Speak Broons with Confidence

The greatest story ever told by the world's most beloved sportsman, Roy of the Rovers, in his own words for the first time. For 44 years, Roy Race bestrode the world of football. As captain and later player-manager of Melchester Rovers, in a career of unprecedented majesty and extraordinary length, he knew the glory of 9 league titles, 8 FA Cup victories, 3

European Cups, and countless international appearances for England. But only now is he ready to tell his own story. Candid, emotional, optimistic, and never less than inspiring, the autobiography of the man all fans of the game know simply as 'Roy of the Rovers' will lay bare for the first time the truth behind soccer's ultimate fairy tale story. The shocking details of the five terrifying kidnappings that threatened to blight his playing career; the stomach-churning murder attempt in 1980, which left Roy in a life-threatening coma; the sickening car bomb attack that tragically killed 8 of Roy's team-mates while on a pre-season tour of Basran; the devastation of losing his wife, former Melchester club secretary Penny Laine, who died in a car accident that brought Roy closer than ever to quitting the game he loved. And finally the horrific helicopter crash in 1993 that resulted in the amputation of Roy's legendary left foot, finally bringing the curtain down on his sensational, game-clinching, goalscoring exploits. From the first page to the last, it's Roy of the Rovers stuff. The greatest story ever told, by the world's most beloved sportsman. Roy of the Rovers. In his own words.

For over ten years, Top Gear has been travelling all over Britain in the course of making the world's best programme about cars, driving, and three men in smart-casual clothes shouting at each other. So, who better to assemble a guide to Britain itself with all its glories, quirks and multiple words for bread rolls? This book is not only a guide for outsiders; it is an invaluable reference manual for Britons themselves, like a mirror held up to our very souls.* Join us then, as we travel from A-Z cataloguing and making moderately flippant remarks about every aspect of life and living in the best country in the world after New Zealand, Denmark, probably Canada and some bits of France. *Although in this case, a mirror that has been dropped and then run over by a small lorry but don't worry, some bits of it still just about work.

Beano Annual 2012

Scotland's happiest family, The Broons, invite you into number 10 Glebe Street to join the fun in this 2020 annual. Filled with the newest stories, laugh along with the Broons through the seasons. Considered to be Scotland's longest running soap opera, The Broons have captured the hearts of the nation by combining brilliant comedy with traditional family values. Ever since comics for boys were first published in the late nineteenth century, they have offered their readers fun, adventure and escapism. As participation and attendance at sports events rose dramatically during the first half of the twentieth century, boys' comics began to regularly feature sportsmen of all types, and footballers became the ultimate favourite. The introduction of football comics presented in a cartoon-strip format became immensely popular during the 1960s, with Rover, Hotspur and Wizard amongst the top titles. Although these comics are no longer in circulation, there is still a significant level of interest amongst boys and men of all ages, and the culture of the comic-book hero continues. Renowned publisher D.C. Thomson has delved into its archives to produce the definitive document of the most legendary footballing characters to grace the pages of boys' comics, including such favourites as Limp Along Leslie, Roy Race, Billy Dane and Hotshot Hamish. Extensively researched to cover the history and the storylines associated with these comics and their heroes, The Ultimate Fantasy Football Team is a unique, nostalgic account of the football comic-book phenomenon that will jog the memories of older readers and introduce the magic of these imaginary sporting stars to a new generation.
