THE SHOCKING STORY OF A DESERT ISLAND DREAM THAT WENT SOUR 'Writer seeks "wife" for a year on tropical island.'
The opportunity to escape from it all was irresistible. Lucy Irvine answered the advertisement - and found herself alone on a remote desert island with a 'husband' she hardly knew. Lucy Irvine fell in love with the seductive, if cruel, beauty of that untouched Eden, whose power to enslave and enchant her never slackened throughout the whole of her amazing adventure.

Uncompromisingly candid and sometimes shocking, Castaway is her compulsively readable account of a desert island dream which threatened to turn into a nightmare of illness, thirst and personal antipathy. Now a film by Nicholas Roeg starring Amanda Donohoe and Oliver Reed,

The Business of Travel: a Fifty Years' Record of Progress

A Novel

The Duchess

Abandoned by his parents when he was just three years old, Rob Mitchell began his journey as one of the last "lifers" in an American orphanage. As Rob's loneliness and rage grew, his hope shrank. Would he ever find a real family or a place to call home? Heartbreaking, heartwarming, and ultimately triumphant, this true story shows how, with faith, every person can leave the past behind and forge healthier, happier relationships. Now, Rob's story has been turned into a compelling audiobook narrated by Paul Rothery. Listeners will be encouraged to find hope in every situation as they follow Rob through his life journey.

A Story

Only I could get marooned on a desert island with my gorgeous ex... I've never forgotten Theo Prince. He was the first man I ever loved, and, if I'm honest, the last. But he broke my heart, and although I've thought about him often, I've done my best to avoid him. I didn't expect our first meeting in seven years to be on a plane flying back to New Zealand from Fiji. I didn't anticipate it getting struck by lightning and plunging into the ocean. And I certainly didn't think we'd get marooned on a desert island together. Being stranded is terribly dangerous-there are no doctors, little food, baking hot sun, and spiders the size of my hand. And I don't want to be alone with Theo, because he wants to talk about what happened seven years ago, and raking over

the ashes of our past always makes me cry. But then the tropical storm hits us, and we're stuck together in a cave for the longest night of my life. It's hot. The man is wearing next to nothing. And even with an unkempt beard, he's the sexiest man I've ever met. As the attraction that once burned between us flares again, I do my best to fight it. But then he admits something that turns my whole world upside down...
