As the new Queen's Rider, Ezaara faces monsters, but who is worse? Her dragon masters or the beasts she fights? In Lush Valley, it's a crime to even talk about dragons... When Ezaara meets Zaarusha the Dragon Queen, she's swept up in a blaze of color and they imprint, forming a deep bond. She must give up her home and family to become the new Queen's Rider. Ignorant and unprepared, how can she possibly succeed? Luckily, she has a dragon master - although rumors say she'd be better off with the enemy. Plunged into a world of cutthroat politics and traitors in every shadow, who can Ezaara trust as Commander Zens and his army of bestial tharuks march closer, razing villages and enslaving the people of Dragons' Realm? What personal price must Ezaara and her Dragon Master pay to save their people? A great fantasy read. Dean O'Gorman, actor, Fili the dwarf in The Hobbit

Epic adventures, sexy ladies, and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended. Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

The inspiration behind the hit podcast THE 100 TYPES OF HUMAN with DEXTER DIAS and BBC 5 Live host NIHAL ARTHANAYAKE 'This book is the one. Think Sapiens and triple it.' - Julia Hobsbawm, author of Fully Connected _____ We all have ten types of human in our head. They're the people we become when we face life's most difficult decisions. We want to believe there are things we would always do - or things we never would. But how can we be sure? What are our limits? Do we have limits? The Ten Types of Human is a pioneering examination of human nature. It looks at the best and worst that human beings are capable of, and asks why. It explores the frontiers of the human experience, uncovering the forces that shape our thoughts and actions in extreme situations. From courtrooms to civil wars, from Columbus to child soldiers, Dexter Dias takes us on a globe-spanning journey in search of answers, touching on the lives of some truly exceptional people. Combining cutting-edge neuroscience, social psychology and human rights research, The Ten Types of Human is a provocative map to our hidden selves. It provides a new understanding of who we are - and who we can be. _____ 'The Ten Types of Human is a fantastic piece of non-fiction, mixing astonishing real-life cases with the latest scientific research to provide a guide to who we really are. It's inspiring and essential.' - Charles Duhigg, author of The Power of Habit 'I emerged from this book feeling better about almost everything... a mosaic of faces building into this extraordinary portrait of our species.' - Guardian 'Uplifting and indispensable.' - Howard Cunnell _____ What readers are saying about 'the most important book in years': 'utterly compelling...this one comes with a warning - only pick it up if you can risk not putting it down' - Wendy Heydorn on Amazon, 5 stars 'one of the most remarkable books I've read... I can genuinely say that it has changed the way I view the world' - David Jones on Amazon, 5 stars 'Essential reading for anyone wishing to understand the human condition... a thrilling and beautifully crafted book' - Wasim on Amazon, 5 stars 'This is the most important book I have read in years' - Natasha Geary on Amazon, 5 stars 'an important and fascinating read... What would it be like to live as a dinosaur? Young readers will discover that dinosaur lives had many similarities to present-day animals: they hatched, ran, hunted, hid from predators, and grew to adulthood. However, the world these creatures from the far past inhabited was very different from that of today; a great example is that a simple thing like grass didn't yet exist. Repetitive sight words make this a great story for beginning readers and dinosaur enthusiasts alike.
