

## The Frog Who Longed For The Moon To Smile A Story For Children Who Yearn For Someone They Love 2 Helping Children With Feelings

*Ribbit is a great, sword-wielding hero whose battles against evil are legendary in his small town of Lily Pad Hollow; at least in his mind he is. In reality, Ribbit is just a young frog with big dreams. When flies mysteriously stop coming to the Hollow, putting everyone in danger, Ribbit jumps at the opportunity to show just what he's made of. The only problem: no frog that has ever dared try to cross the cattail borders has ever returned. But that wasn't going to scare Ribbit away from fulfilling his dream of leaving the Hollow and returning a hero. His two best friends, Phinn and Croak, join him as he embarks on a thrilling adventure leaving his small town behind and traveling into the unknown. Along the way, the three frogs meet creatures beyond their wildest imagination and come face to face with an enemy more evil than any of Ribbit's imaginary foes. Will they be able to return the missing flies and live to tell the tale?*

*Feeling adventurous one day, a frog leaves her pond and sets out to visit the great sea she has heard so much about. Ponds are the most fabulous place for discovering all kinds of wonderful things! There are plants, insects, birds... and, of course, beautiful green frogs. Sometimes, one can even find fish, such as the flamboyant koi. But the koi has not always been king of the pond. There was a time when it was just an ordinary black-and-white fish. This was before Bekko, a young koi, fell in love with Matsou, the pretty frog. Here is a colourful love story like no other. The book was originally published in French and received excellent reviews: "One of the best French-Canadian children's books of the year." -- Magazine Protégez-vous (a consumer guide magazine) "A great book for the summer vacations. One of the top ten children's books of the summer. " --Journal de Montréal & Journal de Québec "A beautiful love story. I loved it! " -- Christine Michaud, TVA*

*"Touches and dazzles and entertains. An enchanting novel." --The New York Times In this moving, poignant novel by the bestselling author of Birds of America we share a grown woman's bittersweet nostalgia for the wildness of her youth. The summer Berie was fifteen, she and her best friend Sils had jobs at Storyland in upstate New York where Berie sold tickets to see the beautiful Sils portray Cinderella in a strapless evening gown. They spent their breaks smoking, joking, and gossiping. After work they followed their own reckless rules, teasing the fun out of small town life, sleeping in the family station wagon, and drinking borrowed liquor from old mayonnaise jars. But no matter how wild, they always managed to*

A man steals a device that is certain to make him wealthy but learns that a curse can be disguised as a blessing when he is told the story of the Rat and the Frog. It is an urban fantasy that involves adventure, time travel, parallel worlds and heroic love.

The Frog who Longed for the Moon to SmileA Story for Children who Yearn for Someone They LoveSpeechmark Publishing

This practical guidebook, with a beautifully-illustrated storybook, enables teachers, parents and professionals to help children aged 4-12 connect with unresolved feelings affecting their behaviour. Helping Children who Yearn for Someone They Love is a guidebook to help children who: are missing someone too much or suffer from separation anxiety are obsessed with their absent parent yearn for a parent who: has died; seems unreachable, although is right there is loving one minute and indifferent, cold or abusive the next They yearn because they have been taken into care, fostered or adopted. The Frog who Longed for the Moon to Smile features a story for children who yearn for someone they love. Frog is very much in love with the moon because she once smiled at him. So now he spends all his time dreaming about her. He waits and waits for her to smile at him again. One day a wise and friendly crow helps frog to see how he is wasting his life away. All the time he has been facing the place of very little, he's had his back to the place of plenty.

Surveying, land surveying, mapping, railroad location, railroad construction, track work, railroad structures

Pantologia

A Series of Textbooks for Persons Engaged in the Engineering Professions and Trades, Or for Those who Desire Information Concerning Them

The Elements of Railroad Engineering: Surveying. Land surveying. Mapping. Railroad location. Railroad construction. Track work. Railroad structures

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback! Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives--a wolf who HATES eating frogs--our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels--*I Don't Want to Be Big*, *There's Nothing to Do!*, and *I Don't Want to Go to Sleep*. ? "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers--or it might just make them giggle."--Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."--Kirkus "This amusing story ends with a laugh and a much more content frog."--School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."--Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."--Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction--for both the green hero and the many fans he'll make with this book."--Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."--The Bulletin of the Center for Children's Books

When Frog rescues the Prince's golf ball from her pond, she finally gets to realize her dream of being a princess, but she quickly discovers that being a princess isn't at all what she anticipated.

By Caldecott Medal winners Alvin Tresselt and Roger Duvoisin, *The Frog in the Well* is the charming tale of a brave frog who beats his fears and explores the world. Once upon a time there was a frog who lived at the bottom of a well. The well was the frog's whole world, until the day the well ran dry and the bugs began to disappear. What was happening to the world, the frog wondered, and what could he do? The hungry frog decided he must hop to the top of the well to see what he could of the end of the world. Conquering his fear, he peered out, and what did he see? Trees, flowers, meadows, marshes, and all kinds of end-of-the-world creatures! Entranced, the little frog ventured forth to find out more about the world outside his own. Based on a classic Chinese fable, and written and illustrated by the Caldecott-winning Alvin Tresselt and Roger Duvoisin, *The Frog in the Well* is a charming tale of one brave frog and his journey into wisdom.

