

The Forty Rules Of Love By Elif Shafak In Urdu

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my life back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

A beautiful and compelling novel, Elif Shafak's *The Gaze* considers the damage which can be inflicted by our simple desire to look at others "I didn't say anything. I didn't return his smiles. I looked at him in the wide mirror in front of where I was sitting. He grew uncomfortable and avoided my eyes. I hate those who think fat people are stupid." An obese woman and her lover, a dwarf, are sick of being stared at wherever they go, and so decide to reverse roles. The man goes out wearing make up and the woman draws a moustache on her face. But while the woman wants to hide away from the world, the man meets the stares from passers-by head on, compiling his 'Dictionary of Gazes' to explore the boundaries between appearance and reality. Intertwined with the story of a bizarre freak-show organised in Istanbul in the 1880s, *The Gaze* considers the damage which can be inflicted by our simple desire to look at others. "Beautifully evoked" - *The Times* "Original and Compelling" - *TLS* "Plays with ideas of beauty and ugliness like they're Rubik's cubes" - *Helen Oyeyemi* "Entertaining and affecting" - *Publishers' Weekly* Elif Shafak is the acclaimed author of *The Bastard of Istanbul* and *The Forty Rules of Love* and is the most widely read female novelist in Turkey. Her work has been translated into more than thirty languages. She is a contributor for *The Telegraph*, *Guardian* and the *New York Times* and her TED talk on the politics of fiction has received 500 000 viewers since July 2010. She is married with two children and divides her time between Istanbul and London.

A Medium Rare Heart is a poetic work that conceals a harmful love, which on the surface shows joy and happiness but on the inside hides darkness and pain. It is a real story because it shows, through deep thoughts, a phase of the author's life, a personal outburst, trying to help

the reader to resist, not to be deceived, to fall but also to get back up. There is always a way out, we only need the courage to find it and take the road that leads to salvation and the reconquest of our happiness, the same happiness that someone dared to take away from us, promising us love, but giving us insecurity and fear. It is a story of heart and brain, a heart that has been deceived by a storm for which it was not prepared, a storm encountered by chance on its path, a storm in search of shelter. A heart that has decided to listen and stretch out its arms to protect that storm with a past full of misfortune, because we are always ready to reach out to someone who really needs our help. A "vivid and entertaining" (Chicago Tribune) tale about the tangled history of two families, from the author of *The Island of Missing Trees* (a Reese's Book Club Pick) "Zesty, imaginative . . . a Turkish version of Amy Tan's *The Joy Luck Club*." —USA Today As an Armenian American living in San Francisco, Armanoush feels like part of her identity is missing and that she must make a journey back to the past, to Turkey, in order to start living her life. Asya is a nineteen-year-old woman living in an extended all-female household in Istanbul who loves Jonny Cash and the French existentialists. *The Bastard of Istanbul* tells the story of their two families--and a secret connection linking them to a violent event in the history of their homeland. Filled with humor and understanding, this exuberant, dramatic novel is about memory and forgetting, about the need to examine the past and the desire to erase it, and about Turkey itself.

arguments with examples, illustrations and questions to help bring this thought-provoking subject to life. A riveting and unexpected novel that questions whether a peaceful and non-violent community can survive when civilization falls apart. Again, all are asleep, but I am not. I need sleep, but though I read and I pray, I feel too awake. My mind paces the floor. There are shots now and again, bursts here and there, far away, and I cannot sleep. I think of this man in his hunger, shot like a rabbit raiding a garden. For what, Lord? For stealing corn intended for pigs and cattle, like the hungry prodigal helpless in a strange land. I can hear his voice. When a catastrophic solar storm brings about the collapse of modern civilization, an Amish community is caught up in the devastating aftermath. With their stocked larders and stores of supplies, the Amish are unaffected at first. But as the English (the Amish name for all non-Amish people) in the cities become increasingly desperate, they begin to invade nearby farms, taking whatever they want and unleashing unthinkable violence on the gentle communities. Written as the diary of an Amish farmer named Jacob who tries to protect his family and his way of life, When the English Fall examines the idea of peace in the face of deadly chaos. Should members of a nonviolent society defy their beliefs and take up arms to defend themselves? And if they do, can they survive? David Williams's debut novel is a thoroughly engrossing look into the closed world of the Amish, as well as a thought-provoking examination of how we live today and what remains if the center cannot hold.

