

The Forgotten A Glimpse Of Humanity

Thirteen-year-old Stanley Brambles has returned to his normal, boring life in the sleepy town of East Stodgerton. School will be starting again soon, and his incredible adventure on the high seas of Terra already feels like a distant memory. Stanley has all the problems of a normal kid his age—homework, bullies, vindictive teachers, unrequited crushes—but he

is also troubled by dreams: horrible nightmares, and visions of a mysterious giant blue crystal floating high above a distant jungle... The crystal is very important—of this, Stanley is certain, but what is it, really? Where is it? How is he supposed to find it? As fate would have it, Stanley and his friends are once again suddenly and unexpectedly uprooted from their normal, boring lives, and cast back into the wilds of Terra. This time, their adventures will take them into the dark and dangerous jungles of Verduria, the

Green Continent, in search of the Lost City of Quetzal'Khan, the rumoured home of a certain giant floating crystal, and of an evil power that is slowly corrupting the jungle.

The Forgotten Realm

Twisted Insanity Dr Philip Roach studies the human mind by any means necessary, and is fascinated when a patient arrives at the Asylum of the Criminally Insane; who had killed her entire family, but when he realizes that she has a rare split personality disorder he can't wait to unlock her

Online Library The Forgotten A
Glimpse Of Humanity

hidden secrets, and dive into her mind. However, is he ready for the consequences of his actions? The mind can be very complicated and things may not be, as they seem! Is he ready to discover the truth and is it what he expects? But most of all will it make his own mind snap, and take him to the brink of madness into the realm of Insanity; Only time will tell... Mirror to the Soul Have you ever felt like someone was watching you? That someone's invisible eyes were gazing upon you, and a deceased love one was

nearby! Do you believe in ghosts? Billie Williams was an elderly man who spent most of his days behind the bar in the, ' Black Hawk pub.' He wouldn't hurt a fly. He thought he lived upstairs above the pub alone, but how wrong was he because he was being watched by unseen eyes looking through the mirror. Some say the mirror was a porthole to the spirit realm, but what if the ghosts were desperate enough to enter our realm, but even the dead have rules. They were weak, but they are cunning, and they

The Golden Wolf), a “rich, immersive” (Kirkus Reviews) new novel in which a forgotten queen of sixth century Scotland claims her throne as war looms and her family is scattered to the winds. AD 573. Imprisoned in her chamber, Languoreth awaits news in torment. Her husband and son have ridden off to war against her brother, Lailoken. She doesn't yet know that her young daughter, Angharad, who was training with Lailoken to become a Wisdom Keeper, has been lost in the chaos. As one of the bloodiest battles of early medieval Scottish history abandons its survivors to the wilds of Scotland, Lailoken and his men must flee to exile in the mountains of the Lowlands, while nine year-old Angharad must summon all Lailoken has taught her to follow her own destiny through the mysterious, mystical land of the Picts. In the aftermath of the battle, old political alliances unravel,

Online Library The Forgotten A Glimpse Of Humanity

opening the way for the ambitious adherents of the new religion: Christianity. Lailoken is half-mad with battle sickness, and Languoreth must hide her allegiance to the Old Way to survive her marriage to the next Christian king of Strathclyde. Worst yet, the new King of the Angles is bent on expanding his kingdom at any cost. Now the exiled Lailoken, with the help of a young warrior named Artur, may be the only man who can bring the warring factions together to defeat the encroaching Angles. But to do so, he must claim the role that will forever transform him. He must become the man known to history as "Myrddin." "Intrigue, rivalry, and magic among the mists of old Britain—The Forgotten Kingdom is an enchantment of a read!" (Kate Quinn, New York Times bestselling author). Forgotten Sundays is the coming-of-age story of a father-son relationship and the

Online Library The Forgotten A Glimpse Of Humanity

value of a good name, which Gerry Sandusky knows all too well. He has had to endure having an unfortunate name in sports, but to him the Sandusky name means something entirely different: honor, integrity, endurance, and suffering and sadness. Forgotten Sundays follows the life and relationship between Gerry Sandusky and his father—former NFL tackle John Sandusky and coach for the Baltimore Colts, Philadelphia Eagles, and Miami Dolphins under the tutelage of legendary Coach Don Shula. Gerry spent his summers observing his father in NFL training camps and his Sundays with superstars, Hall of Fame players and coaches from Johnny Unitas to Dan Marino, from Don McCafferty to Tom Landry. Gerry's relationship with his father evolved through stages of worship, disillusionment, vulnerability, tragedy, and friendship. Along the way he learned

