She is Hettie Alabama — unlikely, scarred, single-minded, and blood bound to a revolver forged by a demon. The first book in an epic, magic-clad series featuring the Wild West reimagined as a crosscultural stereoscope of interdimensional magic and hardship, *The Devil's Revolver* opens with a shooting competition and takes off across the landscape after a brutal double murder and kidnapping — to which revenge is the only answer. Hettie Alabama, only seventeen years old, leads her crew of underdogs with her father's cursed revolver, magicked to take a year off her life each time she fires it. It's no way for a ranch girl to grow up, but grow up she does, her scars and determination to rescue her vulnerable younger sister

Weekly New Hyde Hospital's psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He's not mentally ill, but that doesn't seem to matter. He is accused of a crime he can't quite square with his memory. In the darkness of his room on his first night, he's visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It's no delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with

severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the Devil die? *The Devil in Silver* brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for *The Devil in Silver* "A fearless exploration of America's heart of darkness . . . a dizzying high-wire act."—*The Washington Post* "LaValle never writes the same book and his recent is a stunner. . . . The book is divided into two main parts: the realities of God's goodness and of spiritual evil, and recognizing and overcoming diabolical tactics, which range from temptation and deception to the Deadly Sins. Father Spitzer shows readers how to experience God's peace even during times of suffering and persecution. He examines the basics of the spiritual life and Christian mysticism, including the contemplative dimension. Lord's consolation and the passive Dark Night of the Spirit. Father Spitzer provides the biblical and theological background of Jesus' victory over Satan. The author also explores the reality of the Devil, including extraordinary manifestations of diabolic activity such as possession. He recalls the true story of the famous possession case on which the novel and film *The Exorcist* were based. In the final sections of the book the author explains: how diabolical spiritual forces operate how temptation works, and what to do to defeat it the "deadly sins" and how to overcome them
