The Complete Photo Guide to Clothing Construction helps you master all of the techniques needed to sew clothes--including tops, dresses, pants, skirts, and even outerwear. This technique-driven book follows the entire process of clothing construction, including a section on the sewing machine and other tools/materials used, information on working with patterns and fitting, laying out the pattern pieces, cutting and marking, and on through every step of construction to the final button. Large, detailed photos guide you from start to finish and help give you a visual basis for learning the skills. This comprehensive guide is a long-lasting reference for anyone who sews clothes. It fills in all the technique details not supplied by manufacturers of the clothing patterns that most sewers use for all of their projects. The Complete Photo Guide to Clothing Construction explains the reasons behind the methods, warns of pitfalls to watch out for, and provides you with valuable tips that help you reach a satisfying, successful end with every project. Examples show both men's and women's fashions as well as children's clothes.

The Complete Photo Guide to Perfect Fitting is the ultimate reference for fitting test garments and transferring accurate adjustments to patterns. No matter what size or shape you are, wearing garments that fit perfectly makes you look and feel better. Rather than making commonly accepted changes to a commercial pattern, the method presented in this guide focuses on the way a test garment fits the body. The fabric is manipulated to improve the fit, and then those specific changes are made to the pattern. The result: patterns that fit perfectly! With The Complete Photo Guide to Perfect Fitting, you'll learn: The importance of a fitting axis and how to use it during a fitting How to recognize fitting issues, such as drag lines and folds How to manipulate fabric to solve common and unusual fitting problems How to transfer the fitting changes to your pattern easily Basic pattern-making skills to ensure accurate alterations See the fitting process from start to finish on basic garments, fitted on real people. Then follow fitting solutions on different body types. Hundreds of large color photos illustrate the techniques and concepts in simple step-by-step instructions. With these lessons, you will get the perfect fit for any body.
