

## The Helena Diaries Trouble In Mudbug Ghost In Law Mystery Romance

*Strong, sassy, always surprising—and titled after a Saturday Night Live “Weekend Update” monologue by Tina Fey—Bitch Is the New Black is a deliciously addictive memoir-in-essays in which Helena Andrews goes from being the daughter of the town lesbian to a hot-shot political reporter... all while trying to answer the question, “can a strong, single, and successful black woman ever find love?” Fans of Sloane Crosley (I Was Told There’d Be Cake) will love the bold and brassy Bitch Is the New Black.*

*‘Engaging, revealing, at times simply astonishing: Anne Lister’s diaries are an indispensable read for anyone interested in the history of gender, sexuality, and the intimate lives of women’ SARAH WATERS ‘The Lister diaries are the Dead Sea Scrolls of lesbian history; they changed everything. By resurrecting them and editing them with such loving attention and intelligence, Helena Whitbread has earned the gratitude of a whole generation’ EMMA DONOGHUE When this volume of Anne Lister’s diaries was first published in 1988, it was hailed as a vital piece of lost lesbian history. The editor, Helena Whitbread, had spent years painstakingly researching and transcribing Lister’s extensive journals, much of which were written in an elaborate code - what Lister called her ‘crypthand’, which allowed her to record her life in intimate, and at times, explicit, detail. Until then, Anne Lister’s lesbianism had been suppressed or hinted at; this was the first time her story had been told. Anne Lister defied the role of nineteenth-century womanhood: she was bold, fiercely independent, a landowner, industrialist, traveller and lesbian - a woman who lived her life on her own terms. [Anne Lister’s] sense of self, and self-awareness, is what makes her modern to us. She was a woman exercising conscious choice. She controlled her cash and her body. At a time when women had to marry, or be looked after by a male relative, and when all their property on marriage passed to their husband, Anne Lister not only dodged the traps of being female, she set up a liaison with another woman that enhanced her own wealth and left both of them free to live as they wished . . . The diaries gave me courage’ JEANETTE WINTERSON These diaries include the years 1816-1824. The second volume, continuing Anne’s story, THE SECRET DIARIES OF MISS ANNE LISTER: NO PRIEST BUT LOVE, is now available.*

*Welcome to Everlasting, Maine, where there’s no such thing as normal. Meteorologist Zoe Parker put Everlasting in her rearview mirror as soon as she had her college degree in hand. But when Sapphire, her eccentric great-aunt, takes a tumble down the stairs in her lighthouse home, Zoe returns to the tiny fishing hamlet to look after her. Zoe has barely crossed the county line when strange things start happening with the weather, and she discovers Sapphire’s fall was no accident. Someone is searching the lighthouse but Sapphire has no idea what they’re looking for. Determined to ensure her aunt’s ongoing safety, Zoe promises to expose the intruders, even though it means staying in Everlasting and confronting the past she thought she’d put behind her. Dane Stanton never expected to see Zoe standing in the middle of her aunt’s living room, and was even more unprepared for the flood of emotion he experiences when coming face to face with his old flame. Zoe is just as independent and determined as he remembered, and Dane knows she won’t rest until Sapphire can return to the lighthouse in peace, so he offers to help her sort things out. Armed with old legends, Sapphire’s ten cats, and a talking ghost, Zoe has to reconcile her feelings for Dane and embrace her destiny before it’s too late.*

*“One may take delight in what is here: the souvenir of an unabashed and often triumphant erotic life . . . Rediscovered after nearly two hundred years, the story of [Anne Lister’s] desire--and of the comic, gallant ways in which she satisfied it--seems especially poignant . . . What Lister’s diary suggests is that . . . the passion women find together has always existed, and we have only now begun to uncover its remarkable, lyrical history.” —The Women’s Review of Books “An interesting historical record, edited with great sensitivity . . . [Lister] reveals her lesbian affairs with remarkable honesty, offering a rare insight into the mores of the time.”*

