ABOUT THIS BOOK: This book is written to show how God uses faithful people who lived on the earth and then died and was resurrected or was translated without tasting death as His Angels and messengers to accomplish His purposes. Such was the case with Noah who became the Angel Gabriel and was sent to deliver messages to Daniel, Zacharias and Mary, the mother of Jesus. This book is also written to show that Ancient Prophets who held special keys, authority and power on earth and in heaven was chosen to come back to earth and confer and restore those keys and power to servants of God in these latter days. That this is the dispensation of the fullness of times preparing the world for the Second Coming of Jesus Christ.

Wirt Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing.

Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading Angel Medicine.

Understanding chakras is an effective first step in harnessing every human being's hidden life-changing energies and employing inner powers for spiritual and physical healing. The word chakra originated with the Vedic teachings of ancient India. It comes from the Sanskrit word for "wheel of light," and denotes the energy centers that exist in every man and woman. The Book of Chakras explores the nature of these energy sources, explains where they dwell in each of us, and instructs on how to use them. The author identifies seven energy centers in the human body. The Root Chakra, located in the lower torso, anchors us in life. From that point on the rising ladder of love and healing, we become aware of the Sacral Chakra, the Solar Plexus Chakra, the Heart Chakra, the Throat Chakra, the Brow or Third Eye Chakra, and the Crown Chakra. The last, the Crown Chakra, located in the head, is the most refined and spiritual center in the human energy system. Chakra teachings describe seven bodies that make up every person's aura. They are the Physical, Etheric, Astral, Mental, Divine, Spiritual, and Soul bodies. Chakra teachings say that each of these bodies vibrates in ways that are allied to the colors of the universe. However, only one of these bodies, the Physical, is visible. When we understand these bodies in detail, we become able to correct chakra imbalances and harness our powers for peaceful and productive living. The author advises on ways of restoring balances, healing through the power of thought, and employing colors, sounds, crystals, acupuncture, and other means. More than 300 color illustrations.

The Blueprint introduces an advanced spiritual system that has been dormant for thousands of years. In 1994 a high Angel, a Seraph, began initiating Ruth Rendely into this long-forgotten teaching. She shares the amazing experience of that first of many meetings, when he tells her that she is to bring out an ancient healing modality that existed in Atlantean times. The Angel then proves the power of the system by transmitting healing energies into her in six-minute installations. These energies sing through her body, fixing minor pains, and leaving her exhilarated. He tells her that these energies are now available to be accessed effortlessly by anyone for their own benefit or the healing of others. RUTH RENDELY Gifted with the Seraphim Blueprint, spiritual teacher, intuitive healer, anchor on angels, she has taught thousands how to explore their own divinity. ACCLAIM FOR SERAPHIM BLUEPRINT I enthusiastically endorse this book. It is not just a book, it is a journey into life. Through my experience in medicine, I have come to realize that there is more to life than contemporary science can explain, and that is the human soul. Ms. Ruth Rendely has proven this to be right. She has explained her life journey in a way that all of us can relate to, and, more importantly, through her knowledge and experience, she has given hope, belief, and love. I am truly impressed with her God-given talent, and her way to express it so that we all can understand and appreciate it. -Adrian, Bocirnea, M.D. I'm thrilled to see that Ruth Rendely is helping people to make contact, and to work more intimately, with their companion angels. Nothing could be more important at this key point in the evolution of both species. When humanity moves, individual by individual, to fulfill its true destiny, it will be with our angels at our sides. This is an ancient promise and it is coming about in our lifetimes. May those with ears, hear. -Timothy WJllice, co-author Ask Your Angels This book is a simple story of how one woman opened to the angels and then began to share what she learned with others. Slowly, as you read her tale, you will find shifts happening to you as well. Subtle is the technology of angels, not like knives or guns or bombs. It's a soft technology, and yet it's a powerful one. -Andrew Ramer, co-author Ask Your Angels From the Foreword Seraphim Blueprint is a fascinating account of one woman's journey as she develops the power of healing by explicitly following the guidance of angels. Rendely provides a must-read book for anyone who believes in the power of angels to help guide us into becoming our best selves. -Randy Pseyser, author The Mind, Body, Spirit Speaker's Guide
