

The Four Horsemen Descent

Tour guide Alvis Marangon thinks he knows Venice better than ever, but now finds himself ensnared by mysteries as obscure as the city and in many cases just as old. Certain that he is finally about to have his guide's license revoked after a tavern brawl, Alvis is instead dragooned into the service of Missier Grande, who has linked the death of one of his agents to a secret society known as the Four Horsemen. Every attempt that Missier Grande makes to investigate the matter is blocked by forces on high, and enlisting Alvis is a move of last resort—one last-ditch effort to uncover the crimes of the present in the secrets of the past before the future claims more lives. Among the dark arcades and fetid canals of 18th century Venice, Alvis is the one who finds himself led on a tour, at any turn of which could lie a fresh corpse or an ancient conspiracy.

This book provides an overview of the hero journey theme in literature, from antiquity to the present, with a focus on the imagery of the rites of passage in human life (initiation at adolescence, mid-life, and death). This is the only book to focus on the major works of the literary tradition, detailing discussions of the hero journey in major literary texts. Included are chapters on the literature of Antiquity (Sumerian, Egyptian, Biblical, Greek, and Roman), the Middle

Ages (with emphasis on the Arthurian Romance), the Renaissance to the Enlightenment (Shakespeare, Milton, Marvell, Pope, Fielding, the Arabian Nights, and Alchemical Illustration), Romanticism and Naturalism (Coleridge, Selected Grimm's Tales, Brontë, Bierce, Whitman, Twain, Hawthorne, E.T.A. Hoffman, Rabindranath Tagore), and Modernism to Contemporary (Joyce, Gilman, Alifa Rifaat, Bellow, Lessing, Pynchon, Eudora Welty).

They are real. They are the harbingers of the Apocalypse. And only one woman stands between them and us. THE FOUR HORSEMEN is a race-against-the-clock thriller starring Andie Sullivan. As the world's only "culturalist," she is employed by corporations and wealthy individuals to break through the barriers with any culture around the globe. Now, she faces the most challenging and dangerous assignment of her career. Hired by a ruthless businessman to infiltrate the mysterious tribe who serve as the protectors of the Four Horsemen's ancient secret, Andie is plunged into a mysterious world where every answer only opens the door to more questions. With a shadowy government force and a brutal terrorist also vying for the Horsemen's unfathomable power, Andie must collect them all and unlock their mysteries before time runs out.

Jackson Mathias More had a dream—a grand, vivid dream. Codenamed the Apocalypse, Mathias, along with four of his friends, dubbed the Four Horsemen, gathered an army, went to war with a government he despised

and brought about the Restoration in his country. These five spent years contriving the ingenuity, the strategy, the will . . . the guts to go through with the plan, and when all the pieces were in place, they began their incredible journey. Defying odds, facing sorrow-filled trials and tribulations, warring with a mighty enemy, and basking in the glory of victories, Mathias finds a strength of body and soul that can only be provided by God. Through his prayers and sufferings, Mathias brings the restoration of his faith to the people of his nation, separating the righteous from the wicked as he initiates a war to purge the enemy from the country. The war Jackson Mathias More foresaw in a dream came—he waged it.

THE FOUR HORSEMEN OF THE APOCALYPSE

Europe 1914–1949

The Four Horsemen of the Apocalypse (1916) is a novel by Vicente Blasco Ibáñez. Published at the height of his career as a popular Spanish author, The Four Horsemen of the Apocalypse was adapted into a 1921 silent film starring Rudolph Valentino and later into a 1962 feature directed by Vincente Minelli. In 1919, the novel became a

bestseller in the United States. ““And when the sun arises in a few hours, the world will see coursing through its fields the four horsemen, enemies of mankind. . . . Already their wild steeds are pawing the ground with impatience; already the ill-omened riders have come together and are exchanging the last words before leaping into the saddle.””
At the outbreak of the First World War, two families—and countless more—are torn apart by hatred and conflict that threatens to bring an end to humanity itself. Julio Desnoyers, a young man of mixed Argentine and French descent, leaves a life of luxury behind in search of glory and romance. Convinced that only sacrifice will win him the hand of his lover Marguerite, he enlists as a soldier in the French army. Meanwhile, his mother is forced to reckon with the marriage of her sister to a German man. The Four Horsemen of the Apocalypse showcases Blasco Ibáñez’s sense of tragedy and devotion to the politics of peace, both of which guide his depiction of humanity at war with itself. With a beautifully designed cover and professionally typeset manuscript, this edition of Vicente Blasco Ibáñez’s The Four Horsemen of the Apocalypse is a classic of Spanish literature reimagined for modern readers.

