Kashmir region, which has been the subject of a dispute between India, Pakistan and China since the mid-20th century. The underlying region of this state were parts of the former princely state of Jammu and Kashmir, whose western districts, now known as Azad Kashmir, and northern territories, now known as Gilgit-Baltistan, are administered by Pakistan. The Aksai Chin region in the east, bordering Tibet, has been under Chinese control since 1962. After the Government of India repealed the special status accorded to Jammu and Kashmir under Article 370 of the Indian constitution in 2019, the Parliament of India passed the Jammu and Kashmir Reorganisation Act, which contained provisions that dissolved the state and reorganised it into two union territories – Jammu and Kashmir in the west and Ladakh in the east, with effect from 31 October 2019. At the time of its dissolution, Jammu and Kashmir was the only state in India with a Muslim-majority population. After the Indo-Pakistani War of 1947–1948, the princely state of Jammu and Kashmir was divided between India (who controlled the regions of Jammu, Kashmir Valley and Ladakh) and Pakistan (who controlled Gilgit–Baltistan and Azad Kashmir). The Indian-administered territories elected a constituent assembly in 1951, which ratified the accession of the state to India in 1954. In 1956–57, China constructed a road through the disputed Aksai Chin area of Ladakh. India ' s belated discovery of this road

culminated in the Sino-Indian War of 1962; China has since administered Aksai Chin. Following the Indo-Pakistani War of 1971, India and Pakistan signed the Simla Agreement, recognising a Line of Control in Kashmir, and committing to a peaceful resolution of the dispute through bilateral negotiations. Jammu Kashmir Yearbook 2020 In August 2019, both houses of the Parliament of India passed resolutions to amend Article 370 and extend the Constitution of India in its entirety to the state, which was implemented as a constitutional order by the President of India. At the same time, the parliament also passed the Jammu and Kashmir Reorganisation Act, 2019, which contained provisions that dissolved the state of Jammu and Kashmir and established two new union territories: the eponymous union territory of Jammu and Kashmir, and that of Ladakh. The reorganisation act was assented to by the President of India, and came into effect on 31 October 2019. Prior to these measures, the union government locked down the Kashmir Valley, increased security forces, imposed Section 144 that prevented assembly, and placed political leaders such as former Jammu and Kashmir chief ministers Omar Abdullah and Mehbooba Mufti under house arrest. Internet and phone services were also blocked. The state of Jammu and Kashmir consisted of three divisions: the Jammu Division, the Kashmir Division and Ladakh which are further divided into 22 districts. The Siachen Glacier, while

under Indian military control, did not lie under the administration of the state of Jammu and Kashmir. Kishtwar, Ramban, Reasi, Samba, Bandipora, Ganderbal, Kulgam and Shopian were districts formed in 2008, and their areas are included with those of the districts from which they were formed. Jammu and Kashmir was the only state in India which had special autonomy under Article 370 of the Constitution of India, according to which no law enacted by the Parliament of India, except for those in the field of defence, communication and foreign policy, would be extendable in Jammu and Kashmir unless it was ratified by the state legislature of Jammu and Kashmir. The state was able to define the permanent residents of the state who alone had the privilege to vote in state elections, the right to seek government jobs and the ability to own land or property in the state. Excerpt from *The Northern Barrier of India: A Popular Account of the Jammu and Kashmir Territories* As to the consonants, it need only be said that g is always hard, j is to be pronounced as in the English word jam, and that ch has the power of ch in church. I have made an exception to the above rules in the name 'Jummoo,' which must be pronounced in English fashion. Excerpt from The Jummoo and Kashmir Territories: A Geographical Account The form of the ground we have endeavoured to represent on the maps both by careful attention to the hill-shading and by the statement of the heights of certain positions. Under the heading of each tract described much will be said on this subject; but at this stage it is advisable to give a slight sketch of the vertical geography of the whole area. The lowest part is the strip of plain on the south-west, which is continuous with the great level plain of the Punjab it is 900 or 1000 feet above the sea. About the Publisher Forgotten Books

Many disenchanting Kashmiris continue to demand independence or freedom from India. Written by a leading authority on Kashmir's troubled past, this book revisits the topic of independence for the region (also known as Jammu and Kashmir, or J&K), and explores exactly why this aspiration has never been fulfilled. In a rare India-Pakistan agreement, they concur that neither J&K, nor any part of it, can be independent. Charting a complex history and intense geo-political rivalry from Maharaja Hari Singh's leadership in the mid-1920s to the present, this book offers an essential insight into the disputes that have shaped the region. As tensions continue to rise following government-imposed COVID-19 lockdowns, Snedden asks a vital question: what might independence look like and just how realistic is this aspiration?

