communities, with  
strategies on  
developing

partnerships,  
empowering

The modern school  
library supports  
education in a  
variety of ways. One  
essential role  
librarians play is that  
of a leader who

works collaboratively  
to build  
relationships, mold

culture and climate,  
and advocate for the  
needs of students  
and the community.

In this book, a  
librarian and an  
education leader  
team up to reflect on  
the librarian's ability  
to build connections

in two ways. First,  
they discuss the  
benefits of bringing

the outside world  
into the library  
through the use of  
social media,  
videoconferencing  
and other tools that  
allow librarians to  
partner with others.  
Then they expand  
upon these

connections by  
addressing how  
librarians can lead in

the greater  
educational  
community by  
sharing resources  
and strategies, and  
partnering with  
school leaders to tell  
the story of the  
school community.

This book will: •
