

The Christmas Eve Letter A Time Travel Novel

Eve and baby Colleen are traveling to Ohio for the Christmas holidays to spend time with Eve's parents. After a few days in Ohio, they all plan to fly to Florida in Eve's father's private airplane; Patrick will meet them there after he completes exams for his forensic psychology degree. Nothing goes as planned; The day Patrick is to leave for Florida, he receives a shocking telephone call from one of Eve's cousins. Sobbing, she tells him a terrible tragedy has occurred. It stuns him and shakes him to his heart's core. His life shattered, Patrick knows he has but one chance; he must use the time travel lantern to return to the past in order to prevent the current tragedy. But once again, the time travel lantern has a mind of its own, and Patrick is hurled back to a time where he must confront a strange, unfamiliar world and learn why the lantern transported him there. When Patrick comes face-to-face with a mysterious, beautiful woman who looks and acts like Eve, and whose name is Eve, Patrick is haunted. He recalls the promise he and Eve had made to each other on Christmas Eve the previous year--no matter what happens; no matter if they're separated; no matter what time or place they find themselves in; no matter what obstacles they must face, they will always find each other, help each other, and love each other for all time. The Christmas Eve Promise is a journey about the enduring promise of hope and the infinite, unbreakable bonds of love.

Tis the season for children of all ages to send their Christmas "wish list" letter to the North Pole! In this complete Christmas Stationary Kit, we've made it easy for both the child and adult! You may want to leave a note or checklist for Santa and the reindeer on Christmas Eve or Christmas Day (sample included). You're ready to start the holiday season with blank coloring book (20) stationary pages that can be easily removed (at the end of the book) to use for Santa letters, Christmas letters, thank you notes, cards, sketchings, lists, recipes, or for your own ideas. Santa has also included his address (sorry, no envelopes included in the kit). All you need is to add a stamp to an envelope and the post office will deliver your wish list to the North Pole! Santa has also included several fun coloring book images, too! You can choose your favorite crayons or

colored pencils to bring the North Pole to life! Remember, Santa wants to know if you've been naughty or nice!

An inspiring tale of Christmas goodwill and acceptance. 1930s Liverpool is brought alive with evocative drawings in a story that recognizes the richness of human kindness, even in times of hardship and poverty.

The nine letters Grandpa hands to his family each contain a personal story of how they brought joy to him. This volume-which has sold more than 60,000 copies since its initial publication-has been repackaged as a gift hardcover.

Merry Christmas, Eve!

Letter To My Younger Self

A Timeless Story for Every Generation

The Christmas Letter

The Gift of the Magi

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

The Christmas Eve Daughter

The Christmas Eve Promise

20th Anniversary Edition

David Baldacci delivers a moving, family drama about learning to love again after terrible heartbreak and loss in this classic New York Times bestseller—soon to be a Hallmark original movie. It's almost Christmas, but there is no joy in the house of terminally ill Jack and his family. With only a short time left to live, he spends his last days preparing to say goodbye to his devoted wife, Lizzie, and their three children. Then, unthinkably, tragedy strikes again: Lizzie is killed in a car accident. With no one able to care for them, the children are separated from each other and sent to live with family members around the country. Just when all seems lost, Jack begins to recover in a miraculous turn of events. He rises from what should have been his deathbed, determined to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, he reunites everyone at Lizzie's childhood home on the oceanfront in South Carolina. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn how to become a family once more.

When husband and wife, Eve and Patrick Gantly, discover a shocking secret from Patrick's past, they make the difficult decision to use the old lantern once again to return to 1885. They hope to save his child from a tragic future. Although they try to plan for every possible contingency, something goes wrong. They lose each other and end up in a different time! Nothing goes as planned. They struggle to save Patrick's daughter from certain death, even as they search for the lost lantern that will return them to their own time. Santa has a problem. This kid? Harold? Santa doesn't think he's real. He WANTS to believe in Harold--after all, Harold is one of the most magical parts of Christmas. Getting Harold's letters, eating the cookies he leaves out, feeding his carrots to the reindeer... what would Christmas be without that? But Santa's just not sure. Some of his friends are telling him they think Harold's not real. And the Harold that sat on his knee last Christmas looked AWFULLY different. Santa comes up with a plan to find out once and for all if Harold really exists... with hilarious consequences.

