Inside you'll find the lowdown and bottom-line advice for hundreds of exciting ideas. In addition, you'll get guidance on whether you can run the company from your home. Haven't you always longed to be your own boss? To do what you want to do when you want to do it? Then reach for this book to match your resources to your plans and kick off a business that works.

How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, "I have to buy this book!" You can't do that without a strategic plan and a well-written book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. Scroll up and grab your copy today.

A top social media guru shares the secrets to expanding your business through relationships People have always done business with people they know, like, and trust. That's the essence of "relationship marketing." Today, the popularity of online social networking has caused a paradigm shift in relationship marketing. This book helps businesspeople and marketers master this crucial new skill set. Social marketing expert Mari Smith outlines a step-by-step plan for building a sizable, loyal network comprised of quality relationships that garner leads, publicity, sales,, and more. If you're a businessman or businesswoman feeling the pressure to shift your approach to using social media marketing, to better understand the new soft skills required for success on the social web, and to improve your own leadership and relationship skills through emotional and social intelligence, this book is for you. Outlines how to become a significant "center of influence" for your customers and prospects Explains the unspoken rules of online etiquette—and the common "turnoffs" that drive customers and potential partners away Details the unique cultures of Facebook, Twitter, and other popular online platforms Shows exactly what to automate and delegate to build your social media persona, yet still retain the personal touch Even if you currently have zero presence online, this book will help you see measurable results in a short time.

Includes the four most popular translations: KJV * NKJV * NIV * NLTse Preachers, Bible study leaders and participants, students of the Scriptures, and general readers that are curious about how different translations render their favorite verses will delight in this volume. The same set of verses for all four translations is located on facing pages--two translations to a page--making text comparison a snap. King James Version The dignified, poetic language of this word-for-word translation has made it the favorite of countless readers for over four centuries. New King James Version A completely updated translation that's faithful to the accuracy and beauty of the KJV, while using contemporary and readable language. New International Version Scholarly accuracy and easy readability combine to help readers understand and apply the intended meaning of the biblical text. New Living Translation Second Edition Includes marginal notes that explain word choices, plus a more consistent rendition of ancient terms into their modern English equivalents.

Founded as a local college ministry in 1951, Campus Crusade for Christ has become one of the world's largest evangelical organizations, today boasting an annual budget of more than \$500 million. Nondenominational organizations like Campus Crusade account

Blending the historical, biographical and political, the wide-ranging Bright, Infinite Future describes how the values of the '60s are creating a new progressive majority in '16. The multi-faceted Mark Green—bestselling author, public interest lawyer and elected official—is our guide through contemporary American politics as Nader launches the modern consumer movement; Clinton wins the 1992 New York primary and therefore the nomination; and Green loses the closest NYC mayoral election in a century to Bloomberg after 9/11 in a perfect storm of money, terrorism, and race. As Public Advocate, Green is Mayor Giuliani's bête noir, exposing NYPD's racial profiling, killing off Joe Camel, and then running against a "Murderer's Row" of Cuomo, de Blasio, Schumer, and Bloomberg. Starting with the consequential movements of the '60s, Green shows how a rising tide of minority and millennial voters, GOP's lurch from mainstream to extreme, and the contrast between the presidencies of Bush and Clinton Obama are leading to a new era of "Progressive Patriotism" built on four cornerstones: an Economy-for-All, Democracy-for-All, Compact on Race & Justice, and Sustainable Climate. Full of behind-the-scenes stories about bold-faced names, this will be the 2016 book for liberals looking to a "bright, infinite future" (Leonard Bernstein), conservatives wanting to know what they're up against, and readers who want to know "what-it-takes" in the arena.

A sweeping, five-decade history of the evangelical movement in southern California that explains an epochal realignment of American politics. From Bible Belt to Sun Belt tells the dramatic and largely unknown story of "plain-folk" religious migrants: hardworking men and women from Oklahoma, Texas, and Arkansas who fled the Depression and came to California for military jobs during World War II. Investigating this fiercely pious community at a grassroots level, Darren Dochuk uses the stories of religious leaders, including Billy Graham, as well as many colorful, lesser-known figures to explain how evangelicals organized a powerful political machine. This machine made its mark with Barry Goldwater, inspired Richard Nixon's "Southern Solution," and achieved its greatest triumph with the victories of Ronald Reagan. Based on entirely new research, the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians. The judges wrote, "Dochuk offers a rich and multidimensional perspective on the origins of one of the most far-ranging developments of the second half of the twentieth century: the rise of the New Right and modern conservatism."

