“This is the ultimate insider’s view of perhaps the darkest chapter of the Forever Wars. Michael Gordon knows everyone, was seemingly everywhere, and brings a lifetime of brilliant reporting to telling this crucial story.” —Retired U.S. Navy admiral James Stavridis, 16th Supreme Allied Commander of NATO and author of *To Risk it All: Nine Crises and the Crucible of Decision* An essential account of the struggle against ISIS—and of how Presidents Obama, Trump, and Biden have waged war. In the summer of 2014, President Barack Obama faced an unwelcome surprise: insurgents from the Islamic State had seized the Iraqi city of Mosul and proclaimed a new caliphate, which they were ruling with an iron fist and using to launch terrorist attacks abroad. After considerable deliberation, President Obama sent American troops back to Iraq. The new mission was to “degrade and ultimately destroy” ISIS, primarily by advising Iraqi and Syrian partners who would do the bulk of the fighting and by supporting them with airpower and artillery. More than four years later, the caliphate had been dismantled, the cities of Mosul and Raqqa lay in ruins, and several thousand U.S. troops remained to prevent ISIS from making a comeback. The “by, with, and through” strategy was hailed as a template for future campaigns. But how was the war actually fought? What were the key decisions, successes, and failures? And what was learned? In *Degrade and Destroy*, the bestselling author and *Wall Street Journal* national security correspondent Michael R. Gordon reveals the strategy debates, diplomatic gambits, and military operations that shaped the struggle against the Islamic State. With extraordinary access to top U.S. officials and military commanders and to the forces on the battlefield, Gordon offers a riveting narrative that ferrets out some of the war’s most guarded secrets. *Degrade and Destroy* takes us inside National Security Council meetings at which Obama and his top aides grapple with early setbacks and discuss whether the war can be won. It also offers the most detailed account to date of how President Donald Trump waged war—delegating greater authority to the Pentagon but jeopardizing the outcome with a rush for the exit. Drawing on his reporting in Iraq and Syria, Gordon documents the closed-door deliberations of U.S. generals with their Iraqi and Syrian counterparts and describes some of the toughest urban battles since World War II. As Americans debate the future of using force abroad, Gordon’s book offers vital insights into how our wars today are fought against militant foes, and the enduring lessons we can draw from them.

Bernard Trainor’s newest book celebrates the wild and elemental landscapes of California, from the craggy coasts of Big Sur to the fertile hills of Sonoma wine country. His award-winning work combines an awareness of regional context with materials, collaboration, and deep connection to the land. Beautifully photographed and documented with full-color plans, the projects in this survey of his recent work include a range of scale, from compact urban gardens to expansive rural sites. Trainor’s regional, sustainable approach inspires wonder and respect for nature as it aims to preserve and restore it.

A behind the scenes account and analysis of the plan-ning and execution of the Gulf War.

Eamonn Mallie and David McKittrick have been granted unique access to the research undertaken for the TV series *ENDGAME IN IRELAND*. As controversial as the television series this book tells, more vividly than ever before, the inside story of the peace process from 1981 through the words of the key people involved - many of whom have never talked 'on the record'. It is an extraordinary story of secret meetings and clandestine negotiations as all parties struggled to overcome centuries of distrust. As well as the material from the series, the authors have included extra material so that the book is illuminated by their insight gained through their long experience reporting to on the conflict. This book is not only a new portrayal of people and events, but an important addition to our understanding of Irish history.

Play hard . . . Fight hard . . . Love hard. The time has come for Cameron, Jason, and Asher to hang up their Rixon Raider jerseys and head off to college with the girls they love. But will their relationships stand the test of college life, new friendships, and most of all, football? \*The Endgame Is You is a Rixon Raiders Epilogue. It must be read after the other books in the series.

Explains how key decisions were made, why deadlocks and compromises occurred, and where SALT has brought the superpowers after a decade of bargaining in addition to looking closely at the progress made by the Carter administration Kurt Eichenwald—New York Times bestselling author of *Conspiracy of Fools* and *The Informant*— recounts the first 500 days after 9/11 in a comprehensive, compelling page-turner as gripping as any thriller. In *500 Days*, master chronicler Kurt Eichenwald lays bare the harrowing decisions, deceptions, and delusions of the eighteen months that changed the world forever, as leaders raced to protect their citizens in the wake of 9/11. Eichenwald’s gripping, immediate style and trueto- life dialogue puts readers at the heart of these historic events, from the Oval Office to Number 10 Downing Street, from Guantanamo Bay to the depths of CIA headquarters, from the al-Qaeda training camps to the torture chambers of Egypt and Syria. He reveals previously undisclosed information from the terror wars, including never before reported details about warrantless wiretapping, the anthrax attacks and investigations, and conflicts between Washington and London. With his signature fast-paced narrative style, Eichenwald— whose book, *The Informant*, was called “one of the best nonfiction books of the decade” by *The New York Times Book Review*—exposes a world of secrets and lies that has remained hidden for far too long.