"Christmas letters are the fruitcakes of the literary world. At least once in life, everyone sends one, but no one likes to receive one." Use humor to fight back against boring Christmas letters. This book will teach you how to write a Christmas letter that doesn't suck and even enjoy reading the ones that do. If you hate wading through Christmas letters each year, this book will show you the world as it could be. "Your relatives are already laughing at you. Make them get in line by laughing at yourself first." This book teaches you - - How to walk the fine line between embellishing and lying. - Why you should never let your pets write the letter for you. - How stock photos can give you a more attractive family. - When to write a special letter if an inheritance is at stake. - Why Maslow's Hierarchy of Needs should drive your letter's content. - How to adapt the Christmas letter format for all your holiday needs, from Hanukkah to

The Letters of James B. Dobbins

The First Letters of Christmas

30-year-old Eve Sharland is browsing a Pennsylvania antiques store when she discovers an old brass lantern tucked away on a shelf. She lifts it and sees something behind one of the sooty glass panes. To her surprise, she finds an unopened letter stuck inside. The letter is postmarked December 24, 1885, and it is addressed to Evelyn Sharland in New York City. Eve gasps and drops the letter. That's her name! The letter is addressed to someone with her name in 1885: Evelyn Sharland. Eve purchases the lantern and the letter, and returns to her New York City apartment. Later that evening, she opens the letter and reads it, astounded by its contents. She stares at the lantern in wonder and alarm, deeply moved by the story of a tragic romance. A few days later, following a request in the letter, Eve cautiously lights the lantern. To her utter shock, she finds herself in the past—in 1885 New York City. Eve is thrown into a life far beyond what she could have ever imagined, as she gets involved with one of the richest families in New York City, and meets the handsome Patrick Gantly. She must struggle to survive and return to her own time, even as her destiny is changed forever.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

A heartwarming, page-turning adventure about one child's love for his most treasured thing, and how far he will go to find it. A tale for the whole family to fall in love with, from one of the world's greatest storytellers. One boy and his toy are about to change everything... Jack loves his childhood toy, Dur Pig. DP has always been there for him, through good and bad. Until one Christmas Eve something terrible happens -- DP is lost. But Christmas Eve is a night for miracles and lost causes, a night when

Where To Download The Christmas Eve Letter A Time Travel Novel

all things can come to life... even toys. And Jack's newest toy -- the Christmas Pig (DP's replacement) - has a daring plan: Together they'll embark on a magical journey to seek something lost, and to save the best friend Jack has ever known...

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Newsweek/The Daily Beast • The Huffington Post • Kansas City Star • Time Out New York • Kirkus Reviews This extraordinary collection of personal correspondence has all the hallmarks of Kurt Vonnegut's fiction. Written over a sixty-year period, these letters, the vast majority of them never before published, are funny, moving, and full of the same uncanny wisdom that has endeared his work to readers worldwide. Included in this comprehensive volume: the letter a twenty-two-year-old Vonnegut wrote home immediately upon being freed from a German POW camp, recounting the ghastly firebombing of Dresden that would be the subject of his masterpiece Slaughterhouse-Five; wry dispatches from Vonnegut's years as a struggling writer slowly finding an audience and then dealing with sudden international fame in middle age; righteously angry letters of protest to local school boards that tried to ban his work; intimate remembrances penned to high school classmates, fellow veterans, friends, and family; and letters of commiseration and encouragement to such contemporaries as Gail Godwin, Günter Grass, and Bernard Malamud. Vonnegut's unmediated observations on science, art, and commerce prove to be just as inventive as any found in his novels—from a crackpot scheme for manufacturing "atomic" bow ties to a tongue-in-cheek proposal that publishers be allowed to trade authors like baseball players.