What is secular biblical criticism? 'Secularism and Biblical Studies' presents a selection of essays that examine the nature of secular biblical studies and its hermeneutical principles. The essays outline and analyse debates within biblical studies over the issue of secularism and explore the interplay of atheism, agnosticism and faith in the interpretation of the Bible. The book argues for a hermeneutics of suspicion and a wider engagement with cultural, literary and anthropological disciplines. Examining biblical hermeneutics from a range of perspectives - from Europe, Israel and the USA - 'Secularism and Biblical Studies' offers a provocative and challenging approach that will be of interest to all students and scholars of the Bible.

The Brighter Marketing BibleCabal Group Limited

This book explores the technological innovations and management practices of evangelical Christian religions. Beginning from the late 19th century, the author examines the evangelical church's increasing appropriation of business practices from the secular world as solutions to organizational problems. He notes especially the importance of the church growth movement and the formation of church networks. Particular attention is paid to the history of evangelical uses of computer technology, including connections the Christian Right has made within Silicon Valley. Most significantly, this book offers one of the first academic explorations of the use of cybernetics, systems theory and complexity theory by evangelical leaders and management theorists.

Everything you need to know about building a successful, world-class consulting practice Whether you are a veteran consultant or new to the industry, an entrepreneur or the principal of a small firm, The Consulting Bible tells you absolutely everything you need to know to create and expand a seven-figure independent or boutique consulting practice. Founded as a local college ministry in 1951, Campus Crusade for Christ has become one of the world's largest evangelical organizations, today boasting an annual budget of more than \$500 million. Nondenominational organizations like Campus Crusade account for much of modern evangelicalism's dynamism and adaptation to mainstream American culture. Despite the importance of these "parachurch" organizations, says John Turner, historians have largely ignored them. Turner offers an accessible and colorful history of Campus Crusade and its founder, Bill Bright, whose marketing and fund-raising acumen transformed the organization into an international evangelical empire. Drawing on archival materials and more than one hundred interviews, Turner challenges the dominant narrative of the secularization of higher education, demonstrating how Campus Crusade helped reestablish evangelical Christianity as a visible subculture on American campuses. Beyond the campus, Bright expanded evangelicalism's influence in the worlds of business and politics. As Turner demonstrates, the story of Campus Crusade reflects the halting movement of evangelicalism into mainstream American society: its awkward marriage with conservative politics, its hesitancy over gender roles and sexuality, and its growing affluence.

The Stars is the second book of a series on Astronomy created by Falling Apple Science. Stargazing has never been more fun Learn about the four constellations that will help you understand the entire night sky, any time of the year. Step out any evening and see your favorites--at Christmastime you'll find Orion, along with his entourage. Discover why Orion is on the run (and who he happens to be chasing) In the summer watch a beautiful swan fly across the evening sky. Read this book and you'll always have an old friend you can find in the sky. To learn about Moon phases and planetary motion, see the first book of the Astronomy series, "Sun, Moon and Planets" by the same authors.

This remarkable book is packed with business-to-business marketing secrets, tips, checklists, how-to guides, and guerrilla marketing tactics that can increase sales leads and create outstanding marketing campaigns.

Book 2 in a set of 4 board books for infants and toddlers newborn to 3 years of age. Tells the Bible story of Jesus healing a little girl on her deathbed. The book is 20 pages in length with each two-page spread featuring a large, colorful, engaging, animation-style picture and an average of 6 words. The story ends with a simple practical faith lesson.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

In the eleventh century, the Bible was available only in expensive and rare hand-copied manuscripts. Today, millions of people from all walks of life seek guidance, inspiration, entertainment, and answers from their own editions of the Bible. This illustrated book tells the story of what happened to the ancient set of writings we call the Bible during those thousand years. Anchoring the story in material evidencehundreds of different translations and versions of the BibleLori Anne Ferrell discusses how the Bible has been endlessly retailored to meet the changing needs of religion, politics, and the reading public while retaining its special status as a sacred text. Focusing on the English-speaking world, The Bible and the People charts the extraordinary voyage of the Bible from manuscript Bibles to the Gutenberg volumes, Bibles commissioned by kings and queens, the Eliot Indian Bible, salesmens door-to-door Bibles, childrens Bibles, Gideon Bibles, teen magazine Bibles, and more. Ferrell discusses the Bibles profound impact on readers over the centuries, and, in turn, the mark those readers made upon it. Enjoyable and informative, this book takes a fresh look at the fascinating and little-recognized connections among Christian, political, and book history.