*—Sunday Independent “As a document of one woman’s revolt against convention and as a celebration of love between women, this is an uplifting book.” —The Independent Upon publication, the first volume of Anne Lister’s diaries, I Know My Own Heart, met with celebration, delight, and some skepticism. How could an upper class Englishwoman, in the first half of the nineteenth century, fulfill her emotional and sexual needs when her sexual orientation was toward other women? How did an aristocratic lesbian manage to balance sexual fulfillment with social acceptability? Helena Whitbread, the editor of these diaries, here allows us an inside look at the long-running love affair between Anne Lister and Marianna Lawton, an affair complicated by Anne’s infatuation with Maria Barlow. Anne travels to Paris where she discovers a new love interest that conflicts with her developing social aspirations. For the first time, she begins to question the nature of her identity and the various roles female lovers may play in the life of a gentrywoman. Though unequipped with a lesbian vocabulary with which to describe her erotic life, her emotional conflicts are contemporary enough to speak to us all. This book will satisfy the curiosity of the many who became acquainted with Lister through I Know My Own Heart and are eager to learn more about her revealing life and what it suggests about the history of sexuality.*

Women’s Diaries as Narrative in the Nineteenth-Century Novel

The Diary

The Secret Diaries Of Miss Anne Lister: Vol. 1

Resurrection in Mudbug

An Autobiography

New York Times and USA Today bestselling author Jane DeLeon brings you the sixth book in the New York Times bestselling Ghost-in-Law series. Jadyn St. James hopes that the two-week quiet period in Mudbug means things in the small bayou town were back to normal...whatever that is. But when a fisherman finds a sunken shrimp boat, and the boat captain is missing, Jadyn wonders if the damage to the boat was caused by a storm, or if something far more nefarious happened. Colt Bertrand has been fighting his attraction to the sexy game warden since he first laid eyes on her. Once more, their jobs have forced them together, but when a stalker sets his sights on Jadyn, Colt’s emotions launch into overdrive. Can he protect the bayou beauty and also protect his heart? Chaos in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the sixth book in the New York Times bestselling Ghost-in-Law series. Chaos in Mudbug has a cozy mystery feel and features a strong heroine, a sexy hero, and a ghost unlike any you’ve ever heard of. It appeals to fans of light paranormal, paranormal romance, cozy mysteries, romantic comedy, and also to fans of the Stephanie Plum series by Janet Evanovich. "Southern wit at its best!" - NYT Bestselling

author Gemma Halliday "Sinfully funny!" - NYT Bestselling author CC Hunter/Christie Craig " DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story. New York Times and USA Today bestselling author Jana DeLeon brings you the third book in the Ghost-in-Law series. Family can be the death of you..... Who killed Helena Henry? The shorter list may be who didn ' t want her dead. Psychic Raissa Bordeaux thought she ' d left her former life behind, hidden away in her eclectic shop in the French Quarter. But when a child is kidnapped and Helena Henry appears, Raissa risks her true identity by offering the police help with the case. New Orleans Detective Zach Blanchard doesn ' t believe in psychic hooey and is certain Raissa didn ' t get her facts about the case from a crystal ball. He suspects her of something besides being the most intriguing and attractive woman he ' s ever come across. But when Raissa ' s secrets put her in danger, can Zach convince her to trust him with the truth before it ' s too late? Showdown in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the third book in the New York Times bestselling Ghost-in-Law series. Showdown in Mudbug has a cozy mystery feel and features a strong heroine turned amateur sleuth, a sexy hero, and a ghost unlike any you ' ve ever heard of. It appeals to fans of light paranormal, paranormal romance, cozy mysteries and also to fans of the Stephanie Plum series by Janet Evanovich. From New York Times and USA Today bestselling author Jana DeLeon, the fourth book in the bestselling Miss Fortune series. What ' s a little arson between friends? Undercover CIA agent Fortune Redding spent her first three weeks in Sinful, Louisiana dodging insults, makeup advice, guard dogs, bullets, and Deputy Carter Trahan, both professionally and personally. But just when she thinks things are going to settle down in the small bayou town, someone sets her friend Ally ' s house on fire. Carter, who ' d just started pursuing Fortune on a personal basis, goes back into cop mode and admonishes her to stay out of his investigation. This time, he swears he won ' t issue any warning before arresting her. But with her friend ' s safety hanging in the balance, Fortune can ' t resist taking matters into her own hands and calls on her partners in crime fighting, Ida Belle and Gertie, to help. This is a mission for Swamp Team 3. Swamp Team 3 is a humorous mystery set in the bayous of southern Louisiana. It has a cozy mystery feel and features a strong woman sleuth in a fish-out-of-water storyline. Swamp Team 3 is the fourth in the Miss Fortune series and appeals to readers of the Stephanie Plum series by Janet Evanovich. Step into the universe of the massively popular adventure game Star Stable, and follow four friends who discover their magic powers and learn that every girl can be a hero in this fantasy trilogy. Soul Riders tells the heroic tale of four young girls who have been chosen by destiny to save the world from the ancient demon: Garnok and his band of dangerous Dark Riders. Lisa is a teenage girl who is still coming to terms with the tragic loss of her mother in a riding accident and has sworn never to go near a horse again until she met Starshine, a mysterious blue-maned steed who comes to her in dreams. New on the island of Jorvik, Lisa befriends Alex, Linda, and Anne. Under the guidance of mystical druids, they discover they each have a special bond to their horses that gives them magical powers. While trying to balance school, family, and friendships they have to figure out what it means to be a Soul Rider. They are attacked by the Dark Riders and the mysterious Mr. Sands discover that their horses are in danger. Instead of relying on their combined strength, they decide to split up on their quest to find answers and learn to fight back against their enemies. However, will it be too late before they realize their mistake? Jorvik Calling is the first installment in the epic, fantasy trilogy, Soul Riders, about magic, friendship, and horses bound to thrill all young equestrian fans.

