

Instagram users are aged between 50 and 64. Therefore, Instagram is an ideal place for businesses looking to target a youth audience. but the most sensational thing is that Instagram has created a new way of doing business and marketing, which beats every other media existing up to now in the marketplace in terms of turnover, this new way can be summarized in a single figure: The Influencer, a person that can influence potential buyers of a product or service by promoting or recommending the items on social media This is bringing billions of dollars into the coffers of companies that rely on influencers for the promotion of their products and / or services, many more than a simple advertising campaign for example on TV can do, this because the product is filtered by the influence on which the buyer enjoys extreme esteem and trust. This of course leads to large revenues from the influencer who in turn grows their popularity and wealth enough to become a celebrity. But you know what is the truth? He too started from scratch, he too started with 150 followers among friends, relatives, and colleagues this means that there is a way, which is not just luck, and above all that you can do it too if you follow the instructions in this book step by step.