("Knopf, for example, might give John Updike's contract to Simon and Schuster, and receive Joan Didion's contract in return.") Taken together, these letters add considerable depth to our understanding of this one-of-a-kind literary icon, in both his public and private lives. Each letter brims with the mordant humor and openhearted humanism upon which he built his legend. And virtually every page contains a quotable nugget that will make its way into the permanent Vonnegut lexicon. • On a job he had as a young man: "Hell is running an elevator throughout eternity in a building with only six floors." • To a relative who calls him a "great literary figure": "I am an American fad-of a slightly higher order than the hula hoop." • To his daughter Nanny: "Most letters from a parent contain a parent's own lost dreams disguised as good advice." • To Norman Mailer: "I am cuter than you are." Sometimes biting and ironical, sometimes achingly sweet, and always alive with the unique point of view that made him the true cultural heir to Mark Twain, these letters comprise the autobiography Kurt Vonnegut never wrote. Praise for Kurt Vonnegut: Letters "Splendidly assembled . . . familiar, funny, cranky . . . chronicling [Vonnegut's] life in real time."—Kurt Andersen, The New York Times Book Review "[This collection is] by turns hilarious, heartbreaking and mundane. . . . Vonnegut himself is a near-perfect example of the same flawed, wonderful humanity that he loved and despaired over his entire life."—NPR "Congenial, whimsical and often insightful missives . . . one of [Vonnegut's] very best."—Newsday "These letters display all the hallmarks of Vonnegut's fiction—smart, hilarious and heartbreaking."—The New York Times Book Review

The Christmas Diary

The Christmas Eve Letter

A poem about the visit that Santa Claus pays to the children of the world during the night before every Christmas.

NEW YORK TIMES BESTSELLER • A special holiday wish list brings about hope, love, and second chances in this nostalgic novel from the queen of Christmas stories, Debbie Macomber. Lindy Carmichael isn't feeling particularly joyful when she returns home to Wenatchee, Washington, for Christmas. The man she thought was "the one" has cheated on her with her best friend, and she feels completely devoid of creativity in her graphic-design job. Not even carolers or Christmas cookies can cheer her up—but Lindy's mother, Ellen, remembers an old tradition that might lift her daughter's spirits. Reading through a box of childhood letters to Santa and reminiscing about what she'd wished for as a young girl may be just the inspiration Lindy needs. With Ellen's encouragement, she decides to write a new letter to Santa, one that will encourage her to have faith and believe just as she'd done all those years ago. Little does Lindy know that this exercise in gratitude will cause her wishes to unfold before her in miraculous ways. And, thanks to some fateful twists of Christmas magic—especially an unexpected connection with a handsome former classmate—Lindy ultimately realizes that there is truly no place like home for the holidays. In *Dear Santa*, Debbie Macomber celebrates the joys of Christmas blessings, old and new.

If you love small towns, endearing relationships, food, animals, and a touch of murder, you will love this new mystery series by Kathi Daley, author of the popular *Zoe Donovan Cozy Mystery Series*. Set in the small town of White Eagle Montana, the series features Tess and her dog Tilly, who spend their days delivering the latest gossip along with the daily mail. When a close friend is murdered they join forces with the new Veterinarian in town to sleuth out the truth behind the shocking murder that is rocking the community as it prepares for the annual Christmas Festival.

Its the winter of 1949, and five-year-old Robin is very sick with pneumonia. His family takes him to a Toronto hospital, where he receives good care from the nurses and the doctors. Though his father works hard during the day, he is always sure to visit Robin and read him stories. One night, his dad wakes him up to share a special

Where To Download The Christmas Eve Letter A Time Travel Novel

letter he received. Its from Santa Claus, and it tells the little boy about the exciting things happening at the North Pole in preparation for Christmas. That heartwarming letter from Santa is just what Robin needs to get better and leave the hospital in time for Christmas.

Letter from Santa Claus

A Time Travel Romance Novel

The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

A pair of holiday love stories in which a woman who writes Christmas letters for other people meets a child psychologist who ruins her Christmas cheer, and an independent young career woman falls for her handsome neighbor.