Online Library The Forgotten A Glimpse Of Humanity

about the nature of manhood from observations, clues, and interactions—more often than not unspoken. It was when Gerry reached fatherhood himself and when John Sandusky began to tumble into the gauzy confusion of Alzheimer's disease that he began to understand his father on a much deeper level. Heartfelt, intelligent, at times humorous, at times tragic, Forgotten Sundays explores the intricacies of a father-son relationship and the nuances of how and what a son learns from a father. It plumbs the meaning of a family name, and it is an inspiration to others to embrace their own legacy and cherish their memories.

This is the touching story about old people, especially their feelings, desires, dreams, and expectations. Depsite physical and mental shortcomings, impending death inspires a clarity about

Online Library The Forgotten A Glimpse Of Humanity

the people and events that affect them. The tale leads the reader with keen insight close to some very special old folks who experience absorbing deep emotions and values. The book will instill an admiration and respect for those who are concerned about and care for the elderly.

Ron Gawthorp is a semi-retired author who now lives in the Alleghany Highlands of Virginia. A veteran writer of some renown in community newspapers early in his life, he has returned to writing after working in the oilfields. His first novel, Richer Than The Rockefellers, reflected life in the oilfields of Illinois, his native state. Glimpses of Glory is his first published non-fiction work. In it he has tediously reconstructed the forgotten career of a professional baseballer from the roaring twenties through the depression. "Baseball was a lot different when it started than it is today. These men

Online Library The Forgotten A Glimpse Of Humanity

were the pioneers of the sport. I think it important to remember how they lived," the author says. "They worked hard, played hard and gave the game the grit it needed to survive. I especially hope young readers will take note of the way grew."

Gawthorp says that over the years he has stumbled into a lot of stories he was unable to publish. "Some are book worthy and some are still only short stories, fiction and nonfiction, but I am still looking to put them on the public plate. I am being much assisted by technological advances in the publishing field. The Good Lord willing and the electric stays on the grid, I've got enough to keep me busy." The author is an avid history buff and loves visiting historic locations, research and learning. He lived 22 years in West Virginia before retiring "just over the mountain" to Millboro, VA.

Glimpses of Forgotten Dreams

The Lost Domain

A Glimpse at Happiness

The Lost Goddess

Alain-Fournier's lyrical novel captures the painful transition from adolescence to adulthood. First published in 1913, its story of the lost domain where le grand Meaulnes meets a beautiful girl, and his search to recover his love, has haunted readers ever since. Now published with a new Introduction by Hermione Lee in its centenary year. Here is the first dual

biography of the early lives of two key figures in Russian ballet: famed choreographer George Balanchine and his close childhood friend and extraordinary ballerina Liidia (Lidochka) Ivanova. Tracing the lives and friendship of these two dancers from years just before the 1917 Russian Revolution to Balanchine's escape from Russia in 1924, Elizabeth Kendall's Balanchine & the Lost Muse sheds new light on a crucial flash point in the history of ballet. Drawing upon extensive archival research,

Kendall weaves a fascinating tale about this decisive period in the life of the man who would become the most influential choreographer in modern ballet. Abandoned by his mother at the St.

Petersburg Imperial Ballet Academy in 1913 at the age of nine, Balanchine spent his formative years studying dance in Russia's tumultuous capital city. It was there, as he struggled to support himself while studying and performing, that Balanchine met Ivanova. A talented and bold dancer who grew close

to the Bolshevik elite in her adolescent years, Ivanova was a source of great inspiration to Balanchine--both during their youth together, and later in his life, after her mysterious death just days before they had planned to leave Russia together in 1924. Kendall shows that although Balanchine would have a great number of muses, many of them lovers, the dark beauty of his dear friend Lidochka would inspire much of his work for years to come. Part biography and part cultural history, Balanchine & the

Online Library The Forgotten A
Glimpse Of Humanity

Lost Muse presents a sweeping account of the heyday of modern ballet and the culture behind the unmoored ideals, futuristic visions, and human decadence that characterized the Russian Revolution.

