As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying

stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. Numerology: The Complete Guide

What is Numerology?

This book aims at introducing you to the great science of Pythagorean Numerology and connects you to some of the most basic patterns of your blueprint through which you will be able to expand your awareness and face your inner conflicts with confidence. You no more need to see your life as a jigsaw puzzle as all the missing pieces are about to fall in place. The beauty of Numerology is, it simplifies the chaos and makes all of it fall in a pattern. Looking inside becomes very simple when you break yourself down into some simple number codes. The most potent form of energy is how we think. Our thoughts are cosmic waves penetrating all time space. They are free to go anywhere anytime. Where we send them, how we think, and how we act upon, creates who we are. Everything around us is just a matter of one kind of energy interacting with another. When the two energies are compatible, the interaction is harmonious, while when two energies are incompatible, there is discord. Through this book you learn to be more at peace with yourself and widen the domain of your influence.
