

The Cursed The Unearthly Book 3

In the future, the world is at war. For the last decade, King Lazuli of the Eastern Empire has systematically taken over the world. No one knows much about him other than a series of impossible facts: he cannot die, he has not aged since the conflict began, and he wants to rule the world. All Serenity Freeman has known is bloodshed. War has taken away her mother, her home, her safety. As the future emissary of the Western United Nations, the last autonomous region of the globe, she is responsible for forging alliances where she can. Surrender is on the horizon. The king can taste it; Serenity feels it deep within her bones. There is no other option. Now the two must come face to face. For Serenity, that means confronting the man who's taken everything from her. For the king, it means meeting the one woman he can't conquer. But when they meet, something happens. Cruelty finds redemption. Only in war, everything comes with a price. Especially love.

A siren is reunited with her former flame - a Fae King - as they try and save his kingdom from an evil force who has also been keeping them from their happy ending.

A female Indiana Jones meets Tomb Raider when Samantha Knox receives a mysterious field diary and finds herself thrust into a treacherous plot. After stealing a car and jumping on a train, chased by a group dangerous pursuers, Sam finds out what's so special about this book: it contains a cipher that leads to a cursed jade statue that could put an end to all mankind.

Is their arrival humanity's end--or a new beginning? Nearing high school graduation, Tilly Morgan's eager to leave her small Texas town. Armed with a plan to start fresh with her older sister in Florida, her dreams are obliterated when the planet goes dark. An electromagnetic pulse ravages Earth, rendering the world's electrical grid useless. No technology. No modern conveniences. No power. Widespread panic tears across the country and roving bands of looters and rioters overpower the weak. Max Jacobsen, the town's bad boy and troublemaker, teams up with Tilly in a bid for survival. There's more to Max than he shows and Tilly finds herself caring for him more than she should. Braving each incoming threat together, they learn what it means to protect the ones they love. When black spaceships descend from the sky, an even greater threat looms over mankind--a fate far worse than the loss of electricity...

Servants of the Endless Night

Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the

side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder scene of a college student—but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and Merry Gentry series.

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire. When his senile grandmother comes to stay with him, teenager Matt Moore finds himself caught up in a shameful secret between his mother and his late aunt that haunts both him and his mother, who seeks redemption for her sins. Reprint. When seventeen-year-old Ember, a witch living in the quiet New England town of Hallowell, crosses into the Otherworld, Jack the gatekeeper sets out to find her before the supernatural and mortal worlds descend into chaos.

A Strange Hymn (The Bargainers Book 2)

"5 out of 5 stars for this excellent, suspenseful horror novel, and I am already looking forward to the next book in the series." -OnlineBookClub.org "I will find true love and everything will be okay. I will find true love and everything will be okay..." she chanted. They say be careful what you read. Something is wrong. Something is very wrong. It can happen to anyone. This is just four teenagers' story. Aubrey Golding hates her face, her body, and is devastated after Nathan Silva leaves her. Alone, suicidal, and desperate for love, she discovers a book called Something and unknowingly links others to a dark and terrifying curse that is beginning to consume her. Nathan is glad to be moving on with someone new and can hardly believe what is happening now. Wild child and amateur porn star, Bella Broadhurst, loves bullying that "emo whore" Aubrey with the other girls, but mostly she loves partying, hookups, and plain ol' drama when terror arises. And Kendra Coke is just a new teen mother working on a delicate relationship when things start becoming utterly bizarre. Chilling sleep disturbances and figures hiding in the corners of their rooms are just warnings of what is to come. Be careful what you read, they say. Tread carefully....

Since her Awakening, seventeen-year-old Gabrielle Fiori has known the devil wants her as his own, and that when she dies, he'll finally lay his claim. Evading death should be easy. But when a prophecy linking her to the lord of the underworld is leaked, supernaturals-both good and bad-come together for one purpose: to kill her, the girl they believe is the anti-Christ. Andre de Leon, Gabrielle's soulmate and the king of vampires, will do anything to save her from a fate that's been predestined for thousands of years. Even if that means killing. Even if that means dying. But Gabrielle harbors a secret: death is only a matter of time. The magic that flows through her veins, changing her from human to vampire, is killing her. Her heart is slowing, her lungs strain for breath, her body sickens. The world has forsaken her, and unless fate can save her, she'll be damned to hell and the devil that waits for her. And this time, it'll be for good.

