The sharp and hilarious second book in THE SAVAGES series about an everyday family with some not-so-everyday problems... Vegan, veggie, carnivore... humanitarian? Welcome to the top of the food chain. The Savages are back - this time in a country where servings come supersized. Titus, Angelica and the kids go to great lengths to fit into their new lives in sunny Florida. But that's not easy when their appetite runs to feasts of human flesh. In this dark comic serving of everyday family life with contemporary cannibals, the Savages seek to hide in plain sight by setting up a vegan café. But when the venture turns out to be a surprise sensation, and bad apples bob to the surface, Titus is forced to question whether the family have finally bitten off more than they can chew. When Scotland Yard superintendent Duncan Kincaid takes Gemma, Kit, and Toby for a holiday visit to his family in Cheshire, Gemma is soon entranced with Nantwich's pretty buildings and the historic winding canal, and young Kit is instantly smitten with his cousin Lally. But their visit is marred by family tensions exacerbated by the unraveling of Duncan's sister Juliet's marriage. And tensions are brought to the breaking point on Christmas Eve with Juliet's discovery of a mummified infant's body interred in the wall of an old dairy barn—a tragedy hauntingly echoed by the recent drowning of Peter Llewellyn, a schoolmate of Lally's. Meanwhile, on her narrowboat, former social worker Annie Lebow is living a life of self-imposed isolation and preparing for a lonely Christmas, made more troubling by her meeting earlier in the day with the Wains, a traditional boating family whose case precipitated Annie's leaving her job. As the police make their inquiries into the infant's death, Kincaid discovers that life in the lovely market town of his childhood is far from idyllic and that the dreaming reaches of the Shropshire Union Canal hold dark and deadly secrets . . . secrets that may threaten everyone and everyone he holds most dear.

A masterful, moving story about a teenage boy caught between faith and love, by one of Australia's finest YA writers.

The paths of two women from different walks of life intersect amid counterculture of the 1960s in this haunting and provocative novel from the National Book Award-winning author of The Friend Named a Best Book of the Year by the San Francisco Chronicle and the Christian Science Monitor Sigrid Nunez's The Last of Her Kind introduces two women who meet as freshmen on the Columbia campus in 1968. Georgette George does not know what to make of her brilliant, idealistic roommate, Ann Drayton, and her obsessive disdain for the ruling class into which she was born. She is mortified by Ann’s romanticization of the underprivileged class, which Georgette herself is hoping college will enable her to escape. After the violent fight that ends their friendship, Georgette wants only to forget Ann and to turn her attention to the troubled runaway kid sister who has reappeared after years on the road. Then, in 1976, Ann is convicted of murder. At first, Ann's fate appears to be the inevitable outcome of her belief in the moral imperative to "make justice" in a world where "there are no innocent white people." But, searching for answers to the riddle of this friend of her youth, Georgette finds more complicated and mysterious forces at work. The novel's narrator Georgette illuminates the terrifying life of this difficult, doomed woman, and in the process discovers how much their early encounter has determined her own path, and why, decades later, as she tells us, "I have never stopped thinking about her."

A Chronological Paper Trail

The Body in the Woods

Quirke—the hard-drinking, insatiably curious Dublin pathologist—is back, and he’s determined to find his daughter’s best friend, a well-connected young doctor April Latimer has vanished. A junior doctor at a local hospital, she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin. Though her family is one of the most respected in the city, she is known for being independent-minded; her taste in men, for instance, is decidedly unconventional. Now April has disappeared, and her friend Phoebe Griffin suspects the worst. Frantic, Phoebe seeks out Quirke, her brilliant but erratic father, and asks him for help. Sober again after intensive treatment for alcoholism, Quirke enlists his old sparring partner, Detective Inspector Hackett, in the search for the missing young woman. In their separate ways the two men follow April’s trail through some of the darker byways of the city to uncover crucial information on her whereabouts. And as Quirke becomes deeply involved in April’s murky story, he encounters complicated and ugly truths about family savagery, Catholic ruthlessness, and race hatred. Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter, this is Benjamin Black at his sparkling best.

I know it can’t be easy for him to look in the mirror every day, or walk down the street. But that’s not my problem. My problem is that everything’s different since he’s been coming to my school. The kids are different. I’m different. And it sucks big-time. WONDER told the story of August Pullman: an ordinary kid with an extraordinary face, whose first year at school changed the lives and the perspectives of everyone around him. Thought-provoking, infuriating, surprising, heartbreaking and heartwarming, this is a must-read for the thousands of readers who loved WONDER.

A story of how money corrupts the way people look at one another and how it can almost tear a family apart Vinuta marries Girish, a bank clerk, and starts living with his family in Bangalore. She adjusts to her new family well, looking after her husband, father-in-law and mother-in-law Gouramma, not taking to heart her mother-in-law's constant picking. But when Girish's elder brother Chandru, who is in the US, decides to get married, Vinuta has to listen to the constant comparisons made between her and Chandru’s wife, the 'Dollar Bahu', whose husband earns the valuable dollars that has brought the family its recent affluence. Vinuta slowly loses her peace of mind and health. Then Gouramma decides to visit her US-based son and daughter-in-law. Once there, she sees how liberating life can be, away from the strict norms that govern Indian middle-class life. But she also begins to understand that mere dollars cannot buy the love and respect that she gets as her due back in India. Does Gouramma forge a new relationship with Vinuta and can Vinuta forgive and forget the past?