Secularism and Biblical Studies

Featuring over 400 meditations from classic to contemporary that will deepen your love for God s Word Introducing the first devotional Bible using the King James Version. Devotional Bibles became popular twenty years ago, and today they comprise a large portion of the Bible market. But until now, there has never been a devotional Bible for those who love and use the King James Version. Featuring more than 400 devotions, quotes and selections that have been carefully chosen to reflect the impact that the powerful language of the King James Version has had on writers over the span of four centuries, the Hendrickson "KJV Devotional Bible" is the first of its kind. The devotional selections are interspersed throughout the Bible, placed near related scripture passages, allowing the reader to go at his/her own pace rather than follow a prescribed sequence. From Charles Wesley to Dallas Willard, C. S. Lewis to Elisabeth Elliot, the featured contributor list reads like a Who s Who in the pantheon of Christian thinkers. Featuring devotions from the following authors: Bayley, Joseph Bence, Evelyn ten Boom, Corrie Bounds, E. M. Brand, Paul Carmichael, Amy Chambers, Oswald Colson, Charles Crosby, Fanny Elliot, Elisabeth Elliot, Jim Finney, Charles Gaither, Gloria Henry, Matthew Keller, Phillip Lewis, C. S. Lewis, Joy Davidman MacDonald, George Marshall, Peter Moody, D. L. Muller, George Murray, Andrew Sanford, Agnes Sayers, Dorothy L. Schaeffer, Edith Smith, Hannah Whitall Sproul, R. C. Stott, John R. W. Sunday, Billy Swindoll, Charles Torrey, R. A. Tozer, A. W. Wesley, Charles Wesley, Susanna Willard, Dallas "

You don't need to reinvent your whole life to be happier-you just need to turn it bright side up! We all have those days when life could use a lift. Enter Bright Side Up, a clever and comforting compendium to help you shift your perspective and appreciate what's right in front of you. With the warmth and wisdom of a dear friend, this deceptively simple guide offers emergency optimism when you need it with fresh tips that can be put to use on the spot, including: Thank the lemons Rally in the rain delay Steer life like a motorcycle Ask your one-hundred-year-old self Plan your party story Dip in whenever you need a boost. Because when you can find the sunshine in your every day, you'll feel brighter, too.