India and Pakistan as to how Kashmir should be governed are discussed. Studying the spread of communism, the book makes extensive use of primary resources available in India and the UK. The principal object of the author is to locate conflict in Kashmir within the international politics of the time, during the Cold War, and especially in the context of India's relationship with the UK. The narratives of the discourse throw light on the varied and salient features of the problem. These have been enriched by an in-depth analysis based on the writings, notes and correspondence of distinguished British and Indian politicians and statesmen. The author has also consulted public documents on US foreign relations as well as other studies. This study explores myths about the Kashmir problem, reinforcing known and unknown truths.

a geographical account. New preface to the 1976 edition by
C.-J. Charpentier

This title was first published in 2001. This text reviews terrorist activity carried out ceaselessly and systematically in one of the most otherwise alluring spots on our planet. The rise of militancy, not only in Kashmir, but also in Punjab and in India's North-East, is related also to analogous belligerency in and around the borders of Pakistan and Afghanistan. Following preliminary information on the land, people, the past and the constitutional history of Kashmir, this work focuses on the rise of political violence and its consequences, following the evolution of democracy from the period of the provisional government. While dwelling mostly on the example of Jammu and Kashmir, the study endeavours to underline once more the need for an anti-terrorist international regime.

This study is primarily meant for readers outside India, and that explains the lengthy background which it provides. Although literature on the issue is growing daily, each work

Read PDF The Jummoo And Kashmir Territories A Geographical Account Reprint

is written from a certain angle, and that is quite understandable. Every mind has a particular drawing bias; the information supplied is therefore necessarily coloured by the views a writer holds. There are to the author's mind two ways of approaching a subject: One would attempt to fit the facts into the value system of the writer, the other would try to draw values from the mass of materials under study. In either case there is no escaping the subjective evaluation of the narrator; and the present writer does not claim any immunity from the process. Kashmir's present history has two aspects. One of them is international, and here the ups and downs in the fortunes of the two States are to be seen against the complexity of power relations in the multinational world body. The other is the internal dynamics, which have their own compelling logic. An attempt has been made in this study to correlate the two into some sort of unity, but it is not for the writer to evaluate its success.

Language and Literature, Art and Crafts, Folk Music and Dances, Fairs and Festivals, Cuisines, Education and Health, Tribes and Tribal Populations, Schemes and Programmes, Sports, Awards, Famous Personalities, Demographic Profiles. Even after 73 years of division of the British India, still there is confusion and controversy on legal status of the former Princely State of Jammu and Kashmir. In light of legal documents, I have endeavoured to establish the exact legal position of Jammu and Kashmir. Apart from that the UN Security Council Resolutions on Jammu and Kashmir dispute are analysed; and why they could not be implemented. Which country refused to implement them or created hurdles. After the Simla Agreement and the Lahore Declaration, can these Resolutions play any role in resolution of the dispute. Also, I have analysed Article 370 and 35A of the Indian constitution, and how India disregarded the pledges made to the people of Jammu and Kashmir; and unilaterally changed the status of Jammu and Kashmir. In addition, I have analysed the role of Pakistan, and how they betrayed people

Read PDF The Jummoo And Kashmir Territories A Geographical Account Reprint

of Jammu and Kashmir to satisfy their imperial agenda. Furthermore, how Pakistan is promoting extremism, terrorism, intolerance and religious hatred in Jammu and Kashmir; and how it is hurting people of Jammu and Kashmir on both sides of the divide. Besides that, I have analysed the impact of these changes on the people of Jammu and Kashmir, and how they have responded. What people of Jammu and Kashmir should do when they are forcibly divided, and when their motherland is under control of three nuclear countries, namely India, Pakistan and China.

Read PDF The Jummoo And Kashmir Territories A Geographical Account Reprint

the protest of Kashmir's Muslims against Hindu rule? This book reaches beyond standard accounts that look to the 1947 partition of India for an explanation. Examining the 100-year period before that landmark event, during which Kashmir was ruled by Hindu Dogra kings under the aegis of the British, Mridu Rai highlights the collusion that shaped a decisively Hindu sovereignty over a subject Muslim populace. Focusing on authority, sovereignty, legitimacy, and community rights, she explains how Kashmir's modern Muslim identity emerged. Rai shows how the princely state of Jammu and Kashmir was formed as the East India Company marched into India beginning in the late eighteenth century. After the 1857 rebellion, outright annexation was abandoned as the British Crown took over and princes were incorporated into the imperial framework as junior partners. But, Rai argues, scholarship on other regions of India has led to misconceptions about colonialism, not least that a "hollowing of the crown" occurred throughout as Brahman came to dominate over King. In Kashmir the Dogra kings maintained firm control. They rode roughshod over the interests of the vast majority of their Kashmiri Muslim subjects, planting the seeds of a political movement that remains in thrall to a religiosity thrust upon it for the past 150 years.
