaranteed to deliver the perfect grumpy/sunshine fix!' Sierra Simone 'An unabashedly offbeat adventure' Freya Marske, author of *A Marvellous Light* 'A lovely, macabre fantasy romance about life, death, and Actually Living. I cried twice and smiled plenty' Olivia Atwater, author of *Half a Soul* 'Megan Bannen broke me, made me laugh, then put me back together again. . . *The Undertaking of Hart and Mercy* is one of those books you'll be thinking about long after you've read the last page' Manda Collins 'A truly outstanding romantic fantasy' India Holton, author of *The Wisteria Society* of *Lady Scoundrels* 'A little sweet, a little spicy, a little sharp and entirely moreish!' Davinia Evans, author of *Notorious Sorcerer* 'I showed up for the fantastic, fun fantasy setting but it was Hart and Mercy that kept me reading' Ruby Dixon, author of *Ice Planet Barbarians* 'Megan Bannen has found her voice with this incredibly smart, and hilariously weird debut. A must read' Nisha Sharma, author of *Dating Dr. Dil* 'Warm, compassionate and compelling' Vivian Shaw, author of *Strange Practice*

"Just plain awesome" -- Brandon Sanderson Civil unrest cripples the citizens of Adro in the aftermath of the revolution that obliterated the monarchy. Now, Field Marshal Tamas and his lieutenants must confront the true cost of freedom in book one of the Powder Mage Trilogy. It's a bloody business overthrowing a king. . . Field Marshal Tamas, against his king sent corrupt aristocrats to the guillotine and brought bread to the starving. But it also provoked war with the Nine Nations, internal attacks by royalists, and the greedy to scramble for money and power by Tamas's supposed allies: the Church, workers unions, and mercenary forces. It's up to a few. . . Stretched to his limit, relying heavily on his few remaining powder mages, including the embittered Taniel, a brilliant marksman who also happens to be his estranged son, and Adamat, a retired inspector whose loyalty is being tested by blackmail. But when gods are involved. . . Now, as attacks batter them from within and without, the credulous are whispering of omens of death and destruction. Just old peasant legends about the gods waking to walk the earth. No modern educated man believes that sort of thing. But they should.