The Home for Unwanted Girls meets Orphan Train in this unforgettable novel about a young girl caught in a scheme to rid England's streets of destitute children, and the lengths she will go to find her way home—based on the true story of the British Home Children. 2018 At

who was also, for a time, the leading rabbi of his generation. His name was Joshua ben Hananiah, and he helped give us the Judaism we know—the complicated, word-filled tradition of debates, multiple viewpoints, and endless questions. Through his humanity, humility, and occasional audacity, Joshua helped set Judaism on its course towards becoming the decentralized, multi-opinionated, exile-surviving, other-religion-respecting, pragmatic-yet-

altruistic, wounded-yet-hopeful religion that it is at its best. And yet, inside and outside the Jewish community, few people know about him. This book wants to change that. In these pages, people of all faiths or backgrounds will find accessible and vivid translations of some of the most stunning stories in the Talmud and in Midrash. Rabbi Maurice Harris is a friendly guide through the texts and dramas of early rabbinic Judaism, providing

general audiences with clear and compelling explanations of complex narratives, legal issues, and historical contexts. Venture inside this book and discover Rabbi Joshua ben Hananiah, one of the bravest and humblest heroes you'll ever meet in sacred literature.

A plague. A prophecy. A centuries-long curse. All her life, Princess Adalina heard tales of the legendary, immortal warriors known as the Nihryst. Cursed and

bound to a deck of tarot cards by her ancestors, the Nihryst were stranded on a remote island nearly a century and a half earlier. Her brother, Prince Shane, is destined to rule the kingdom of Detmarya. Though preparing for this role has encompassed his entire life, control of the kingdom may come sooner than expected due to their father's sporadic behavior. Discovering the king's plan to set a war in motion with a mass assassination, Ada

***This is the adventure
story of the year -- how
Conrad Anker found the
body of George Mallory
on Mount Everest, casting
an entirely new light on
the mystery of the
explorer who may have
conquered Everest
seventy-five years ago.
On June 8, 1924, George
Leigh Mallory and Andrew
"Sandy" Irvine were last
seen climbing toward the***

summit of Mount Everest. Clouds soon closed around them, and they vanished into history. Ever since, mountaineers have wondered whether they reached the summit twenty-nine years before Edmund Hillary and Tenzing Norgay. On May 1, 1999, Conrad Anker, one of the world's strongest mountaineers, discovered Mallory's body lying facedown, frozen into the scree and naturally mummified at 27,000 feet on Everest's north face. The condition

of the body, as well as the artifacts found with Mallory, including goggles, an altimeter, and a carefully wrapped bundle of personal letters, are important clues in determining his fate. Seventeen days later, Anker free-climbed the Second Step, a 90-foot sheer cliff that is the single hardest obstacle on the north ridge. The first expedition known to have conquered the Second Step, a Chinese team in 1975, had tied a ladder to

the cliff, leaving unanswered the question of whether Mallory could have climbed it in 1924. Anker's climb was the first test since Mallory's of the cliff's true difficulty. In treacherous conditions, Anker led teammate Dave Hahn from the Second Step to the summit. Reflecting on the climb, Anker explains why he thinks Mallory and Irvine failed to make the summit, but at the same time, he expresses his awe at Mallory's achievement with the

primitive equipment of the time. Stunningly handsome and charismatic, Mallory charmed everyone who met him during his lifetime and continues to fascinate mountaineers today. He was an able writer, a favorite of the Bloomsbury circle, and a climber of legendary gracefulness. The Lost Explorer is the remarkable story of this extraordinarily talented man and of the equally talented modern climber who spearheaded a

The Lost Child

In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A

Online Library The Forgotten A Glimpse Of Humanity

Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death

is only the beginning...

