

The Hersheys Milk Chocolate Bar Fractions Book

In Sweets, Tim Richardson takes us on a magical confectionery tour, letting his personal passion fuel the narrative of candy's rich and unusual history. Beginning with a description of the biology of sweetness itself, Richardson navigates the ancient history of sweets, the incredible range and diversity of candies worldwide, the bizarre figures and practices of the confectionery industry, and the connection between food and sex. He goes on to explore the role of sweets in myth and folklore and, finally, offers a personal philosophy of continual sweet-eating based on the writings of Epicurus. "For anyone with a sweet tooth, Sweets is manna...This history of candy is full of delights."-New York Times Book Review
"Sweets is an informative, entertaining grab-bag of personal opinion, anecdote and culinary history." -Los Angeles Times

Stories and recipes from the Mast Brothers, makers and purveyors of America's finest craft chocolate. The Mast Brothers are pioneers of the bean-to-bar craft chocolate movement. Sourcing cocoa with unique flavor profiles from around the equator, they roast the beans in small batches to create truly handmade chocolate, one of the very few chocolate makers to do so. At their flagship factory and retail shop in Brooklyn, their distinctive bars are wrapped in exquisite custom papers that they have designed and are sold at specialty food shops around the country and around the world. Many of the world's pre-eminent chefs, including Thomas Keller, Dan Barber, Daniel Humm, Alice Waters, and Alain Ducasse choose Mast Brothers Chocolate for cooking for its purity and distinctive tasting notes. In Mast Brothers Chocolate: A Family Cookbook, they share their unique story and recipes for classic American desserts like chocolate cookies and cakes, brownies, bars, milkshakes, and even home-made whoopie pie. There are mouthwatering savory dishes as well, like Pan-seared Scallops with Cocoa Nibs and Cocoa Coq au Vin. With striking color photographs throughout, this cookbook celebrates the vision and allure of Mast Brothers Chocolate, the leaders of the American craft chocolate movement and the choice of the world's great chefs.