No Priest But Love

Memories and Impressions of Helena Modjeska

Napoleon's Last Island

The Diaries of Anne Lister, 1791-1840

Trouble in Mudbug

Soul Riders (Book 1)

*The Rose Gardner Series and the Ghost-in-Law Series combine to bring you a rollicking round of holiday fun! Rose Gardner and Neely Kate Colson are thrilled with Mason's early present to Rose—a trip for the two of them to New Orleans for shopping, great food, and awesome seats to Wicked. Neely Kate plans to use the opportunity to visit a psychic and find out once and for all what*

her paranormal ability is. But when the psychic is murdered, and Neely Kate and Rose were the last people to see her alive, they find themselves the main suspects in a Christmas killing. Taylor Beaumont has exhausted all resources in trying to figure out her new ghostly roommate, Helena. Seeing a psychic is the last resort. Taylor hoped for answers about Helena's worldly existence but, instead, finds herself embroiled on the wrong side of a murder investigation. Seeing no other option, Taylor and Helena combine forces with Rose and Neely Kate to clear their names. But can they solve the mystery in time to save Christmas?

Just when you thought it was safe to go back into the bayou... Jadyn St. James is excited to start her job as game warden in Mudbug, Louisiana, and hopes it is the beginning of a new and improved life. She expected to run across any number of odd occurrences in the small bayou town, but she never thought her life would be in danger within a matter of days. And that's not even the worst thing. Helena Henry was hell on wheels—both alive and dead—when she resided in Mudbug, and a year in heaven hasn't improved her one bit. Now, she's back and has brought trouble with her. When it becomes apparent that a major crime is occurring in Mudbug, Colt Bertrand is more than frustrated to be saddled with an inexperienced game warden, especially one who looks like Jadyn. But it soon becomes apparent that they need to put their differences aside if they expect to solve the crime, and more importantly, stay alive.

Simone has just started secondary school and has agreed to help a student teacher with his research by filling in questionnaires and keeping a diary about all her experiences. In true Simone style she sometimes finds herself writing not only about school but also about her interesting, and very funny, life outside school too. Ideal for fans of Jacqueline Wilson's 'I Warmed to Simone and her realistic approach to life - she's Adrian Mole without the angst.' School Librarian

At its height, the Napoleonic Empire spanned much of mainland Europe. Feted and feared by millions of citizens, Napoleon was the most powerful and famous man of his age. But following his defeat at the Battle of Waterloo the future of the one-time Emperor of France seemed irredeemably bleak. How did the brilliant tactician cope with being at the mercy of his captors? How did he react to a life in exile on St Helena - and how did the other inhabitants of that isolated and impregnable island respond to his presence there? And what tactics did he develop to preserve his legacy in such drastically reduced circumstances? Tracing events from the dramatic defeat at Waterloo to his death six years later, this is the first modern comprehensive account of the last phase of Napoleon's life. Drawing on many previously overlooked journals and letters, Brian Unwin has pieced together a remarkably vivid account of Napoleon's final years which also offers fresh insights into the character of this giant of European history. Through his initial flight from the battlefield and his journey into exile on St Helena, Napoleon refused to accept that he would not be allowed to return to somewhere in Europe or even America. He railed against every aspect of his imprisonment and conspired to make life as difficult as possible for his unfortunate jailer, Hudson Lowe, whose impossible situation is sympathetically described here. Confined with him in the damp and confined Longwood House, life was also uncomfortable for those loyal companions who chose to journey with him into exile.