People are dying because of ignorance. They are dying because unremitting propaganda is denying them vital safety information. They are dying because legislators and the media are censoring the science, and are ruthlessly pushing an ideological agenda instead. They are dying because the first casualty of war is truth, and the war on drugs is no different. This book makes a major contribution in confronting this tragic and harrowing narrative. Over a 10 year period the author self-administered over 150 psychoactive substances; both chemicals and plants. For each of them he recorded the essential and life-sensitive safety data, including the anticipated onset times, the common threshold doses, the routes of administration, and the expected periods of efficacy. In addition, for every compound he also produced a trip report, detailing the qualitative experience itself, often in the form of a log of effects at various time checks. This delivered another invaluable insight, enabling, for example, an objective assessment of the extent of any loss of judgement and self-control. This is a substantial body of work, embracing a wealth of direct support material, including addiction/overdose advice, legal briefings, and relative harm tables. Its contents also extend to cover aspects like drug tourism, drugs in culture, psychedelic exploration and the handling of mandatory drug tests. It is crammed with detailed reference data, and even includes its own drug dictionary. The Drug Users Bible is a unique and unprecedented volume of encyclopaedic research, embracing the full extent of the drugscape. Its objective is to provide, without fear or compromise, core and critical information to support the health and welfare of the 250 million people in the world who use drugs. The book itself is lavishly illustrated with hundreds of photographs, taken by the author himself. It is a significant extension of the highly acclaimed first version, which was titled The Honest Drug Book. THE TEN COMMANDMENTS The first section comprises a solid introduction to basic but crucial drug concepts and practices. It is, in itself, indispensable prior-reading for anyone who chooses to use a recreational drug. It contains, for example, a detailed risk mitigation procedure; the widely lauded 'Ten Commandments of Safer Drug Use'. This presents a generic set of easy to follow steps to aid personal safety, inclusive of an illustrated explanation of how to identify test the drugs themselves. THE DRUGS The full gamut of psychoactive chemicals and botanicals is meticulously covered across dedicated sections. Well known examples include LSD, heroin, cannabis, lean, kratom, cocaine, 2C-B, DMT, DXM, methamphetamine, salvia divinorum, ketamine, ayahuasca and MDMA. Lesser known examples include betel, 4-ho-met, changa, ephenidine, ololiuqui, cebil, mapacho, MNA, celastrus paniculatus, and yohimbe. The scope also extends well beyond the most common categories, of psychedelics, stimulants, depressants, dissociatives and cannabinoids. Included, for example, are nootropics (smart drugs) and oneirogens (dream herbs). The study and investigation of psychoactivity was unfettered and unbounded. THE WORLDSCAPE Drug use does not occur in a vacuum, so the final section considers the wider context, with in-depth examination of everything from travel to the law, as well as the horrors of the war on drugs itself. Fact, science and genuine statistics replace the myths, fabrications and censorship of the prevailing social order, again with the welfare of drug users emphasized. EDUCATION SAVES LIVES Education underpins harm reduction, and is the primary driver throughout. Indeed, personal safety is the first and last message, and guides the entire narrative. This is a book for drug users and their families. It is a book which will help to avert tragedy. It is a book which will save lives.

Throughout history, the study of sacred texts has focused almost exclusively on the content and meaning of these writings. Such a focus obscures the fact that sacred texts are always embodied in particular material forms—from ancient scrolls to contemporary electronic devices. Using the digital turn as a starting point, this volume highlights material dimensions of the sacred texts of Judaism, Christianity, and Islam. The essays in this collection investigate how material aspects have shaped the production and use of these texts within and between the traditions of Judaism, Christianity, and Islam, from antiquity to the present day. Contributors also reflect on the implications of transitions between varied material forms and media cultures. Taken together, the essays suggests that materiality is significant for the academic study of sacred texts, as well as for reflection on developments within and between these religious traditions. This volume offers insightful analysis on key issues related to the materiality of sacred texts in the traditions of Judaism, Christianity, and Islam, while also highlighting the significance of transitions between various material forms, including the current shift to digital culture.

How the Global Revival of Faith is Changing the World

Everything You Need to Know to Reach More Customers and Maximize Your Profits

"What's your company's social media policy? Probably shortsighted. Business social media, or social networking, has become more than a global phenomenon. When combined with your online presence and online outreach, it's a global business phenomenon and arevenue generating phenomenon..."--Dust jacket flap.