Soon to be a major film from Amazon Studios, the prizewinning French bestseller "In this darkly delightful Gothic treasure, Mas explores grief, trauma, and sisterhood behind the walls of Paris's infamous Salpêtrière hospital." —Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train The Salpetriere Asylum: Paris, 1885. Dr. Charcot holds all of Paris in thrall with his displays of hypnotism on women who have been deemed mad and cast out from society. But the truth is much more complicated—these women are often simply inconvenient, unwanted wives, those who have lost something precious, wayward daughters, or girls born from adulterous relationships. For Parisian society, the highlight of the year is the Lenten ball—the Madwomen's Ball—when the great and good come to gawk at the patients of the Salpetriere dressed up in their finery for one night only. For the women themselves, it is a rare moment of hope. Genevieve is a senior nurse. After the childhood death of her sister Blandine, she shunned religion and placed her faith in both the celebrated psychiatrist Dr. Charcot and science. But everything begins to change when she meets Eugenie, the 19-year-old daughter of a bourgeois family that has locked her away in the asylum. Because Eugenie has a secret: she sees spirits.

Inspired by the scandalous, banned work that all of Paris is talking about, The Book of Spirits, Eugenie is determined to escape from the asylum—and the bonds of her gender—and seek out those who will believe in her. And for that she will need Genevieve's help . . .

The nationwide lockdown in 2020 to curb the spread of Covid-19 left millions of migrant labourers without jobs, food and shelter. Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Ritesh, Ashish, Ram Babu, Sonu, Krishna, Sandeep and Mukesh-migrants from Bihar-undertook a similar journey on their bicycles that lasted for seven days and seven nights. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled hunger, exhaustion and fear, was documented by National Award-winning filmmaker Vinod Kapri. 1232 km is a story of the extraordinary courage of seven men in the face of tremendous odds.

A REESE'S BOOK CLUB PICK Shortlisted for the Women's Prize for Fiction "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue
A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a Ficus carica grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, The Island of Missing Trees is Elif Shafak's best work yet.

Black Milk is the affecting and beautifully written memoir on motherhood and writing by Turkey's bestselling female writer Elif Shafak, author of Honour, The Gaze and The Bastard of Istanbul which was long-listed for the Orange prize. Postpartum depression affects millions of new mothers every year, and- like most of its victims- Elif Shafak never expected to be one of them. But after the birth of her first child in 2006, the internationally bestselling Turkish author remembers how "for the first time my adult life . . . words wouldn't speak to me". As her despair finally eased, Shafak sought to resuscitate her writing life by chronicling her own experiences. In her intimate memoir, she reveals how she struggled to overcome her depression and how literature provided the salvation she so desperately needed. 'An intimate, affecting memoir . . . Her passion for literature is contagious, and her struggle with postpartum depression and writer's block reinforces how carefully all of us must tread. Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's

longing for the lost Shams that made him one of the world's greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and a glossary.--From publisher description.

A 2017 LA Times Book Prize Finalist A quirky story of love, mischief, and forgiveness from Brazil's foremost award-winning author for young readers, in her U.S. debut.

Fourteen-year-old Samuel is newly orphaned and homeless in a small town in Brazil. He lives in a giant, hollow, concrete head of St. Anthony, the lingering evidence of the village's inept and failed attempt to build a monolith over a decade ago. He didn't know what it was when he crawled into it, seeking shelter during a storm, but since coming there, he hears beautiful singing, echoing like magic in the head twice a day. So he stays. Miraculously, he can also hear the private prayers and longings of the villagers. Feeling mischievous, Samuel begins to help answer these prayers, hoping that if he does, their noise will quiet down and he can listen to the beautiful singing in peace.

Ironically, his miracles gain him so many fans that he starts to worry he will never fulfill his own true longing and find the source of the singing. Filled with beautiful turns of phrase and wonderfully quirky characters, *The Head of the Saint* is a riotous story of faith and magic that won't soon leave your thoughts.

Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage, NPR, Washington Post, and The Economist A moving novel on the power of friendship in our darkest times, from internationally renowned writer and speaker Elif Shafak. In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul, Tequila Leila enters a state of heightened awareness. Her heart has stopped beating but her brain is still active-for 10 minutes 38 seconds. While the Turkish sun rises and her friends sleep soundly nearby, she remembers her life-and the lives of others, outcasts like her. Tequila Leila's memories bring us back to her childhood in the provinces, a highly oppressive milieu with religion and traditions, shaped by a polygamous family with two mothers and an increasingly authoritarian father. Escaping to Istanbul, Leila makes her way into the sordid industry of sex trafficking, finding a home in the city's historic Street of Brothels. This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. In Tequila Leila's death, the secrets and wonders of modern Istanbul come to life, painted vividly by the captivating tales of how Leila came to know and be loved by her friends. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

The investigative journalist author of Kingdom Coming explores the ways in which restrictions against women's reproductive rights are directly linked to consequences in global development, in a cautionary report that covers such topics as abortion, female circumcision, and human trafficking.

An Indie Next Pick The stunning, timely new novel from the acclaimed, internationally bestselling author of The Architect's Apprentice and The Bastard of Istanbul. Peri, a married, wealthy, beautiful Turkish woman, is on her way to a dinner party at a seaside mansion in Istanbul when a beggar snatches her handbag. As she wrestles to get it back, a photograph falls to the ground--an old polaroid of three young women and their university professor. A relic from a past--and a love--Peri had tried desperately to forget. Three Daughters of Eve is set over an evening in contemporary Istanbul, as Peri arrives at the party and navigates the tensions that simmer in this crossroads country between East and West, religious and secular, rich and poor. Over the course of the dinner, and amidst an opulence that is surely ill-begotten, terrorist attacks occur across the city. Competing in Peri's mind however are the memories invoked by her almost-lost polaroid, of the time years earlier when she was sent abroad for the first time, to attend Oxford University. As a young woman there, she had become friends with the charming, adventurous Shirin, a fully assimilated Iranian girl, and Mona, a devout Egyptian-American. Their arguments about Islam and feminism find focus in the charismatic but controversial Professor Azur, who teaches divinity, but in unorthodox ways. As the terrorist attacks come ever closer, Peri is moved to recall the scandal that tore them all apart. Elif Shafak is the number one bestselling novelist in her native Turkey, and her work is translated and celebrated around the world. In Three Daughters of Eve, she has given us a rich and moving story that humanizes and personalizes one of the most profound sea changes of the modern world.

By turns comic and tragic, Elif Shafak's The Flea Palace is an outstandingly original novel driven by an overriding sense of social justice. Bonbon Palace was once a stately apartment block in Istanbul. Now it is a sadly dilapidated home to ten wildly different individuals and their families. There's a womanizing, hard-drinking academic with a penchant for philosophy; a 'clean freak' and her lice-ridden daughter; a lapsed Jew in search of true love; and a charmingly naïve mistress whose shadowy past lurks in the building. When the garbage at Bonbon Palace is stolen, a mysterious sequence of events unfolds that result in a soul-searching quest for truth.

Begun in 1262 AD, Masnavi-ye Ma navi, or spiritual couplets', is thought to be the longest single-authored mystical poem ever written. As the spiritual masterpiece of the Persian Sufi tradition, it teaches how to progress to the ultimate goal of the Sufi path - union with God. Jalaluddin Rumi was a poet and a mystic, but he was first a teacher; in these verses he draws the reader into the complexities of human love and separation and explains the path to divine love through the elimination of self-regard and worldly desires. Drawing on diverse

sources from bawdy tales and fables to stories of the prophet Mohammed, these verses are brief in expression yet copious in meaning.