Unsurprisingly for such a man of action, Napoleon bitterly resented being under constant supervision when he ventured outside his house and suffered acutely from boredom as much as from his physical ailments. Contrary to the strict wishes of the English he refused to accept any diminution in his status: 'Je ne suis pas le General Bonaparte, je suis L'Empereur Napoleon.' But gradually Napoleon came to think less about escape and more about how he would be remembered by future generations, spending hour after hour dictating the story of his campaigns to Count Las Cases, the companion who had travelled with him chiefly to act as his amanuensis. *Terrible Exile* brilliantly evokes the claustrophobic atmosphere of life on St Helena, offering a colourful and original history of the period as well as a persuasive psychological portrait of a great man in reduced circumstances. It will be essential reading for anyone with an interest in Napoleonic history and is an important addition to our understanding of the subject.

Jorvik Calling

*The St Helena Diary of Barry O'Meara*

*Old Diary Leaves*

*The Absolutely True Diary of a Part-Time Indian*

*The Squirrel Diaries*

Originally published in 1942 under the title *Minha Vida de Menina*—Portuguese meaning “My Life as a Little Girl or “Young Girl”—this book is a diary that was kept by the author, Helena Morley (pseudonym of Alice Dayrell Caldeira Brant), when she was between the ages of twelve and fifteen (1893-1895), and living in Diamantina, a small diamond mining town in southeastern Brazil. The little girl describes her homework, her love of parades and dresses, her father who could scarcely make a living in the mines, and her most beloved grandmother. The diary was admired by French Novelist Georges Bernanos, and in 1957, award-winning American poet and writer Elizabeth Bishop, then resident in Brazil, translated it into English as *The Diary of Helena Morley*. “The more I read the book [*Minha Vida de Menina*] the better I liked it. The scenes and events it described were odd, remote, and long ago, and yet fresh, sad, funny, and eternally true. The longer I stayed on in Brazil the more Brazilian the book seemed, yet much

of it could have happened in any small provincial town or village, and at almost any period of history—at least before the arrival of the automobile and the moving-picture theatre.”—Elizabeth Bishop

A fascinating glimpse into the mind of Napoleon in exile – his opinions on love and war, his reflections on the most important events of his life – by one of his closest confidantes In 1815, the young Dublin doctor Barry O’Meara accepted the opportunity of a lifetime to look after Napoleon Bonaparte in his banishment on St Helena. In one of the most isolated places on earth, doctor and patient became intimate friends. The core of Napoleon’s Doctor is the diary O’Meara kept, at Napoleon’s suggestion, while on St Helena. He records in lively detail many hours of Napoleon’s conversation, ranging from his views on class, religion and slavery to his love for Josephine and why Waterloo was lost. Napoleon was only fifty-one when he died on St Helena. This book ends with a detailed solution to a mystery that has plagued historians: was he poisoned by his British jailers?

It's curious how one woman can haunt a man... Ten years as a high-stakes jewel thief should have helped me forget Sophie Huntington Ramsey. But no matter how far I traveled, she was never far from my thoughts. Her earthy sensuality. Her wild passion. For ten long years, my memory of our one forbidden night together burned as hot as the encounter itself. The thought of her betrayal with my oldest, dearest friend blazed even hotter. Imagine my surprise when I heard of Sophie's widowhood—and that her husband the Duke of Mulford, named me guardian of her young son! Imagine my shock when I learned that Sophie might have had a hand in her husband's untimely death. It seems that fate has brought Sophie and me together once again. When I return to England to claim my role as guardian, I also vow to win back Sophie's heart. I will slowly seduce her until she is weak with wanting. And when I've had my fill of her, I will expose her as a murderess. Sophie Huntington Ramsey, the Duchess of Mulford, is about to get something she never bargained for... —From the Memoirs of Grant Chandler

Using private diary writing as her model, Catherine Delafield investigates the cultural significance of nineteenth-century women's writing and reading practices. Beginning with an examination of non-fictional diaries and the practice of diary-writing, she assesses the interaction between the fictional diary and other forms of literary production such as epistolary narrative, the periodical, the factual document and sensation fiction. The discrepancies between the private diary and its use as a narrative device are explored through the writings of Frances Burney, Elizabeth Gaskell, Anne Brontë, Dinah Craik, Wilkie Collins and Bram Stoker. The ideological function of the diary, Delafield suggests, produces a conflict in fictional narrative between that diary's received use as a domestic and spiritual record and its authority as a life-writing opportunity for women. Delafield considers women as writers, readers, and subjects and contextualizes her analysis within nineteenth-century reading practice. She demonstrates ways in which women could become performers of their own story through a narrative method which was authorized by their femininity and at the same time allowed them to challenge the myth of domestic womanhood.

