From a USA Today bestselling author comes a "heartwarming and emotionally gripping" (Monica McCarty, New York Times bestselling author) Scottish second chance romance about a Highland knight and the wife he left behind. After years of fighting abroad, Ian MacDonald comes home to find his clan in peril. To save his kin, he must right the wrongs from his past . . . and claim the bride he's long resisted. As a young lass, Sìleas depended on Ian to play her knight in shining armor. But when his rescue attempt compromised her virtue, Ian was forced to marry against his wishes. Five years later, Sìleas has grown from an awkward girl into an independent beauty who knows she deserves better than the reluctant husband who preferred war to his wife. Now this devilishly handsome Highlander is finally falling in love. He wants a second chance with Sìleas - and he won't take no for an answer.

Burke Longton has traveled to Scotland to find his brother, but instead finds himself in a dungeon, accused of a crime he did not commit. Before he can devise a plan to escape, a motley crew bursts into the cell, and he is rescued by a fiery hellion who is as beautiful as she is fierce . . . They call her Storm—an avenging angel to the wrongly imprisoned, an outlaw wanted by the Scottish government. Everything and everyone she'd ever loved has been taken from her, and now she's determined to never let that happen again. She does not have time for tenderness or love . . . until she meets Burke. Rugged and courageous, his kisses promise nights of fevered passion, while his eyes challenge her to dream of a future together. Dare she let this man storm past her defenses and convince her to trust her heart again?

Amy Jarecki makes her print debut with a brand-new series about rugged, passionate Highland lords.

Joshua Sinclair was once the fiercest and most notorious warrior of the mighty Sinclair clan of Northern Scotland. But now there's nothing and no one that can make him take up arms again. Except a beautiful woman, it seems. When Kára Flett, daughter of a fallen Norse chief, finds herself unexpectedly sheltering the strongest, most brutal warrior in the land, she throws together a risky and outrageous plan to bring him to her side. Threats of violence bounce right off him. Offers of gold seem to entice him even less. Desperate enough to use the pleas of the village children to sway him, she's shocked when he's completely unmoved. There's only one tactic left for her: seduction. Her hasty proposition falls completely by the wayside, though, as she and the Highlander come together in a carnal inferno. But bringing him into her life also brings his enemies to her clan's doorstep—the very clan Kára is trying to protect. And as their feelings deepen, Joshua will have to decide between duty and love once and for all.