Late Halloween night, 10-year-old Cam Bailey discovers a young spirit that 's lost in his backyard. It 's frantically searching for its parents. As the morning sun approaches, Cam senses that it 's in danger from the light. Quietly, Cam hides it in his dark bedroom closet. He keeps it a secret from his family and best friends while he 's at school. After school, he plots a mission for that night – sneak to the forest and search for the spirit 's parents. News of a blizzard and his fear of the dark make him uncertain. Can he rescue the little spirit on his own? Will he be able to find its family before the storm comes? What if he fails ...?

Online Library The Forgotten A Glimpse Of Humanity

Or, is it just his imagination?
This book recounts the horror of World War II on the eastern front, as seen through the eyes of a teenaged German soldier. At first an exciting adventure, young Guy Sajer's war becomes, as the German invasion falters in the icy vastness of the Ukraine, a simple, desperate struggle for survival against cold, hunger, and above all the terrifying Soviet artillery. As a member of the elite Gross Deutschland Division, he fought in all the great battles from Kursk to Kharkov. His German footsoldier's perspective makes *The Forgotten Soldier* a unique war memoir, the book that the *Christian Science Monitor* said "may well be the book

Online Library The Forgotten A Glimpse Of Humanity

about World War II which has been so long awaited." Now it has been handsomely republished as a hardcover containing fifty rare German combat photos of life and death at the eastern front. The photos of troops battling through snow, mud, burned villages, and rubble-strewn cities depict the hardships and destructiveness of war. Many are originally from the private collections of German soldiers and have never been published before. This volume is a deluxe edition of a true classic. In 48 B.C., having survived a disastrous campaign in Pythia as part of the Forgotten Legion and spent years fighting their way back to Rome, Romulus and Tarquinius

Online Library The Forgotten A Glimpse Of Humanity

have finally made it as far as Alexandria. On arrival, though, they find themselves in the midst of the Roman Civil War, are press-ganged into Caesar's thinning legions and greatly outnumbered and fighting for their lives against the Egyptian army. Meanwhile in Rome, Romulus' twin sister Fabiola, having caught only a glimpse of her long-missing twin before being forced to flee Egypt for Rome, lives in fear for her life, loved by Brutus, but wooed by Marcus Antonius, his deadly enemy. From the battlefields of Asia Minor and North Africa, to the lawless streets of Rome and the gladiator arena, they all face death and danger daily, until 44 B.C. when their

individual roads all lead them to Rome where the future of the republic lies unexpectedly in their hands.

Sadie Sugarspear and the Forgotten Waters, and The Journey Through the Serpent

A Son's Story of Life, Loss, and Love from the Sidelines of the NFL

A Novel of the Forgotten Legion

The Forgotten Home Child

The Forgotten Soldier

"Peek" the Forgotten Book

Safety is not meant for Sadie: After the Forgotten Waters wash her away, she finds her way to shore, travels through a burnt forest, and finds refuge in a small cabin. That is, she

Online Library The Forgotten A Glimpse Of Humanity

finds refuge until the angry Queen of Ashthoreth, determined to destroy Sadie, drags her down through the Valley of Mud. With unexpected help from a trusted friend, Sadie manages to escape, but soon finds herself in front of yet another enemy: Serpythia. In one final act of resistance, Stadie stabs the serpent. Before it perishes, though, it swallows her. She travels through Serpythia's belly and finds an entire world inside, containing all those who were swallowed over the years and were never

Online Library The Forgotten A Glimpse Of Humanity

able to leave. Is this Sadie's final journey? Is this where her road comes to an end? Or is there something more to discover, something hidden within the living walls that now contain her? This book is intended for mature audiences and contains disturbing content that may cause the reader to delve into his or her own land of fantasy...just like Sadie. This ebook contains the twenty-second and twenty-third novellas in Nicole Arlyn's epic dark fantasy series, The Sugarspear Chronicles.

