Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.**
- A small, profitable business can be worth much more than a large business surviving on its top line.**
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.**

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

30 Days to Sell

There has never been a better time to start a business online. Entrepreneurs from around the world are transforming their lives by building businesses from their living rooms. To join them, you need the right system. The Circle of Profit is that system. Over 500,000 people have read the previous editions of The Circle of Profit. Now it's been revised for a third edition. Updated for 2021, this book will give you exactly what you need to stay on the cutting edge of the fast-evolving world of online business. Using this system, you can turn passions, hobbies or professional expertise into a lifetime of profits. Start up costs are low and you don't need any technical expertise. You just need to use the proven system you'll discover in this book.

Almost seventy years have passed since 1984, the classic dystopian novel about a totalitarian future society, was published. Since then, the world has changed and so has the future. In this second novel of the Joad Cycle, teenager Gil Rose and his great-

grandfather, Bernie Rosenthal, have taken revenge on the chairman, but not without a price. They are now fugitives. They flee to northern Maine, where Bernie tries to instruct Gil so he can lead the rebellion. But Gil prefers to hike the hills of Maine with his friends and make virtual love to his avatar girlfriend. Everything changes for Gil when HomeSec, the omnipresent homeland security watchdog group, discovers his whereabouts. When he learns that an assault team is on the way to capture him and destroy the town, Gil flees the destruction. He begins a new life on the road as a fugitive, always striving to stay even one a step ahead of HomeSec. But he soon learns that no one can be trusted. Hes captured by former terrorists and held prisoner in the business town of Profit, a society based on the rampant greed of unbridled capitalism, autocratic government, and the new Christian religion, called Morgan. Gils struggles expose how greed, ego, and the selfish appetite for power have impacted the country, but his adventures also show the power love can have too. His modern love story ultimately restores freedom to America but, more importantly, restores its goodness.

On Purpose, Selling Your Company With Intention And Purpose! was written as a guide for the small business owner to understand the steps involved in the process of selling a company for maximum value. Most business owners will only sell a company once or twice in a lifetime making them inexperienced at best. Hiring a business broker is one of the last steps you'll take in selling your company. I wrote this book so you can better understand the steps you need to take to begin the process of selling a company and maximize the value for all parties. I pull back the curtain and shed light on important aspects of selling that most buyers don't understand until it's too late. I arm you with the insight and experience needed to prepare yourself and your company for sale and successfully work through the sales process. After reading this book, you will be able to plan confidently and follow through with a successful sale of your company.

Every so often a book comes along with a brand new, innovative and startling approach to an everyday subject. On the subject of business communication, that book is The Hidden Profit Center. While most business leaders agree--without much real thought-- that communication is important, author Helen Wilkie contends they have no idea just how important. In fact, when people communicate ineffectively at work, it costs companies money. Real, hard dollars-- and lots of them. Inspired by books like "The One Minute Manager and "Who Moved My Cheese?, Wilkie has written a deceptively simple fable that makes the shocking cost of poor communication unmistakable. Written for busy people, this small but invaluable book can be read in less than two hours--perfect for a business flight.

The Truth about Starting and Building Your Own Business

The Hidden Profit Center

Do you feel the pull to start your own business? Tired of working for others and dealing with office politics, eager for control and more money, Ed “Skip” McLaughlin certainly felt it. When he left his high-level corporate position to start not one but two new businesses, his colleagues’ reaction was disbelief: People told me I was crazy. “You are going to fail!” One of his businesses did fail, but the other thrived. Ed bootstrapped it into an Inc. 500 company and later sold it to a Fortune 100 company. Now, you can learn from his experience—what to do and what not to do—to create your own successful startup. The Purpose Is Profit eliminates the mystery of becoming an entrepreneur. You will learn— Why distinctive competence trumps passion Where and when to get funding without losing control How to build an entrepreneurial brand that lasts Why profit should be factored into every business decision How ethical behavior breeds trust and unlocks profit As a bonus, The Purpose Is Profit includes two manuals: The Startup Roadmap details the 21 steps you should take to build a profitable business. The Startup Funding Guide delivers the tools you need to fund your business.