From New York Times and USA Today bestselling author Jana DeLeon, the third book in the Miss Fortune Mystery series.

When only a crack shot will do... In the two weeks CIA assassin Fortune Redding has been hiding in Sinful, Louisiana, she's

been harassed, poisoned, and shot at...and that was the easy part. But now, she's about to face her biggest challenge since

setting foot in the tiny bayou town. When mayoral candidate Ted Williams is murdered, everyone is surprised. Ted was a

blowhole and a Yankee, but those usually weren't good reasons to kill someone. When Sinful Ladies Society leader Ida Belle

becomes the lead suspect in the crime, Fortune knows she's got to solve a murder and save one of the only friends she's ever

had. But as the investigation begins, more and more secrets surface, and Fortune realizes that sometimes nothing is as it

seems. Swamp Sniper is a humorous mystery set in the bayous of southern Louisiana. It has a cozy mystery feel and features a

strong woman sleuth in a fish-out-of-water storyline. Swamp Sniper is the third book in the Miss Fortune series and appeals to

readers of the Stephanie Plum series by Janet Evanovich. Praise for Jana DeLeon: "DeLeon is excellent at weaving comedy,

• NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal •

Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor

Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became

one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today,

though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets

of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene

mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked

grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists

investigating HeLa began using her husband and children in research without informed consent. And though the cells had

launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As

Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark

history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff

we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks

family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had

they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health

insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures

the beauty and drama of scientific discovery, as well as its human consequences.

From New York Times and USA Today bestselling author, Jana DeLeon, the fourth book in the Ghost-in-Law series,

RESURRECTION IN MUDBUG, aka *The Return of Helena Henry!* Just when you thought it was safe to go back into the bayou...

The Epic of Everyday Life

The Duchess Diaries

A Memoir

Swamp Team 3

Now that academics are required to be teachers, managers, media catalyzers, analysts, fundraisers, and social media animals: How do you strike a good balance between what is expected from you and what you want to do? What conferences to attend? How to find the money to go there? Is it worth it to act as a peer reviewer? What publishers are best to target? Is publishing a chapter in an edited book worth the work? This book is intended to help scholars to design and think strategically about their own career. Beginning with "How to get published in good journals," it explores a number of questions that most academics encounter at various stages of their careers.

**WARNING:** This novella is a companion book to TROUBLE IN MUDBUG. You should not read this novella prior to completing Trouble in Mudbug. The novella contains major spoilers for the novel and would not make sense if read beforehand. Do you love Helena Henry? Did you wonder what she was thinking during Trouble in Mudbug, or what she was up to when she was off-page in the novel? If so, then this novella is for you. All of Helena's thoughts and actions during Trouble in Mudbug, compiled in a diary for you to enjoy.

Reveals a hidden history of women's suffrage from the perspectives of working-class women employed as domestic servants.

A stunningly illustrated graphic novel about feeling vulnerable and struggling to meet expectations, and about friendship and the power of the imagination. Almost every day, Adrian goes to school with knots in his stomach. He feels different from the other children, and alone. Whenever the teacher calls on him, his heart starts to pound and time stops. But he finds respite in his rich imagination — a world full of color and joy in which he is a circus performer, capable of spectacular feats. One day Adrian encounters a huge wolfhound that seems to be lost. He names her Heidi, takes her home, and soon the two of them are inseparable. Heidi's comforting presence provides friendship and tranquility, and even enables Adrian to read aloud in front of the class. This brief period of happiness ends when Heidi is reunited with her owner and Adrian finds himself alone again ... until a chance meeting leads to a heartwarming discovery. A Cozy Paranormal Mystery