Adapted from the bestselling adult novel, The Christmas Sweater: A Picture Book is the story of a young boy who finds the true meaning of Christmas in the most unlikely of places. Eddie wants a bicycle for Christmas, but his mother knits him a homemade sweater instead. His disappointment is obvious, but a magical journey with his whimsical grandfather makes Eddie realize that the sweater is far more than it seems. He ultimately learns that the greatest gift of all is one that is given with love..

Richard, a busy and preoccupied father, discovers a Christmas box full of love letters from an old woman to her dead daughter and, with the help of an angel, begins to learn the true meaning of Christmas.

A Visit from St. Nicholas

The Christmas Eve Ghost

A History

A different kind of Christmas book, complete with pull-out cards and letters featuring state symbols, animals, and landmarks!

Written for children ages four to eight, Christmas Love Letters from God cleverly combines both prose and poetry as the story of Jesus' birth unfolds. The book includes seven stories, beginning with Isaiah's prophecy and ending with the visit of the wise men. Following each story, the child will find his or her own letter from God, folded into a small envelope attached to the page. Each letter begins with a space in which to write the child's name, so each one can be specially addressed to the child. Written as if God is speaking, each personalized message

gives the young reader a sense of wonder as they discover anew the Christmas holiday and the birth of Jesus. A very special Bible verse, entitled God's Perfect Promise, also accompanies each story and letter as God's personal words of love, promise, and hope.

A darling book for your child or family to write a letter or draw a picture to Santa on Christmas Eve and then Santa can write back a note as he eats his cookies and drinks his milk. Use this book every Christmas for ten years.

A Sunday Times Book of the Year All royalties from sales of this book go to The Big Issue If you could write a letter to your younger self, what would it say? Over 10 years ago, The Big Issue began to ask some of the best-known, most interesting and most successful figures in entertainment, politics, food, sport and business to give advice, offer hope and share a few jokes with their younger selves. They opened up, in ways they never had, to interviewer Jane Graham, reflecting on their lives and themselves with affection, sympathy and sometimes disbelief. This collection of 100 of the most incredible letters includes Paul McCartney on how he found inspiration, Olivia Colman on overcoming confidence problems, Mo Farah on the importance of losing, Arianna Huffington on knowing your motivations, Jamie Oliver on trusting your instinct and many, many more, including Rod Stewart, Margaret Atwood, Buzz Aldrin, David Cameron, Eddie Izzard, Desmond Tutu, Neil Gaiman, Ruby Wax, Ranulph Fiennes, Tracey Emin, Ian McEwan, Michael Palin, Melanie C, Tim Peake, Dionne Warwick and Ewan McGregor. Letter to My Younger Self is a revelatory and profound exploration into the wit and wisdom that age brings, and of the unique insights that looking back can reveal.

Proceeds from the sales of this book go to The Big Issue to continue their work dismantling poverty and promoting social justice. "A truly wonderful book ... a gateway to intelligent, learned and genuinely inspiring stories, moments and people ... We would highly recommend it ... It's a fab cause and put together seamlessly." Magic Radio - October Book Club Pick 'The answers make for great reading.' Sunday Mirror 'This collection is full of insightful stories that will make you think about how you live your own life, and how you want to live it in the future.'

Bell strokes toll out the death of an unknown man, and summon Lord Wimsey to East Anglia to solve the mystery.

Traveling home for Christmas, two modern women in their 20s are forced to drive together during a snowstorm, and they get lost. They cross a covered bridge and, suddenly, they enter the past, finding themselves in a small picturesque Vermont town in 1943. They meet two handsome soldiers, who are about to be sent off to war, and they fall in love with them, while also struggling to find a way to return home to their own time. With the soldiers' help, on Christmas Eve, the two women finally have one chance to return to their own time, but they are caught between their love for the soldiers, and their desire to return to the present. At the last moment, they must make the difficult decision and, because it is Christmas, a miracle happens.