The Horsemen of the Apocalypse, an anthology of poetry to read or not when the world is ending is a collection of work in two parts. Showcasing nine famous Apocalyptic poems complete with analysis of the authors work and ten new modern works by author and poet Stephen Robert Kuta. The title piece - 'The Horsemen of the Apocalypse', has had overwhelming response on social media and has been liked and shared 36,600 times on facebook and more then 43,700 times on Instagram. The collection is inspired by the Apocalyptic Movement (or the New Apocalypse) of the 1930's and early 1940's as

well as inspiration in more recent times with the pandemic spread of Covid-19 commonly known as Corona Virus. The book is dedicated 'To Earth', with hope that our planet and people face a better, kind and brighter future.

The Four Horsemen and Vee's story continues in book four of this reverse harem urban fantasy series. The previous books must be read first. Assassins, ancient magic, and the mysterious Collector bring new challenges to the Horsemen. Can the five find the answers they need before it's too late? Three humans are dead, and the search is on for the surviving member from Vee's online group. If he's alive, Seth could hold the key to who's behind the attacks -- and why the group are targets. Thanks to their broken alliance with the fae, the Four Horseman and Vee must turn to others for help and are pulled deeper into the supernatural underworld. The danger the world faces is greater than they imagined and someone is determined the Horsemen will fail. The Four Horsemen will each do whatever it takes to protect Vee, but as Vee's relationship with the guys intensifies, so does her power. How powerful can she become and at what cost to the Four Horsemen's future?

The author offers an account of his near-death experience, his journey into a hellish world of darkness that revealed the consequences of a life lived for self alone, his escape to the regions of light, and the transformative impact of the experience.

The Four Horsemen Part I: I am the Fourth

Saint Germain's Prophecy for the New Millennium

Allison Andrews lives in Brisbane, Australia. When she's not daydreaming about her next novel ideas, she studies writing and history at the University of QLD and planning her next overseas adventure.

"Chilling... To Hell and Back should be required reading in every chancellery, every editorial cockpit and every place where peevish Euroskeptics do their thinking.... Kershaw documents each and every 'ism' of his analysis with extraordinary detail and passionate humanism."—The New York Times Book Review The Penguin History of Europe series reaches the twentieth century with acclaimed scholar Ian Kershaw's long-anticipated analysis of the pivotal years of World War I and World War II. The European catastrophe, the long continuous period from 1914 to 1949, was unprecedented in human history—an extraordinarily dramatic, often traumatic, and endlessly fascinating period of upheaval and transformation. This new volume in the Penguin History of Europe series offers comprehensive coverage of this tumultuous era. Beginning with the outbreak of World War I through the rise of Hitler and the aftermath of the Second

World War, award-winning British historian Ian Kershaw combines his characteristic original scholarship and gripping prose as he profiles the key decision makers and the violent shocks of war as they affected the entire European continent and radically altered the course of European history. Kershaw identifies four major causes for this catastrophe: an explosion of ethnic-racist nationalism, bitter and irreconcilable demands for territorial revisionism, acute class conflict given concrete focus through the Bolshevik Revolution, and a protracted crisis of capitalism. Incisive, brilliantly written, and filled with penetrating insights, *To Hell and Back* offers an indispensable study of a period in European history whose effects are still being felt today.

"Nostradamus, Edgar Cayce, Mother Mary and Saint Germain reveal that the period we are entering is unique—both in its opportunity for spiritual and technological progress and in its potential for war, turmoil and even cataclysm. They also reveal that prophecy is not set in stone. This timely work shows us how to make our future a brighter day. First, it explores the most compelling prophecies for our time, including new interpretations of the celebrated quatrains of Nostradamus. Then it introduces us to a high-frequency spiritual energy that can bring balance, harmony and positive change into our lives. The dramatic insights and spiritual techniques revealed in this book will help you shape the future you want."

Art and Magnificence

Translated From The Original Latin By J.S. Hoyland.

Tapestries—the art form of kings—were a principal tool used by powerful Renaissance rulers to convey their wealth and might. From 1460 to 1560, courts and churches lavished vast sums on costly weavings in silk and gold thread from designs by leading artists. In this lavishly illustrated book, the first major survey of tapestry production of this period, contributors analyze some of these&beautiful tapestries, examine the stylistic and technical development of tapestry production in the Low Countries, France, and Italy during the Renaissance, and discuss the contribution that the

medium made to art, liturgy, and propaganda of the day.

"Right now we look like a cricket. What is a cricket? King of the Insects; a little, tiny animal. All the cricket can do is [say] 'cricket, cricket, cricket.' Just a noise, that's all. But you know, if that cricket gets in the ear of the lion and scratches inside, there is nothing the lion can do. There is nothing; there is no way the lion can use his claws and jaws to destroy the cricket. The more the lion scratches himself the deeper the cricket goes. . .