The Journals of Anne Lister From 1824-1826

Bitch Is the New Black

Simone's Diary

Dead Man Talking

Napoleon's Doctor

*The bestselling author of Schindler's List and The Daughters of Mars returns with a remarkable novel about the friendship between a quick-witted young woman and one of history's most intriguing figures, Napoleon Bonaparte, during the final years of his life in exile on St. Helena—hailed by the New York Times Book Review as "insightful and nimble...consistently fresh and engaging...call[ing] to mind the giants of 19th century fiction." In October 1815, after losing the Battle of Waterloo, Napoleon Bonaparte was banished to the island of Saint Helena. There, in one of the most remote places on earth, he lived out the final six years of his life. On this lonely island with no chance of escape, he found an unexpected ally: a spirited British girl named Betsy Balcombe who lived on the island with her family. While Napoleon waited for his own accommodations to be built, the Balcombe family played host to the infamous exile, a decision that would have devastating consequences for them all. In Napoleon's Last Island, "master of character development and period detail" (Kirkus Reviews) Thomas Keneally recreates Betsy's powerful and complex friendship with the man dubbed The Great Ogre, her enmities and alliances with his remaining courtiers, and her dramatic coming-of-age. Bringing a shadowy period of history to life with a brilliant attention to detail, Keneally tells the untold story of one of Europe's most enigmatic, charismatic, and important figures, and the ordinary British family who dared to forge a connection with him.*

*A well-traveled rogue, Grant Chandler is reunited with the one woman he cannot forget when he takes on the unlikely role of guardian to the young son of the beautiful widow Sophie, Duchess of Mulford. Original.*

*New York Times and USA Today bestselling author Jana DeLeon brings you the second book in the Ghost-in-Law series. Family can be the death of you.... Sabine LaVeche needs to locate a blood relative fast - her life depends on it. Then Helena Henry shows up offering to help, and Sabine knows she's really in trouble when it's the best idea she's heard in a while. When private investigator Beau Villeneuve takes on Sabine's case, things heat up*

*in more ways than one, and Sabine struggles to balance thoughts of a life with Beau against her chances of living at all. As the investigation proceeds, they begin to uncover the secrets of Sabine's past and one thing becomes clear - someone doesn't want Sabine to get the answers she seeks. Mischief in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the second book in the New York Times bestselling Ghost-in-Law series. *Upon publication, the first volume of Anne Lister's diaries, I Know My Own Heart, met with celebration, delight, and some skepticism. How could an upper class Englishwoman, in the first half of the nineteenth century, fulfill her emotional and sexual needs when her sexual orientation was toward other women? How did an aristocratic lesbian manage to balance sexual fulfillment with social acceptability? Helena Whitbread, the editor of these diaries, here allows us an inside look at the long-running love affair between Anne Lister and Marianna Lawton, an affair complicated by Anne's infatuation with Maria Barlow. Anne travels to Paris where she discovers a new love interest that conflicts with her developing social aspirations. For the first time, she begins to question the nature of her identity and the various roles female lovers may play in the life of a gentrywoman. Though unequipped with a lesbian vocabulary with which to describe her erotic life, her emotional conflicts are contemporary enough to speak to us all. This book will satisfy the curiosity of the many who became acquainted with Lister through I Know My Own Heart and are eager to learn more about her revealing life and what it suggests about the history of sexuality.*

When Jerome K Jerome and his friend decide to attend the Oberammergau Passion Play, an Easter pageant that is performed in Oberlin, Germany once every decade, they turn the trip into a vacation. From London to Germany, the pair plan a cross-continent trip, excited to sight-see and experience different cultures. However, the friends run into complications before they even take off, unsure what to pack. While they sort through contradicting advice from others, the pair decide if it would be worse to take more than they need, or less. After they defeat their relatable packing struggle, they finally embark on their journey. The men encounter even more troubles, as they struggle to find directions, board the train, and overcome cultural barriers. However, through unfamiliar foods, strange beds, and misunderstandings, it is impossible to miscommunicate the gorgeous landmarks they encounter, including the Cologne Cathedral and the Rhine river. Their vacation may not go as planned, but it most certainly will be memorable! Featuring misadventures, iconic settings, and admirable friendship, Jerome K. Jerome's Diary of a Pilgrimage is a genius work of comedic nonfiction. Written in the form of essays depicting memorable anecdotes, Jerome's work is composed by delightful, humorous prose and poignant observations. Mixing humor and sentiment, Jerome extends his observations to everyday life, and uses the details of his journey to paint broader truths about civilization and the human race. With vivid descriptions of the social scene and stunning landscapes of major European cities such as London, Cologne, and Munich, Diary of a Pilgrimage paints a perfect image of the journey, allowing readers to experience a vicarious adventure throughout 19th century Europe. This edition of Diary of a Pilgrimage by Jerome K. Jerome features a stunning new cover design and is printed in a font that is both modern and readable. With these accommodations, Diary of a Pilgrimage caters to a contemporary audience while preserving the original hilarity of Jerome's work.