Online Library The Forgotten A Glimpse Of Humanity

Praise for The Sugarspear Chronicles: "This book is to the literary world now what Wes Anderson films are in a world full of Magic Mike movies. It will challenge you...But if you open your mind and stretch back to the bygone era of literary symbolism that was Faulkner's As I Lay Dying, you will appreciate the shining jewel that is this book." —A.D. Marrow, author of Chaos and Moonlight, Book One of the Order of the Nines series
How and why was the Great Pyramid of Giza built? What

Online Library The Forgotten A Glimpse Of Humanity

was its purpose? What about the Sphinx? Are there clues today that will allow us to understand its meaning? Breshears takes us through these questions and provides interesting answers based on years of meticulous studies. His work brings us into various holy books, the study of ancient symbols and into the oldest known writings of ancient Egypt. After exploring every part of the pyramid both inside and out, the author reveals how it connects to history and how we can make future predictions based on the

Online Library The Forgotten A Glimpse Of Humanity

patterns he has deciphered. He advances the theory that all major cataclysms of the past occurred at specifically predicable times, and predicts when the next world-wide catastrophe will come. If his predictions are accurate -- and history seems to bear this out -- then we may need to prepare for what is coming. The story of a heroine rescued by her father from a domineering suitor. "Peek" the Forgotten Book is about a book that feels she is no longer needed. She now has been replaced by

Online Library The Forgotten A Glimpse Of Humanity

technology. She sits and waits on a shelf for a very long time, waiting for someone to pick her up again and open her pages. She waits for two children that think that a book in their hand means nothing anymore when they have a laptop. With a swipe of their finger, a book will appear. As Peek sits, a traveler comes and tells them of his adventures and questions why they are not reading "real" books anymore. The traveler is also the one who has written Peek and has brought them another book,

Online Library The Forgotten A Glimpse Of Humanity

which is also peeking out of his pouch. Peek, the book, is once again important as well as many other books. Only this time, they are used by children, again. Remember, real books don't need electricity to work.

new hope? Liverpool, 1848. Meg Shaw is the middle child of eight siblings, not quite old enough to bring in a wage to help her struggling family, but not young enough to be a babe to be cared for. When the family realise they can't feed all the children, Meg makes a choice. She volunteers to go to the workhouse for one season, and she'll take her little sister, Rosie, with her. As long as they are together, they can make it through. But the moment they enter the workhouse, Meg and Rosie are separated. Abandoned and alone, Meg is determined to make it through, and soon finds herself surrounded by a new family of vulnerable girls in

Online Library The Forgotten A Glimpse Of Humanity

need of protection and love. Meg does all she can for her new sisters, but when a season passes and no one comes for her or Rosie, can she find a way to keep them all safe?

“ The Forgotten Self ” is a product of a lifetime study of meditation, eastern philosophy and spiritual seeking. The author, a martial arts teacher and practitioner, found a need among his fellow students for a “ how to ” manual on the subject of meditation. This instructional paper became a chapter in this three-part book. “ The Forgotten Self ” deals with such topics as meditation, world religions, metaphysics and spirituality as it relates to today ’ s world. It is a guideline for the

Online Library The Forgotten A Glimpse Of Humanity

spiritual life-style as well as an instructional manual for unlocking those lost or unknown abilities latent in mankind as a species. Insightful and rewarding, *The Forgotten Self* ” promises to leave the reader with a better understanding of reality, the universe and his part in it. Divided into three separate sections, this book leads the reader through a process of opening possibilities, providing answers for them and expanding awareness through practical “ experiments ” . The first part is “ The Essence of Reality ” . Here the author discusses such topics as modern society, individual and mass reality, and forgotten ancient wisdom. Asa

Online Library The Forgotten A Glimpse Of Humanity

Lennon believes there are abilities of mankind that have, in the whirl of modern society, been anciently forgotten. He hopes to show the reader that man has reached the point in history where he teeters between existence and extinction – between civilization and chaos. It is the distancing of man from spirit that is at the heart of this problem. By returning to spirit, we can reclaim our heritage as keepers of the Earth and her treasures. The second part is “ The Mystic Way – the Forgotten Path ” . Here Lennon discusses the solutions to problems that plague mankind individually and en masse. This part outlines specific ways to enhance

Online Library The Forgotten A Glimpse Of Humanity

your life, society and the universe as products of the conscious awareness of the individual. Part three will open the reader ' s awareness through the introduction of various spiritual and metaphysical concepts. Entitled “ Remembering Yourself ” , it not only provides mind-challenging possibilities, but actually describes experimental opportunities in the chapter 20 “ The Human Laboratory ” . Asa Lennon promises “ the Forgotten Self ” will embark the reader on a journey of increased awareness, spirituality and wonder as the forgotten self once again becomes known.

