

The Diary Of A Teenage Girl ***Phoebe Gloeckner***

Who Do You Ask When You Don't Have the Answers? What's a girl to do when caught between a rock and a hard place? The "hard place" is losing the use of her beloved car, and the "rock" is her immovable dad. In order to regain driving privileges, Kim Peterson's dad talks her into writing an advice column for teens in his newspaper. Kim reluctantly agrees and writes under a pen name. But as she reads letters from peers and friends, she becomes keenly aware of two things: (1) Some kids have it way worse than her, and (2) she does not have all the answers! Who can she turn to? Thursday, September 1 I've been saving for my own car, but my parents decided that I can only get a car if I keep a clean driving record. That means absolutely NO tickets—period—nada. And the policeman said he'd clocked me going 72 in a 55 mile zone. Oops. When Kim Peterson gets a speeding ticket, her dad offers her a way to retain her driving privileges. If she'll write the anonymous teen advice column for his newspaper, she can still get a car. So Kim becomes "Jamie" of "Just Ask Jamie." No big

deal, she thinks. She answers letters about stuff that's everyday and stuff that's not: parents, piercings, dating, drugs, depression, and people who are just users. Nothing Kim can't handle. But when a classmate is killed, the letters turn to questions about life, death, and what it all means. And Kim starts to wonder if she really does have all the answers—and if not, where to find them. The Christian faith of her adoptive family? The Buddhism of her Korean heritage? Who can she turn to—to just ask? Story Behind the Book “My teenage years remain vivid in my mind. It was a turbulent time full of sharp contrasts—love and hate, pain and pleasure, trust and doubt. Then, just as I reached my peak of questioning, rebelling, and seeking, I found God. And I found Him in a really big way! My life turned completely around and has, thankfully, never turned back. Hopefully this story will touch and change hearts—speaking to teen girls right where they live, reminding readers that God is alive and well and ready to be intimately involved in their lives right now! ”

“How about bunking the next class and rushing to the cricket field and while you are at it, planting a bomb in the toilet?” Wait, what the hell am I asking you to do with

deadlines to catch on!? But allow me to take you down the forgotten memory lanes and remind you of the times when... You had a fit of breathlessness in front of your crush, When FLAMES said marriage, you couldn't help but blush. Blank calls played Morse codes, Two meant - you missed her loads. You were clumsy as shit, because her presence was sublime, But after your break-up, crying became your favorite pastime. You bunked the classes and said - 'Let the studies rot!' But you never missed Kiran ma'am's class, 'coz she was pretty hot! ;) Cricket brought you glory, And planting a bomb in school changed your story. Life screwed you over and killed your spirit, But you're glad that you anyway did it. Told from the eyes of an Indian middle-class teenager, this story will make you wonder what you would have done if you were named Ghanshyam and were born a pessimistic nerd, while your optimistic best friend believed in unicorns and utopia! And to add to your woes, what if you fell in love with the most beautiful girl of your school? Wouldn't you then wait for a miracle to happen?

Sixteen-year-old Caitlin O'Conner keeps a six-month diary in which she records the day-to-day events of her life as well as her struggles

to understand herself and God's plan for her future.

Caitlin: Book 1

It's My Life

Just Ask

Seventeen-almost eighteen-year-old Caitlin O'Conner finds herself trying to make it through her senior year, struggling with difficult decisions and discovering the constant, unwaivering love of God.