Love matters. Whether it's the romantic kind or the emotional bond between you and family or friends. Indeed latest research suggests that those who love and are loved are significantly more likely to be alive in 10 years time than those without love in their lives. Love makes us happy, and the happier we are, the longer it seems we tend to live. So, why is it that some people find relationships so easy? We all know the kind of person, married forever, connected with their family, and strong friendships that have stood the test of time from all stages of life. The people who make friends easily, who have someone utterly devoted to them and for whom many would do anything. What do they know and do that the rest of us could learn from? That's what you'll find in this book. If you study people who are so good at relationships you discover it's not about their personality or gender or how self sacrificing they are. Those who are great in all relationships usually do have to work at it. The secret is that they know exactly where to put their efforts. They know the Rules of Love. Now updated and expanded with 10 brand-new rules, The Rules of Love helps you benefit from the simple principles of forming and sustaining strong, enduring and ultimately, life enhancing relationships.

NEW YORK TIMES BESTSELLER • WINNER OF THE BOOKER PRIZE • A modern masterpiece that "reminds us of the power of truth in the face of evil" (People)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*. "Atwood's powers are on full display" (Los Angeles Times) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

A New York Times Editors' Choice Pick! A Most Anticipated Pick for USA Today | Bustle | Buzzfeed | Goodreads | Nerdist | io9 | WBUR | Polygon | The New Scientist "In this ambitious novel, dense with perspectives and social commentary, Onyebuchi dreams up disparate lives in a crumbling future America—with gentrifiers returning to Earth from space colonies and laborers trying to make a precarious living—while leaving room for moments of beauty and humor."—The New York Times, Editors' Choice In his adult novel debut, Hugo, Nebula, Locus, and NAACP Image Award finalist and ALA Alex and New England Book Award winner Tochi Onyebuchi delivers a sweeping science fiction epic in the vein of Samuel R. Delany and Station Eleven. In the 2050s, Earth has begun to empty. Those with the means and the privilege have departed the great cities of the United States for the more comfortable confines of space colonies. Those left behind salvage what they can from the collapsing infrastructure. As they eke out an existence, their neighborhoods are being cannibalized. Brick by brick, their houses are sent to the colonies, what was once a home now a quaint reminder for the colonists of the world that they wrecked. A primal biblical epic flung into the future, Goliath weaves together disparate narratives—a space-dweller looking at New Haven, Connecticut as a chance to reconnect with his spiraling lover; a group of laborers attempting to renew the promises of Earth's crumbling cities; a journalist attempting to capture the violence of the streets; a marshal trying to solve a kidnapping—into a richly urgent mosaic about race, class, gentrification, and who is allowed to be the hero of any history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

What exactly is goodness? Where is it found in the literary imagination? Toni Morrison, one of American letters' greatest voices, pondered these perplexing questions in her celebrated Ingersoll Lecture, delivered at Harvard University in 2012 and published now for the first time. Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee's Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture's ideas, discussing goodness not only in literature but in society and history—particularly black history, which has responded to centuries of brutality with profound creativity. Morrison's essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close

examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison's novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison's notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

Rumi is now acknowledged as one of the great mystical poets of the Western world, with huge sales of the many collections of his poetry. Not much is known about his life except that he lived in thirteenth-century Anatolia (now Turkey), had a great spiritual friendship with a wild man called Shams, brought an adopted daughter into his family, and was distraught when Shams finally disappeared. Rumi's Daughter is the delightful novel about Kimya, the girl who was sent from her rural village to live in Rumi's home. She already had mystical tendencies, and learned a great deal under Rumi's tutelage. Eventually she married Shams, an unusual husband, almost totally absorbed by his longings for God. Their marriage was fiery and different and, in the end, dissolved by Kimya's death - after which Shams vanished. Rumi's Daughter tells Kimya's story with great charm and tenderness. Well written and thought-provoking, it is sure to draw comparison with Paulo Coelho's The Alchemist, and also to add something fresh and new to what is so far known about Rumi.

The Unexpected Lessons from Gaining and Losing 75 lbs on Purpose

A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In The Rumi Prescription, we follow her path of discovery as she translates Rumi's works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn--despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. • You went out in search of gold far and wide, but all along you were gold on the inside. • Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. • You already own all the sustenance you seek. If only you'd wake up and take a peek. • Quit being a drop. Make yourself an ocean.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.