Taken. Whisked away to hell. Forever bound to a monstrous god. This is seventeen-year-old Gabrielle Fiori's fate. It's everything she's ever feared, and it has all come to pass. Only ... the devil isn't the monster she remembers. At times he seems gentle and, most unnerving of all, she's drawn to him. He wants her for all eternity, and if she gives in, everything he has to offer can be hers. The only cost? The last of her soul-and her humanity. By a twist of myth, Gabrielle finds herself back on earth from dusk to dawn. Back where the living breathe, where Andre de Leon, the king of vampires and her former soulmate, await her. Yet she can't help but feel that something's wrong. She's wrong. Her blood seeds demons and her powers can move earth and air and all manner of creation. Now angels flood the skies, gods and demons are made flesh. A battle between good and evil is erupting, and if Gabrielle wants to escape hell and save the world, she'll need to end it, once and for all.

Over the hill, all outta ducks to give, and suddenly life is looking up . . .even if you're living with a ghost and fighting off werewolves.Moving back to Savannah changed my life in all the best ways. New job. New friends. As far from my ex-husband as possible. I didn't count on the Shadow World intensifying its hold on my life. Color me surprised, when a new job lands in my lap watching over a fairy ring. Worth ten times what I'd make anywhere else, it seems too good to be true. I take it anyway. And that's when things get weird. Spells are cast on my friends that seems to make them lose their marbles. I've got a Bigfoot baking in my kitchen. And a skeleton is quickly becoming my go-to guy. Which is silly because the eye candy strutting around in front of me is drool worthy. (I'm looking at you, Crash. Really looking 0_0) Nothing in Savannah is what it seems, and the magic and undercurrents of this city are pulling me onto a dangerous path. But with a Fae Queen begging my help, and the darkness closing in, I can only do one thing. Pop a couple Advil, and kick some serious ducking butt.

The Fallen World: The Complete Series

Hot-blooded, prideful, feral, Lana Malesuis is a demon. She has sworn an oath to heal her war-torn, dying species. Her method: drain human blood, use it to fuel her dark magic, reap human misfortune. She has come to the town of White Sulfur Springs to cull. Cold-blooded, ruthless, conniving, Jame Asher is a human. He has sworn to avenge his wife and baby girl, killed by demon magic. His plan: destroy demons' portals, deprive them of their human blood supply, exterminate them one by one. He has come to White Sulfur Springs to kill. But when they meet, and he takes Lana as his prisoner, the last thing he expects to see in her wild violet eyes is the frightened innocence of a young girl. For her part, Lana never expects to feel anything but hate for the most feared demon hunter on Earth. Neither

of them expected it to become something more.

This ground-breaking study sets out a new understanding of transformations in the interaction between religion and political authority throughout history.

*****Due to language, violence, and sexual situations, this book is recommended for mature audiences.*** It's been two months. Two months since Gabrielle survived the horror that was Samhain. Two months since she slipped from the devil's clutches. Two months since she learned that she might have to face him again. Her nights are plagued by dreams of him, and she wakes to find that she's creeping closer to that unholy reunion. So when a ritualistic murder occurs on a ley line in Romania and Gabrielle is called in to investigate, it seems like a harbinger of things to come. Angelic victims, a killer that smells like ash and roses, and wounds that speak of pagan sacraments-it should be enough evidence for Gabrielle to solve the case and get back to her winter break. But the clues keep slipping through her fingers; someone is always one step ahead. In the same city, Andre De Leon, king of the vampires, stands trial for the massacre at Bishopcourt, and his coven's justice system is infamous for its cruelty. Up until now he's been able to shield Gabrielle from their brutality, but her nearness makes her vulnerable to their wrath, and they will use her to get to Andre. A killer, a vampire trial, the devil-all in the same city. It's too coincidental, which is to say that it is not a coincidence at all. Fate has betrayed her.**

Ember Pierce, who can teleport anywhere in the world for only ten minutes per day, is kidnapped by the government and discovers that others with powers like hers are being used as weapons.

