

The Circle Trilogy Black Red White Circle Trilogy Thomas Nelson

An electrifying new thriller set during the height of the Cuban Missile Crisis, seen from a bone-chilling vantage point: somewhere off the Florida coastline, trapped aboard the claustrophobic confines of an isolated Soviet submarine with open orders to fire its nuclear payload. The year is 1962, and KGB Lieutenant Colonel Alexander Vasin is chasing a white elephant: the long-rumored existence of an American spy embedded at the highest echelon of Soviet power. In a wild-goose chase that has Vasin engaged in high-stakes espionage against a rival State agency, he first hears whispers of an ominous top-secret undertaking: Operation Anadyr. As tensions flare between Nikita Khrushchev and President Kennedy over Russian missiles hidden in Cuba, four Soviet submarines are ordered to make a covert run at the American blockade in the Caribbean--each sub carrying tactical ballistic missiles armed with thermonuclear warheads. Critically acclaimed novelist Owen Matthews has crafted an incredibly taut thriller around one of the most treacherous moments in modern history, where the fate of the world rested on the itchy trigger finger of one lone Soviet naval officer, 100-meters under the sea, out of all contact with his commanders.

This story is for everyone--but not everyone is for this story. It is a dangerous tale of times past. A love story full of deep seduction. A story of terrible longing and bold sacrifice. Then as now, evil begins its courtship cloaked in light. And the heart embraces what it should flee. Forgetting it once had a truer lover. With a kiss, evil will ravage body, soul, and mind. Yet there remains hope, because the heart knows no bounds. Love will prove greater than lust. Sacrifice will overcome seduction. And blood will flow. Because the battle for the heart is always violently opposed. For those desperate to drink deep from this fountain of life, enter. But remember, not everyone is for this story. "A heart-wrenching journey of redemption and hope that left me sobbing, laughing, and clinging to every word."--Donna McChristian, 44, Environmental Chemist

Worlds have collided and centuries have elapsed as six people have brought their unique powers, their courage, and their hearts to a battle that could drown humanity in darkness... And had simply sliced through him, keen as a sword, when they ' d met his... In the kingdom of Geall, the scholarly Moira has taken up the sword of her people. Cian was changed by Lilith centuries ago. But now, he stands with the circle. Without hesitation, he will kill others of his kind—and has earned the respect of sorcerer, witch, warrior, and shape-shifter. But he wants more than respect from Moira—even though his desire for her makes him vulnerable. For how can a man with an eternity to live love a woman whose life is sure to end—if not by Lilith ' s hand, then by the curse of time?

Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes *OUTLAW*, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, *Outlaw* takes us beyond the skin of this world to another unseen.

Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Engaged to track down a mysterious boy who disappeared three years earlier, Tracker breaks his own rule of always working alone when he finds himself part of a group that comes together to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as Leopard. As Tracker follows the boy's scent--from one ancient city to another; into dense forests and across deep rivers--he and the band are set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breathtaking adventure that's also an ambitious, involving read.