Biomedical sciences professor Lisa Cuchara fell head-over-heels in love with frogs the first time she and her photographer husband Tom were invited to photograph a red-eyed tree frog. Before long, the couple was clearing out their space in their home for terrariums full of well-loved amphibians! As it turned out, Lisa's uncanny ability to put frogs at ease set the couple on a new creative path: producing whimsical frog portraits. Through patience, care—and plenty of snacks!—they have been able to achieve incredible images while keeping their animal friends totally content. In fact, some of their frogs now know that they will be fed after being taken out of their terrarium—so they sign to Lisa and Tom or smush their faces up to the glass, wanting to be photographed! Whether sitting quietly on a flower or humorously interacting with a carefully selected prop, these frogs are sure to bring a smile to the face of any animal lover.

A fable explaining how a staring contest left frogs with large eyes.

Presents all the 195 Yoga Sutras professed by the legendary Maharishi PATANJALI. He affirmed that Yoga is not only limited to Āsanas, but also aims at outer and inner purification; control and balance of the self; meditation and complete absorption. And finally union with the Self. Contains 4 Chapters: Samadhi; Sadhana; Vibhuti and Kaivalya. Comprises of all the 8 limbs of Ashtanga Yoga: 5 external and 3 internal, Yama; Niyama; Asana; Pranayama; Pratyahara; Dharana; Dhyana; and Samadhi. The book fully utilizes available technology to aid elaboration of the commentary on Yoga Sutras which are admittedly terse. Charts and tables as well as graphs and pictures adorn the book practically on every page so that the reader finds it helpful to enhance his understanding. Stories and quotations from the spiritual greats are added to widen comprehension. This then is a book that is truly unique in its presentation that would find ready acceptance by Yoga teachers and students alike all over the world. All those students and teachers of Yogasanas who wish to go beyond Asanas and aim at avoidance of mental modifications and the resultant stressful life would find this book a boon.

Lily Pad Hollow in Trouble

The Adventure of Fiona the Frog

Bulletin - American Railway Engineering Association

*Crawfish Frogs (Rana areolata) have been called the most secretive frog in North America, and it is unusual in the twenty-first century – in the most scientifically advanced country in the world – that basic discoveries can still be made on an animal that inhabits a quarter of the United States. This is not only a story of the biology of Crawfish Frogs, but a case study of discovery. This volume describes the life history and natural history critical to the survival of the endangered amphibian and recommends management actions to ensure persistence. The authors tell an optimistic conservation biology story and fill a gap between science and the public. The authors have compiled and summarized the peer-reviewed literature on the biology of Crawfish Frogs, which may be one of the most interesting frogs in North America (that nobody knows about). Key Features Recounts the story of an imperiled species and how to go about saving it Vividly brings science to life and makes it accessible Provides a popular account of natural history research and ecological fieldwork Related Titles D. ### *Where is the Frog?*

Caldecott Honor-winning team Steve Jenkins and Robin Page explore form, color, and pattern, and capture the very unique nature of frogs in this brilliantly illustrated picture book. Perfect for fans of *The Beetle Book*, and young readers looking for nonfiction about this perennially fascinating animal. Long legs, sticky tongues, big round eyes, and other dazzling features--what's not to love about frogs? In this magnificently illustrated picture book, Caldecott Honor-winning team Steve Jenkins and Robin Page explore one of the world's most diverse--and most threatened--animals. With more than 5,000 different frog species on the planet, in every color of the rainbow and a vast number of vivid patterns, no creatures are more fascinating to learn about or look at. Jenkins and Page present a stunning array of these intriguing amphibians and the many amazing adaptations they have made to survive.

"Og the Frog goes to summer camp with his best pal Humphrey, and has an exciting adventure in the wild"-- Provided by publisher.

The laughter never ends with *Oi Frog and Friends!* The board book edition of the bestselling rhyming story. Jam-packed with the silliest of animals, this will have the youngest of readers in fits of laughter! Cats sit on mats, hares sit on chairs, mules sit on stools and gophers sit on sofas. But Frog does not want to sit on a log. Jam-packed with animals and silliness, this original rhyming story is guaranteed to get children giggling! 'An absolute treat.' Daily Mail 'Hilarious.' Guardian 'The most outstanding children's book.' Jo Wiley, BBC Radio 2 Can't get enough? Look out for: *Oi Dog*, *Oi Cat*, *Oi Duck-billed Platypus*, *Oi Puppies* *Oi Frog and Friends* is a top ten bestselling series. Loved by children and parents, the books have won numerous awards, including the Laugh Out Loud Picture Book Award, and been shortlisted for many more!