From New York Times and USA Today bestselling author Jana DeLeon, the fifth book in the bestselling Ghost-in-Law series! After an eventful first week on the job, Game Warden Jadyn St. James is happy the small bayou town of Mudbug, Louisiana, seems to have fallen back into its normal routine. But when FBI agent Raissa Bordeaux is kidnapped, Jadyn is certain the short-lived peace has come to an abrupt end. Statistics don't lie, and Jadyn knows that the longer Raissa remains missing, the less likely she'll be found alive. Sheriff Colt Bertrand knows the FBI won't let him participate in the investigation, but is certain the federal agents aren't as qualified as he is to locate someone missing in the swamps

surrounding Mudbug. And although he's been avoiding the beautiful game warden, Colt is sure that teaming up with Jadyn gives him the best chance of finding Raissa. With the clock ticking, Colt and Jadyn defy FBI orders and launch their search, but can they find Raissa before it's too late? Missing in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana. It is the fifth book in the New York Times bestselling Ghost-in-Law series. Missing in Mudbug has a cozy mystery feel and features a strong heroine, a sexy hero, and a ghost unlike any you've ever heard of. It appeals to fans of light paranormal, paranormal romance, cozy mysteries, women sleuth, and also to fans of the Stephanie Plum series by Janet Evanovich. "Southern wit at its best!" - NYT Bestselling author Gemma Halliday "Sinfully funny!" - NYT Bestselling author CC Hunter/Christie Craig "DeLeon is excellent at weaving comedy, suspense and spicy romance into one compelling story." - RT Book Reviews "I don't know where she comes up with this funny stuff, but I can't wait to read the next book..." - Night Owl Reviews "Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling." - The Romance Reader "Son of a gun, we're having fun in the bayou!" - Fresh Fiction "The quirky characters keep the action moving..." - Barbara Vey, Publisher's Weekly Blogger To learn more about Jana and her books visit her at: <http://janadeleon.com> <http://facebook.com/janadeleonauthor> Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Halloween brings more tricks than treats for costume shop owner Margo Tamblyn in the second in a new cozy series from the national bestselling author of the *Material Witness Mysteries*. Halloween conjures up big business for Margo Tamblyn's costume shop, *Disguise DeLimit*, but this year, the holiday comes knocking with serious trouble. Venture capitalist Paul Haverford plans to rezone historic downtown into a glitzy commercial area which would push out local business. Margo is set on saving her family's store, especially after a nasty run-in with the chain-store tycoon, but Paul Haverford's body is discovered during a spooky party at the derelict Alexandria Hotel, Margo finds herself dressed as the police's prime suspect. Anxious to clear her name, Margo begins hunting down anyone who might have wanted Haverford dead. Between all of his malicious maneuverings, the murdered mogul had buckets of people anxious to see him gone. Now, Margo will have to use every trick in the book to find a cloaked killer—before someone else winds up wearing a death shroud...

Chaos in Mudbug

Diaries of Helena Judd at Shortsville, New York, 1866, 1868 and of Helena Wallace at Fairbairn, Ontario 1903  
Tales from a Wildlife Rehabilitator

**The diary as a genre is found in all literate societies, and these autobiographical accounts are written by persons of all ranks and positions. The Diary offers an exploration of the form in its social, historical, and cultural-literary contexts with its own distinctive features, poetics, and rhetoric. The contributors to this volume examine theories and interpretations relating to writing and studying diaries; the formation of diary canons in the United Kingdom, France, United States, and Brazil; and the ways in which handwritten diaries are transformed through processes of publication and digitization. The authors also explore different diary formats, including the travel diary, the private diary, conflict diaries written during periods of crisis, and the diaries of the digital era, such as blogs. The Diary offers a comprehensive overview of the genre, synthesizing decades of interdisciplinary study to enrich our understanding of, research about, and engagement with the diary as literary form and historical documentation.**

From the mid-1860s until the end of organized resistance on the Great Plains, Red Cloud, the noted Oglala Sioux, epitomized for many the Indian problem. Centered on Red Cloud's career, this is an admirably impartial, circumstantial, and rigorously documented study of the relations between the Sioux and the United States government during the years after the Civil War.