Stunning illustrations by award-winning artist Lee Krutop accompany this timeless Christmas story. Each spread features a beautiful pop-up. This book is a special keepsake to be enjoyed and shared with loved ones for many years to come.

The manger or Macy's? Americans might well wonder which is the real shrine of Christmas, as they take part each year in a mix of churchgoing, shopping, and family togetherness. But the history of Christmas cannot be summed up so easily as the commercialization of a sacred day. As Penne Restad reveals in this marvelous new book, it has always been an ambiguous meld of sacred thoughts and worldly actions-- as well as a fascinating reflection of our changing society. In *Christmas in America*, Restad brilliantly captures the rise and transformation of our most universal national holiday. In colonial times, it was celebrated either as an utterly solemn or a wildly social event--if it was celebrated at all. Virginians hunted, danced, and feasted. City dwellers flooded the streets in raucous demonstrations. Puritan New Englanders denounced the whole affair. Restad shows that as times changed, Christmas changed--and grew in popularity. In the early 1800s, New York served as an epicenter of the newly emerging holiday, drawing on its roots as a Dutch colony (St. Nicholas was particularly popular in the Netherlands, even after the Reformation), and aided by such men as Washington Irving. In 1822, another New Yorker named Clement Clarke Moore penned a poem now known as "'Twas the Night Before Christmas," virtually inventing the modern Santa Claus. Well-to-do townspeople displayed a German novelty, the decorated fir tree, in their parlors; an enterprising printer discovered the money to be made from Christmas cards; and a hodgepodge of year-end celebrations began to coalesce around December 25 and the figure of Santa. The homecoming significance of the holiday increased with the Civil War, and by the end of the nineteenth century a full-fledged national holiday had materialized, forged out of borrowed and invented custom alike, and driven by a passion for gift-giving. In the twentieth century, Christmas seeped into every niche of our conscious and unconscious lives to become a festival of epic proportions. Indeed, Restad carries the story through to our own time, unwrapping the messages hidden inside countless movies, books, and television shows, revealing the inescapable presence--and ambiguous meaning--of Christmas in contemporary culture. Filled with colorful detail and shining insight, *Christmas in America* reveals not only much about the emergence of the holiday, but also what our celebrations tell us about ourselves. From drunken revelry along colonial curbstones to family rituals around the tree, from Thomas Nast drawing the semiofficial portrait of St. Nick to the making of the film *Home Alone*, Restad's sparkling account offers much to amuse and ponder.

On Christmas Eve

A Letter to Santa

One Summer

North Pole Notes

Dear Santa

Letters

The day before Christmas is a very special day, but it was without a name for a very long time. Until one year, a very special elf named Eve, realised that the Head Elf was destroying Christmas, and that the Christmas Spirit needed to be found. So that is what she set out to do and, in the process, she changed the day before Christmas forever!

When his sister dies, Mark Nolan is left in charge of her six-year-old daughter, Holly, who refuses to speak after her mother's death, until she makes a connection with widowed toy shop owner Maggie Collins.

A heartfelt gift for every family, sure to be shared over and over each year. Eight-year-old Tess is convinced this is the year she will finally meet Santa and experience the "Christmas magic." She also wishes with all her heart that her best friend's ill father will recover. Tess's faith in the season results in a Christmas Eve so wondrous, so sparkling, readers won't be able to help but feel transformed. Like trimming the tree and "It's a Wonderful Life"; baking cookies and "White Christmas"; ON CHRISTMAS EVE is sure to bring new holiday magic to readers' lives.

When Vanessa finds a rusty coffee can filled with old letters hidden away in a summer beach cottage, she learns of a haunting and secret affair dating back to the 1950s. Determined to find the woman whose life parallels her own in many ways, Vanessa searches for the woman and her lover, uncovering past and present secrets that finally reveal a shocking truth. Over the course of the summer, Vanessa's own life is transformed by the possibilities of love and new beginnings, even as she confronts the lingering pain of her own past. The Summer Letters is a celebration of the enduring promise of hope and the unbreakable bonds of love.