."--Reies López Tijerina, 1971 Throughout his career in New Mexican land grant politics, Reies Tijerina frequently used this fable to inspire persistence in the face of impossible odds. As the leader of a grassroots Hispano land rights organization, the Alianza Federal de Mercedes Reales (The Federal Alliance of Land Grants), Tijerina has made an indelible imprint on New Mexico's Hispano culture. King Tiger details Tijerina's life and efforts--those real, rumored, and mythologized--in the first systematic study of the origin of his political ideas. Rudy Busto shows how one of Tijerina's particularly powerful mystical visions led him to northern New Mexico to fight to restore land to those who lost it during various nineteenth-century land grant title conflicts. More than three decades after the infamous Tierra Amarilla County courthouse raid, Tijerina remains an

important touchstone for all New Mexicans. In his life and activism are found the interdependent issues of land, water, language, economic development, sovereignty, political power, and rights to cultural formation in the Southwest.

The comprehensive guide to the place that brought sport climbing to North America— a full-color, thoroughly updated new edition Smith Rock State Park. It was on the impressive crags of this Oregon hideaway that American sport climbing came into its own, and to this day, some of the hardest climbs in the United States are found on these walls. Alan Watts, who has played a leading role in the development of this popular rock-climbing destination, details more than 1,700 routes at Smith Rock and the surrounding area. This new edition updates hundreds of routes, includes hundreds of new ones, and has new photos of each crag, wall, and route. No other guide is as comprehensive or thorough, and no author more respected for his intimate knowledge of one of the world's most popular climbing destinations.

Illusions

How John Wrote the Book of Revelation: From Concept to Publication

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company. Since the late nineteenth century, federal and state rules governing immigration and naturalization have placed persons of Asian ancestry outside the boundaries of formal membership. A review of leading cases in American constitutional law regarding Asians would suggest that initially, Asian immigrants tended to evade exclusionary laws through deliberate misrepresentations of their identities or through extralegal means. Eventually, many of these immigrants and their descendants came to accept prevailing legal norms governing their citizenship in the United States. In many cases, this involved embracing notions of white supremacy. John S. W. Park argues that American rules governing citizenship and belonging remain fundamentally unjust, even though they suggest the triumph of a "civil rights" vision, where all citizens share the same basic rights. By continuing to privilege members over non-members in ways that are politically popular, these rules mask injustices that violate principles of fairness. Importantly, *Elusive Citizenship* also suggests that politically and socially, full membership in American society remains closely linked with participation in exclusionary practices that isolate racial minorities in America.

The main part of Polybius's history covers the years 264-146 BCE. It describes the rise of Rome to the destruction of Carthage and the domination of Greece by Rome.--From publisher description.

The Four Horsemen: I am the Fourth is the first book in a four part series of fiction books. The Horsemen are an elite group of Army special forces led by Captain John Wallace, who have given up everything they have for their country. They are faced with the seemingly impossible task of stopping a gradual invasion of America by a newly unified Korea. Follow the Horsemen on their mission through the eyes of Carl Jackson, an inexperienced young man with nothing left to lose. After his grandparents are taken away to a Korean labor camp on American soil, Carl and Wallace become two unlikely friends in their quest for liberty and vengeance. Everything in life has a cost; what will it cost each of these men to get their life back?

Friendly Betrayal

Text

King Tiger

A Novel

Rock Climbing Smith Rock State Park

It's the Twenty-Second Century. Humanity has taken its first steps into the galaxy,

and we've found ourselves in a vast playground of alien races, environments, and cultures. As the newest players on the galactic stage, though, our position is readily apparent-we're at the bottom of the food chain. One place where we're not at the bottom of the food chain, though, is the art of the Four Horsemen Universe-it is routinely lauded as some of the best around! The covers are vivid examples of mercenaries at war, presented in striking color, with each one getting better and better. Now it's your turn. Think you have what it takes to put together stunning pictures of armored mecha engaged in combat against powerful aliens on far-flung planets? "Art and War: Coloring the Four Horsemen Universe" contains 32 pages of art ready to be colored, including 10 examples of original, never-seen-before pieces, and it's your chance to add your own flair to the Four Horsemen Universe! Grab this book and your favorite coloring implements, and go make your mark on the 4HU! As Nigel Shirazi would say, "Color aliens, have fun!"

This book offers a different perspective than that found in mainstream US and Texas history because it acquaints readers with pre-1836 people, places, and events. The title Friendly Betrayal aims to capture the Spanish Mexican Texans disappointment when they (1) first welcomed US immigrants to Mexico (Texas) as fellow Mexicans and (2) how (after 1836) the growing Anglo Saxon majority treated our ancestors as foreigners in their own homeland. Part I contains a fictionalized

storyline that delves into the initial blending of Native American and Spanish European cultures that produced today's mestizo people. Due to their genetic cultural (not political) ties to Mexico, this group (generally called Mexican Americans in the United States) continues to strongly maintain, defend, and preserve their unique identity, history, and heritage on this side of the border. Part II contains supporting background information.