Rhapsodic (The Bargainers Book 1)

"The first time I was declared dead, I lost my past. The second time, I lost my humanity. Now I'm being hunted, and if I die again, my soul is up for forfeit." After enrolling in Peel Academy, an elite supernatural boarding school on the British Isles, the last of the sirens, Gabrielle Fiori, only wants to fit in. Instead, the elixir meant to awaken her supernatural abilities kills her. When Gabrielle wakes up in the morgue twelve hours later, something wicked is awakened in her, something even the supernatural community has never seen before. Now the only person who can help her is Andre de Leon, the community's infamous bad boy and the king of vampires. Yet even his help can't prevent the repeated attempts on Gabrielle's life. Someone is after her, and they will stop at nothing to end her short existence. Only Gabrielle cannot let that happen now that her soul hangs in the balance, because she may have met the devil. And he wants her. Bad.

* A Washington Post Notable Fiction Book of the Year * Named a Best Book of 2017 by NPR, The Guardian, The Boston Globe, St. Louis Dispatch From the thrilling imagination of bestselling, award-winning Colm Tóibín comes a retelling of the story of Clytemnestra and her children— “ brilliant...gripping...high drama...made tangible and graphic in Tóibín ’ s lush prose ” (Booklist, starred review). “ I have been acquainted with the smell of death. ” So begins Clytemnestra ’ s tale of her own life in ancient Mycenae, the legendary Greek city from which her husband King Agamemnon left when he set sail with his army for Troy. Clytemnestra rules Mycenae now, along with her new lover Aegisthus, and together they plot the bloody murder of Agamemnon on the day of his return after nine years at war. Judged, despised, cursed by gods, Clytemnestra reveals the tragic saga that led to these bloody actions: how her husband deceived her eldest daughter Iphigeneia with a promise of marriage to Achilles, only to sacrifice her; how she seduced and collaborated with the prisoner Aegisthus; how Agamemnon came back with a lover himself; and how Clytemnestra finally achieved her vengeance for his stunning betrayal—his quest for victory, greater than his love for his child. House of Names “ is a disturbingly contemporary story of a powerful woman caught between the demands of her ambition and the constraints on her gender...Never before has Tóibín demonstrated such range, ” (The Washington Post). He brings a modern sensibility and language to an ancient classic, and gives this extraordinary character new life, so that we not only believe Clytemnestra ’ s thirst for revenge, but applaud it. Told in four parts, this is a fiercely dramatic portrait of a murderess, who will herself be murdered by her own son, Orestes. It is Orestes ’ s story, too: his capture by the forces of his mother ’ s lover Aegisthus, his escape and his exile. And it is the story of the vengeful Electra, who watches over her mother and Aegisthus with cold anger and slow calculation, until, on the return of her brother, she has the fates of both of them in her hands.

Night in the Lonesome October

In the beginning, there's a boy standing in the trees . . . Clara Gardner has recently learned that she's part angel. Having angel blood run through her veins not only makes her smarter, stronger, and faster than humans (a word, she realizes, that no longer applies to her), but it means she has a purpose, something she was put on this earth to do. Figuring out what that is, though, isn't easy. Her visions of a raging forest fire and an alluring stranger lead her to a new school in a new town. When she meets Christian, who turns out to be the boy of her dreams (literally), everything seems to fall into place—and out of place at the same time. Because there's another guy, Tucker, who appeals to Clara's less angelic side. As Clara tries to find her way in a world she no longer understands, she encounters unseen dangers and choices she never thought she'd have to make—between honesty and deceit, love and duty, good and evil. When the fire from her vision finally ignites, will Clara be ready to face her destiny? Unearthly is a moving tale of love and fate, and the struggle between following the rules and following your heart.

There are few things superhero Angel wants in life. World peace. Unlimited chocolate banana milkshakes. Spandex outfits with pockets. What she doesn't want is the attention of the Executioner, a supervillain who kills with his touch. But the moment she survives a caress-and a kiss-at the mercy of his lethal skin, Angel realizes her problems just got a whole lot bigger. Because the only thing worse than a supervillain who wants to kill you is one who wants to keep you. It only takes a couple of visits to convince Dr. Elizabeth Bancroft that Adam Hunter is not just having bad dreams. He's a child possessed. His father is desperate: adamant that his son's affliction is the result of a curse he incurred in the depths of the Amazon, where a badly misguided military operation ended in a terrifying and macabre encounter. There he met two women—one who placed the curse and the other with whom any hope of saving his son resides. Mark Hunter leaves the Scottish Highlands to beg help from the mysterious woman, leaving his

son in the care of Elizabeth—who is about to discover there are equally dark secrets on their own doorstep. And in her blood . . .