Sir Daniel Wilson adds his own

Online Library The Forgotten A Glimpse Of Humanity

interesting historical perspectives to the story of lost Atlantis.

This is one of the most remarkable untold stories of the Second World war. At 11.02 am on an August morning in 1945 America dropped the world's most powerful atomic bomb on the Japanese port city of Nagasaki. The most European city in Japan was flattened to the ground 'as if it had been swept aside by a broom'. More than 70,000 Japanese were killed. At the time, hundreds of Allied prisoners of war were working close to the bomb's detonation point, as forced labourers in the shipyards and foundries of Nagasaki. These men, from the Dales of Yorkshire and the dusty outback of

Online Library The Forgotten A Glimpse Of Humanity

Australia, from the fields of Holland and the remote towns of Texas, had already endured an extraordinary lottery of life and death that had changed their lives forever. They had lived through nearly four years of malnutrition, disease, and brutality. Now their prison home was the target of America's second atomic bomb. In one of the greatest survival stories of the Second World War, we trace their astonishing experiences back to bloody battles in the Malayan jungle, before the dramatic fall of Fortress Singapore, the mighty symbol of the British Empire. This abject capitulation was followed by surrender in Java and elsewhere in the East, condemning

Online Library The Forgotten A Glimpse Of Humanity

the captives to years of cruel imprisonment by the Japanese. Their lives grew evermore perilous when thousands of prisoners were shipped off to build the infamous Thai-Burma Railway, including the Bridge on the River Kwai. If that was not harsh enough, POWs were then transported to Japan in the overcrowded holds of what were called hell ships. These rusty buckets were regularly sunk by Allied submarines, and thousands of prisoners lived through unimaginable horror, adrift on the ocean for days. Some still had to endure the final supreme test, the world's second atomic bomb. The prisoners in Nagasaki were

eyewitnesses to one of the most significant events in modern history but writing notes or diaries in a Japanese prison camp was dangerous. To avoid detection, one Allied prisoner buried his notes in the grave of a fellow POW to be reclaimed after the war, another wrote his diary in Irish. Now, using unpublished and rarely seen notes, interviews, and memoirs, this unique book weaves together a powerful chorus of voices to paint a vivid picture of defeat, endurance, and survival against astonishing odds.

*The Forgotten. A Glimpse of
Humanity Glimpses of
Forgotten Dreams*

*One bleak, late winter's
day, Julie Myerson finds
herself in a graveyard,
looking for traces of a
young woman who died nearly
two centuries before. As a
child in Regency England,
Mary Yelloly painted an
exquisite album of
watercolours that uniquely
reflected the world she
lived in. But Mary died at
the age of twenty-one, and
when Julie comes across this
album, she is haunted by the*

*potential never realised,
the barely-lived life cut
short. And most of all, she
is reminded of her own
child. Because only days
earlier, Julie and her
husband locked their eldest
son out of the family home.
He was just seventeen. How
could it have come to this?
After a happy growing-up, it
had taken only a matter of
months for this bright,
sweet, good-humoured boy to
completely lose his way and
propel his family into daily
chaos. He had discovered
cannabis and was now smoking
it everyday - and nothing
they could say or do, no
help they could offer,
seemed to reach him. And*

Julie - whose emotionally fragile relationship with her own father had left her determined to love her children better - had to accept that she was, for the moment at least, powerless to bring back the boy she had known. Honest, warm and often profoundly upsetting, this is the parallel story of a girl and a boy separated by centuries. The circumstances are very different, but the questions remain terrifyingly the same. What happens when a child disappears from a family? What will survive of any of us in memory or in history? And how is a mother to cope when love - however

absolute, however unconditional - is not enough to save her child? For the singled individual filled with purpose that has ever felt that God has forgotten about you. Amber S. Burwell presents A Glimpse of Her Story. Amber is a writer and mother of four. This self published work is apart of "her story", a God given term to promote transparency and to embrace the pain and tragedy that we've endured in our lives, all while still determined to pursue purpose. God doesn't make mistakes He makes disciples and the moment we accept that we are entered into a
