Let Yahshua Rock Your World

A Vocabulary of Jewish Spiritual Life

Judaism itself is a language, a group's way of expressing beliefs, longings, aspirations and

dreams. The vocabulary of Jewish life is the framework that Jews use to hand their past down to their children. It is, also, the vocabulary that people of other faiths need to know to understand Judaism and Jewish life. In this revised edition of the ultimate Jewish primer, one of the greatest spiritual teachers of our time takes readers on a historical and spiritual journey through Judaism.

This innovative textbook by two leading experts in Biblical Hebrew combines the best of traditional grammars, new insights into Hebrew linguistics, and a creative pedagogical approach. The material has been field tested and refined for more than a decade by the authors, who are actively engaged in Biblical Hebrew discussions and research. The book includes fifty brief grammar lessons with accompanying workbook-style exercises, appendixes providing more detailed explanations, and a full-color reader--bound at the back of the book for right-to-left reading--that incorporates comics, line drawings, and numerous exercises, all in Hebrew. This work offers a realistic approach to beginning Hebrew, helping students comprehend texts without overloading them with too much information, and it can be adapted to either one-semester or full-year courses. An accompanying website through Baker Academic's Textbook eSources offers helpful resources for students and professors. Resources for students include flash

cards and audio files. Resources for professors include sample quizzes, sample exams, sample lesson plans, vocabulary cards, and a full-color printed instructor's manual.

This Torah-based book will help clarify your understanding of the Messiah's Truth from a Hebraic perspective.

An Introduction to Hebrew for Adults

A Language Course

The Routledge Introductory Course in Biblical Hebrew provides a comprehensive introduction to Biblical Hebrew language and texts. Combining a fresh and innovative approach with an in-depth treatment of the language, it presents the essentials of biblical grammar and vocabulary in an engaging and systematic way. Unlike other Biblical Hebrew courses, it is structured around a series of vibrant and memorable stories, with each story reinforced by grammar explanations, supportive exercises, and a concluding genuine biblical text. This coherent focus encourages students to engage with the text actively and facilitate their mastery of the language to the full. Features

include: Forty units covering all the topics expected in a first-year Biblical Hebrew course, including the Hebrew writing system, pointing rules, nouns and adjectives, parsing, mastery of strong and weak verb paradigms and full attention to syntax Clear and detailed grammar explanations supported by plentiful examples An extensive assortment of varied and stimulating exercises designed to reinforce new grammar and develop students' ability to use Biblical Hebrew actively Incorporation of a wide range of genuine biblical texts to familiarise students with the main biblical narrative cycles and to equip them with the ability to read authentic material from the earliest stages of learning A free companion website (www.routledge.com/cw/kahn) offering a wealth of additional instructor and student resources, including many extra exercises and biblical texts, flashcards to test knowledge, a vocabulary guide listing words by part of speech, a full answer key, translations of all the stories and biblical texts, a sample syllabus, coursework assignments covering the entire contents of the course and audio recordings of the stories and biblical texts Coherent chapter

organisation to consolidate and reinforce learning consistently at each step of the course Grammar summary, two-way glossary and subject index presented at the back of the book for easy access A user-friendly text design with original illustrations and clear presentation of the Hebrew script Written by an experienced instructor and extensively trialed at UCL, The Routledge Introductory Course in Biblical Hebrew will be an essential resource for all students beginning to learn Biblical Hebrew.

Role in Jewish tradition, text, and prayer
Are you awed by the smell of flowers or the busy buzz of the bees? Are you awed by the all of the snow or the rustle of the trees? In The Book of Awe, readers are reminded to take a minute and see the beauty in the everyday things around them.

Hebrew and Heritage

This book unilizes over 20 years of effective teaching experience to craft a fun and engaging modern Hebrew board book with a keen sensitivity to the different learning styles of all ages.

A sophisticated level of reading readiness instruction - letter recognition and gentle introduction to the vowels!

Achieving the right balance of amount of

information, style of presentation, and depth of instruction in first-year grammars is no easy task. But Mark Futato has produced a grammar that, after years of testing in a number of institutions, will please many, with its concise, clear, and well-thought-out presentation of Biblical Hebrew. Because the teaching of biblical languages is in decline in many seminaries and universities, Futato takes pains to measure the amount of information presented in each chapter in a way that makes the quantity digestible, without sacrificing information that is important to retain. The book includes exercises that are drawn largely from the Hebrew Bible itself. Fourth printing, 2012.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Lessons and games to teach the reader Hebrew. This book is designed in a simple, straightforward way to teach you this ancient language. In thirty lessons, you will be given enough information and

practice to enable you, with the aid of a Hebrew-English dictionary, to understand most biblical texts. As you progress through vocabulary, exercises, and grammar, you will discover and delight in the clear, strong rhythms of original Hebrew -- a joy unattainable through reading even the best translations.

These Are the Words

What does it mean to be Jew(ish) in 2020? Caught between tradition and modernity, between a Jewish family and a non-Jewish son, Matt Greene ponders the big questions concerning identity, religion, family and Seinfeld. When his son was born to a non-Jewish mother, Matt began to consider the upbringing he'd put behind him--the sense of not belonging, the forbidden foods, the holidays that felt more like punishments. There are more types of Jew than there are bagel fillings, and for every two there are three opinions. But if you're not a black-hatted frummer, if you're allergic to groups, if you observe but don't believe, or you don't observe at all, does that make you less Jewish? In this wide-ranging series of essays, at turns irreverent, insightful, urgent and iconoclastic, Matt considers what might loosely be termed

'the modern Jewish experience', and asks what it means to be anything in a world obsessed with the self and the other. Hebrew alef-bet poster available with the purchase of this teacher's guide

The Assyrian and Hebrew Hymns of Praise

A Preteen Primer to the Facts of Life

Having “the talk” can sometimes be an awkward experience for both parent and child. Even so, I didn’t want to wait until my children’s hormones kicked in, and I didn’t want to be caught off guard when they had questions, but most of all, I didn’t want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren’t good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The

simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range.

An essential tool for those using the Brown, Driver & Briggs Hebrew Lexicon, it helps you to quickly and easily find the right Hebrew word and discussion.

This index lists in consonantal form every Hebrew word in the BDB, gives its general meaning, and notes the location of the entry in the Lexicon.