The Cruel Prince meets *A Curse So Dark and Lonely* in this epic reimagining of “*The Sleeping Beauty*” that follows a teen girl on a quest to wake a sleeping princess in an enchanted forest, while searching for the truth behind her own deadly curse. Lena has a secret: the touch of her skin can kill. Cursed by a witch before she was born, Lena has always lived in fear and isolation. But after a devastating mistake, she and her father are forced to flee to a village near the Silence, a mysterious forest with a reputation for luring people into the trees, never to be seen again... Until the night an enigmatic girl stumbles out of the Silence and into Lena’s sheltered world. Miranda comes from the Gather, a city in the forest brimming with magic. She is on a quest to wake a sleeping princess believed to hold the key to liberating the Gather from its tyrannical ruler—and she offers Lena a bargain. If Lena assists her on her journey, Miranda will help her break the curse. Mesmerized by Miranda and her promise of a new life, Lena jumps at the chance. But the deeper into the Silence she goes, the more she suspects she’s been lied to—about her family’s history, her curse, and her future. As the shadows close in, Lena must choose who to trust and decide whether it’s more important to have freedom...or power.

A Terrible Fall of Angels

Set in Wyoming in pioneer days. The hero, never named, provokes the enmity of a local bad man named Trampas. In a poker game, Trampas accuses the Virginian of cheating and impugns his ancestry. Instantly the Virginian's pistol is drawn and put on the table before him, and he utters the catch phrase "When you call me that, smile." Trampas backs down. Later the Virginian rescues a New England schoolmistress from a stage coach that has been marooned in high water by a drunken driver. Eventually they get married. The novel's climax is a pistol duel between Trampas and the Virginian in which Trampas is vanquished, the scene constituting the first known walkdown in American literature. The author had first gone to Wyoming for health reasons on the advice of Theodore Roosevelt. Wister dedicated the novel to Roosevelt and many of the Virginian's traits and ideals resemble Roosevelt's. According to Wister, writing in the 16th edition of the book, the hero is a combination of several men he had known in Wyoming. It became the prototype for all cowboy heroes. They say I am a queen. They say I married a monster. That I did so willingly. They say he cannot die, that he does not age. That

together, we rule a ravaged world. They say I used to be one of them, but now I am a traitor. They say many things, all which I cannot remember, but ... I fear what they say is true. Then there is what they don't say, what I see in their eyes- The king terrifies them. He cannot be stopped. And, most worrisome of all ... He is coming for me.

"In places that know more about heaven and hell than we do, you have a reputation, Gabrielle. To them you are known as the devil's consort." When a body shows up near Peel Academy, all signs indicate the killer is a vampire. Ravaged throat, body drained of blood. At least that's all it appears to be when the Politia, the supernatural police force, assigns Gabrielle to the case. Now it's Gabrielle's job to figure out who did it. But after a second body turns up with the same lethal wounds, it's clear that a serial killer is stalking the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

She'd never have been able to push the two-headed sport that was me and Abby out the usual way. Abby and I were fused, you see. Conjoined twins. Abby's head, torso, and left arm protruded from my chest. But here's the real kicker; Abby had the magic, I didn't. Far as the Family was concerned, Abby was one of them, though cursed, as I was, with the tragic flaw of mortality. Now adults, Makeda and Abby still share their childhood home. The surgery to separate the two girls gave Abby a permanent limp, but left Makeda with what feels like an even worse deformity: no mojo. The daughters of a celestial demigod and a human woman, Makeda and Abby were raised by their magical father, the god of growing things--a highly unusual childhood that made them extremely close. Ever since Abby's magical talent began to develop, though, in the form of an unearthly singing voice, the sisters have become increasingly distant. Today, Makeda has decided it's high time to move out and make her own life among the other nonmagical humans--after all, she's one of them. In Cheerful Rest, a run-down warehouse space, Makeda finds exactly what she's been looking for: an opportunity to live apart from Abby and begin building her own independent life. There's even a resident band, led by the charismatic (and attractive) building superintendent.