Redemption has made it to the bestseller chart, but what Chloe and the girls need most is some downtime to sift through the usual high school stress with grades, friends, guys, and the prom. Chloe struggles to recover from a serious crush on the band leader of Iron Cross. Then, just as an unexpected romance catches Redemption by surprise, Caitlin O'Conner - whose relationship with Josh is taking on a new dimension - joins the tour as their chaperone. Chloe's wild ride only speeds up, and this one-of-a-kind musician faces the fact that life may never be normal again. Monday, June 13 prepare my heart for the storm / keep me safe, keep me warm / heap those bags, around my heart / build that wall, before it starts / pile them up, and pile them high / keep me safe, keep me dry / before the waves come rushing in / Lord, please, make me strong again Chloe, Allie, and Laura split their time between “ normal ” high school life—going to classes, attending prom—and touring as Redemption, a rising new Christian band. When Allie ’ s mom needs to bow out of their summer tour, Caitlin O ’ Conner fills in as chaperone. And a good thing, too. Caitlin is the perfect person to have around as Chloe ’ s feelings for the handsome lead singer of Iron Cross continue to grow. Amid a grueling concert schedule, Chloe realizes that attraction is a powerful and even

dangerous force. But when death hits close to home, Chloe ' s heart is slammed by another emotion: guilt. In good times and bad, with blessing and temptation, and especially when things spin out of control, trusting God is the challenge. ' Cause there comes a time when we all have to face the music. Story Behind the Book Chloe and her band, Redemption, are being given amazing opportunities, but with it comes the responsibility of serving God wholeheartedly. In this book, perhaps more than the others in the Diary series, Chloe begins to grasp what sort of ministry (not just a music career) that God is calling her to. As an author, I travel a similar road. I am constantly weighing my "art/craft" against what God is pressing on my heart to write, while striving to be authentic and uncompromising.

For the first time that she can remember, Maya Stark is beginning to feel like a " normal " teenager. Even with her mother in jail for drug possession and her pop-star father away on his comeback tour, Maya ' s new life with her uncle Allen and cousin Kim is coming together. Summer vacation ' s just beginning, and with a new job, a new boyfriend, and a new car (hybrid, of course), things are finally starting to look up. But that doesn ' t mean life is about to get any easier. Maya ' s still devoted to living Green, and her uncle offers her a Green column in his newspaper. With the opportunity to make a difference in the town ' s attitude toward the environment, Maya wonders how this fits with her newfound commitment to Christ. And if she can really consider herself a Christian when her feelings toward a fellow youth group member are anything but loving...

Twenty-one-year-old Caitlin starts a new diary to record her experiences when she becomes engaged and has to struggle to remember to focus on God, her friends, and her senior year in college as her head swims with wedding plans.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

I feel that I have been sleeping all my life and I have woken up and opened my eyes to the world. A beautiful world! But impossible to live in. These are the words of fifteen-year-old Hadiya, blogging from the city of Mosul, Iraq, to let the world know what life is really like as the military occupation of her country unfolds. In many ways, her life is familiar. She worries about exams and enjoys watching Friends during the rare hours that the electricity in her neighborhood is running. But the horrors of war surround her everywhere—weeklong curfews, relatives killed, and friends whose families are forced to flee their homes. With black humor and unflinching honesty, Hadiya shares the painful stories of lives changed forever. "Let's go back," she writes, "to my un-normal life." With her intimate reflections on family, friendship, and community, IraqiGirl also allows us to witness the determination of one girl not only to survive, but to create, amidst the devastation of

"Despite all the news coverage about the war in Iraq, very little is reported about how it affects the daily lives of ordinary citizens. A highschooler in the city of Mosul fills in the gap with this compilation of her blog posts about living under U.S. occupation. She writes in English because she wants to reach Americans, and in stark specifics, she records the terrifying dangers of car bombs on her street and American warplanes overhead, as well as her everyday struggles to concentrate on homework when there is no water and electricity at home. Her tone is balanced: she does not hate Americans, and although she never supported Saddam Hussein, she wonders why he was executed... Readers will appreciate the details about family, friends, school, and reading Harry Potter, as well as the ever-present big issues for which there are no simple answers." —Hazel Rochman, Booklist

"IraqiGirl has poured reflections of her daily life into her blog, reaching all over the cyber-world from her home in northern Iraq. talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. She’s Britney Spears shaving her head, Whitney Houston saying “crack is whack,” and Amy Winehouse, dying in front of millions.
