A Library Journal Best Book of 2014: Historical Fiction The amazing power and truth of the Rapunzel fairy tale comes alive for the first time in this breathtaking tale of desire, black magic and the redemptive power of love French novelist Charlotte-Rose de la Force has been banished from the court of Versailles by the Sun King, Louis XIV, after a series of scandalous love affairs. At the convent, she is comforted by an old nun, Sœur Seraphina, who tells her the tale of a young girl who, a hundred years earlier, is sold by her parents for a handful of bitter greens... After Margherita's father steals parsley from the walled garden of the courtesan Selena Leonelli, he is threatened with having both hands cut off, unless he and his wife relinquish their precious little girl. Selena is the famous red-haired muse of the artist Tiziano, first painted by him in 1512 and still inspiring him at the time of his death. She is at the center of Renaissance life in Venice, a world of beauty and danger, seduction and betrayal, love and superstition. Locked away in a tower, Margherita sings in the hope that someone will hear her. One day, a young man does. Award-winning author Kate Forsyth braids together the stories of Margherita, Selena, and Charlotte-Rose, the woman who penned Rapunzel as we now know it, to create what is a sumptuous historical novel, an enchanting fairy tale retelling, and a loving tribute to the imagination of one remarkable woman.

One of the great untold love stories - how the Grimm brothers discovered their famous fairy tales - filled with drama and passion, and taking place during the Napoleonic Wars. Growing up next door to the Grimm brothers in Hesse-Cassel, a small German kingdom, Dortchen Wild told Wilhelm some of the most powerful and compelling stories in the famous fairy tale collection. Dortchen first met the Grimm brothers in 1805, when she was twelve. One of six sisters, Dortchen lived in the medieval quarter of Cassel, a town famous for its grand royal palace, its colossal statue of Herkules, and a fairytale castle of turrets and spires built as a love nest for the Prince-Elector's mistress. Dortchen was the same age as Lotte Grimm and the two became best friends. In 1806, Hesse-Cassel was invaded by the French. Napoleon created a new Kingdom of Westphalia, under the rule of his dissolute young brother Jérôme. The Grimm brothers began collecting fairy tales that year, wanting to save the old stories told in spinning-circles and by the fire from the domination of French culture. Dortchen's father was cruel and autocratic, and he beat and abused her. He frowned on the friendship between his daughters and the poverty-stricken Grimm Brothers. Dortchen had to meet Wilhelm in secret to tell him her stories. All the other sisters married and moved away, but Dortchen had to stay home and care for her sick parents. Even after the death of her father, Dortchen and Wilhelm could not marry - the Grimm brothers were so poor they were surviving on a single meal a day. After the overthrow of Napoleon and the eventual success of the fairy tale collection, Dortchen and Wilhelm were at last able to marry. They lived happily ever after with Wilhelm's elder brother Jakob for the rest of their lives.

A damaged family and their generations of dangerous secrets At twenty, Sara is tormented by terror so profound she hasn't left her home in five years. Like the mermaid in the fairytale her Spanish grandmother once told her, Sara imagines she is dancing on knives. She feels suffocated by her family, especially her father – the famous artist Augusto Sanchez - whose volcanic passions dominate their lives. Then one stormy night, her father does not come home. His body is found dangling from a cliff face. Astonishingly, he is still alive, but the mystery of his fall can only be solved by the revelation of long-held family secrets. At once a suspenseful murder mystery and a lyrical love story, Dancing on Knives is about how family can constrict and liberate us, how art can be both joyous and destructive, and how strength can be found in the unlikeliest places.