Note that this is the complete and final version of The Drug Users Bible. People are dying because of ignorance. They are dying because unremitting propaganda is denying them vital safety information. They are dying because legislators and the media are censoring the science, and are ruthlessly pushing an ideological agenda instead. They are dying because the first casualty of war is truth, and the war on drugs is no different. This book makes a significant contribution in confronting this harrowing and tragic narrative. Over a 12 year period the author of this book self-administered over 180 psychoactive substances; both chemicals and plants. For each he recorded the life-sensitive safety data, including the anticipated onset times, the common threshold doses, the routes of administration, and the expected duration of the experience. In addition, for every compound he also produced a trip report, detailing the qualitative experience itself. This delivered another invaluable insight, enabling, for example, an objective assessment of the extent of any loss of judgement and self-control. This is a substantial body of work, embracing a wealth of direct support material, including addiction/overdose advice, relative harm tables, and legal briefings. Its contents also extend to cover aspects such as drug tourism, psychedelic exploration and drug related culture. It is crammed with detailed reference data, and even includes its own drug dictionary. The Drug Users Bible is a unique and unprecedented volume of encyclopaedic research, embracing the full extent of the drugscape. Its objective is to provide, without fear or compromise, core and critical information to support the health, welfare and well-being of the 250 million people in the world who use drugs. The book itself is lavishly illustrated with hundreds of photographs, taken by the author himself. THE TEN COMMANDMENTS The first section comprises a comprehensive introduction to crucial drug concepts and practices. This, in itself, is indispensable prior-reading for anyone who chooses to use a psychoactive substance. It contains, for example, a detailed risk mitigation procedure: 'The 10 Commandments of Safer Drug Use'. This presents a generic set of easily understood steps to aid personal safety, inclusive of an illustrated explanation of how to identify test the substances themselves. THE PSYCHOACTIVE DRUGS The full gamut of psychoactive chemicals and botanicals is meticulously covered. Well known examples include heroin, cannabis, xanax, kratom, cocaine, DMT, methamphetamine, ketamine, LSD, ayahuasca, alcohol, and MDMA. Lesser known examples include 4-ho-met, calea, ephenidine, mad honey, mapacho, a-PHP, and yohimbe. The scope also extends well beyond the most common categories, of psychedelics, stimulants, depressants and dissociatives. Included, for example, are dream herbs and nootropics. The investigation of psychoactivity was unbounded and unfettered. THE WORLDSCAPE Drug use does not occur in a vacuum, so the final section considers the wider context, with in-depth examination of everything from travel to the horrors of the war on drugs. Facts, science and genuine statistics replace the myths, fabrications and propaganda of the prevailing social order, again with welfare and safety emphasized. EDUCATION SAVES LIVES Education underpins harm reduction, and is the primary driver throughout. Indeed, personal safety is the first and last message, and guides the entire narrative. This is a book for drug users and their families. It is a book which will help to avert tragedy. It is a book which will save lives.

A history of America's powerful tobacco industry traces the evolution of the cigarette, revelations about its toxicity, the anti-smoking campaign, and the latest developments in the cigarette business. Reprint. 20,000 first printing.

Exposes the downside of America's penchant for positive thinking, which the author believes leads to self-blame and a preoccupation with stamping out "negative" thoughts on a personal level, and, on a national level, has brought on economic disaster.

"A new Bible for busy women transforms daily life into a life that matters every day" Today s Christian woman is so busy handling the challenges of day-to-day life that spending time in the Word can easily become yet another should buried in that growing list of daily musts. Created in partnership with Kyria.com, "Christianity Today s" women s magazine, the "Everyday Matters Bible for Women" is designed to help women develop spiritual practices that will make their lives richer, not harder. It offers practical encouragement and tools to renew, reinvigorate and restore meaning to everyday life. This Bible features twenty-four disciplines or practices that position us to receive power and strength to do those things that we cannot possibly do on our own and make everyday life fuller and deeper. Each discipline is represented by a colorful icon whose illustration is a reminder of its meaning. The contemporary language of the New Living Translation combines with content from today s foremost Christian leaders to help readers understand and apply spiritual discipline. Every discipline is explored in four ways Everyday Matters. Two-page articles introduce major themes and focus on an essential part of understanding and practicing a discipline.

Everyday Profiles. Profiles of twenty-five Biblical women highlight a particular discipline. Everyday Q & A s. Short articles delve into a difficult aspect of the spiritual practice and offer practical help on incorporating the discipline into your daily life. Everyday Reflections. Selections illustrate ways to personalize and apply God s Word to your own situation. More than 300 articles and features by more than 140 of today s most well-known Christian leaders and writers, including: Kay Warren, Priscilla Shirer, Elisa Morgan, Nancy & John Ortberg, Richard Foster, Liz Curtis Higgs, and Lauren Winner. Special Features include . . . 4-color throughout Color-coded icons identify each Spiritual Discipline addressed in contributors material How to Use This Bible in a Small Group Study Index of Spiritual Practices Resources for further reading'

This volume considers the mediation of religion in the context of global relations of power, culture, and communication. It takes a nuanced, historical view of emergent religions and their mediation in various forms. The wide range of chapters provides valuable insight into particular contexts while also offering connections to other cases and contexts. Together, they form a snapshot of religious evolution in the media age.

Two Economist writers evaluate the thriving nature of religious faith throughout the world and how it will significantly impact the global economy, politics, and other arenas, in a report that profiles the religious free market in America and argues that religion can coexist with modernity.