A Prosperous Way Down, the last book by Howard T. and Elisabeth C. Odum, has shaped politics and planning as nations, states, and localities begin the search for ways to adapt to a future with vastly increased competition for energy. It considers ways in which a future with less fossil fuel could be peaceful and prosperous. Although history records the collapse of countless civilizations, some societies and ecosystems have managed to descend in orderly stages, reducing demands and selecting and saving what is most important. The authors make recommendations for a more equitable and cooperative world society, with specific suggestions based on their evaluations of trends in global population, wealth distribution, energy sources, conservation, urban development, capitalism and international trade, information technology, and education. Available for the first time in paperback, this thoughtful, provocative book forces us to confront assumptions about our world's future and provides both a steadying hand and a call to action with its

pragmatic analysis of a global transition.

Land Uprising reframes Indigenous land reclamation as a horizon to decolonize the settler colonial conditions of literary, intellectual, and activist labor. Simón Ventura Trujillo argues that land provides grounding for rethinking the connection between Native storytelling practices and Latinx racialization across overlapping colonial and nation-state forms. Trujillo situates his inquiry in the cultural production of La Alianza Federal de Mercedes, a formative yet understudied organization of the Chicax movement of the 1960s and 1970s. La Alianza sought to recover Mexican and Spanish land grants in New Mexico that had been dispossessed after the Mexican-American War. During graduate school, Trujillo realized that his grandparents were activists in La Alianza. Written in response to this discovery, Land Uprising bridges La Alianza's insurgency and New Mexican land grant struggles to the writings of Leslie Marmon Silko, Ana Castillo, Simon Ortiz, and the Zapatista Uprising in Chiapas, Mexico. In doing so, the book reveals uncanny connections between Chicax, Latinx, Latin American, and Native American and Indigenous studies to grapple with Native land reclamation as the future horizon for Chicax and Latinx indigeneities.

The Restoration

The Horsemen of the Apocalypse

Gunnison City Sheriff "Doc" Cyrus Wells Shores

(1844–1934)—nicknamed after the doctor who delivered him in Hicksville, Detroit in 1844—became well-known as a Colorado lawman for bringing down local criminals without parading his authority or a display of guns. Born in the village of Hicksville, about thirty miles from Detroit, Michigan, "Doc" Shores moved to Montana as a young man via a steamer and paid passage by hunting game along the route. Prospecting and hunting in Montana, he then worked in Wyoming hauling ties for the railroad, and later drove cattle up from Texas. After many experiences with Indians, blizzards, and rustlers in Kansas, Shores took his wife Agnes and settled in Gunnison, Colorado, where he served as the sheriff of Gunnison County when it was still "wild" and became noted as the lawman who captured Alfred Packer, the infamous "Colorado Cannibal." During his lengthy

career, "Doc" Shores also served as a deputy U.S. Marshal, a railroad detective, and as chief of police for Salt Lake City, Utah—and he rode with Tom Horn when Horn was still on the right side of the law. First published in 1962 and edited by Wilson Rockwell, Memoirs of a Lawman are "Doc" Shores' gripping, as previously unpublished memoirs, spanning his life from his early days on the Western frontier, his appointments as Sheriff, and later Federal Marshall.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it.

How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works. The Revelation to John by Stephen Smalley is a magisterial interpretation of John's Apocalypse as a grand drama, which can only be properly understood in light of John's Gospel and letters and in the context of the Johannine community. As such, it offers the reader a significantly different approach to this enigmatic text than that offered by most contemporary commentaries. Working directly from the Greek text, Smalley offers a masterful analysis of the critical and literary

dimensions of the Apocalypse for students and scholars alike. Contents include an in-depth, critical analysis of the Greek text of Revelation a wealth of scholarly interaction with other commentaries and interpretations of Revelation a canonical assessment of Revelation in light of other Johannine texts a historical understanding of Revelation in the context of the Johannine community an interpretation of Revelation as cosmic drama Here is a fresh contribution to the scholarly study of this captivating but often perplexing book of the Bible. Smalley demonstrates that the Apocalypse speaks directly to any situation in any age and offers a portrait of God's loving justice that is relevant to our own society.

Heir to one of the leading "Four Horsemen" mercenary companies, Jim Cartwright is having a bad year. Having failed his high school VOWS tests, he's just learned his mother bankrupted the family company before disappearing, robbing him of his Cavalier birthright. But the Horsemen of eras past were smart—they left a legacy of equipment Jim can use to complete the next contract and resurrect the company. It's up to Jim to find the people he needs to operate the machinery of war, train them, and lead them

to victory. If he's good enough, the company can still be salvaged. But then again, he's never been good enough.
