Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Machine. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

It's a Funny Thing, Humour contains the papers presented at the International Conference on Humor and Laughter, held in Cardiff in July 1976. The symposium provides a platform from which authors from different professional and personal background can talk about their own definition and analysis of humor. The book is structured into 10 main sections that reflect the structure of the conference and presents various studies and

research on the nature of humor and laughter. Contributions range from theoretical discussions to practical and experimental expositions. Topics on the psychoanalytical theory of humor and laughter; the nature and analysis of jokes; cross-cultural research of humor; mirth measurement; and humor as a tool of learning are some of the topics covered in the symposium. Psychologists, sociologists, teachers, communication experts, psychiatrists, and people who are curious to know more about humor and laughter will find the book very interesting and highly amusing.

When Ketznel Weinrach's beloved brother Potsie goes missing in Las Vegas, she not only must try to find him, she must confront her family's shady history and their ties to the legendary Jewish mob, Murder, Inc., as well as her troubling relationship to her cousin Perry (who runs a strip club on the outskirts of Vegas), her long and apparently not-so-loving marriage to her recently departed husband Morty Tittelman (a self-styled professor of dirty jokes and erotic folklore), and her own failed career as a stand-up comic.
