

The Kabbalah Unveiled Dover Books On The Occult

For beginning students, this is an efficient working manual that provides a complete program leading to self-initiation. Includes detailsfor performing four banishing rituals, four planetary invocations, a daily Eucharist ritual, a self-initiation ritual, plus a series of rituals for constructing and charging talismans, and much more. Index. John Van Auken combines his love of Kabbalah with his 40 years of studying the psychic readings of world-famous seer Edgar Cayce to take us on a mind-expanding journey through creation and the higher levels of our consciousness. Van Aukens easy writing style helps to shed light on the most complicated concepts in Kabbalah, making it easier to grasp the five divisions of our being, the four planes of existence, the seven heavens, the ten emanations, and the twenty-two channels of the Infinite Creative Consciousness. We also learn how to expand our minds to perceive these realms, to journey through them, and, to remain sane, healthy, and active in our present life. Van Auken brings in insights from Buddhism, Hinduism, Taoism, and even ancient Egyptian theology, and includes Gnosticism and Neo-Platonism in this multi-dimensional vista. A reading journey into Edgar Cayce and the Kabbalah offers you a personal road map to higher consciousness and a happier, more fulfilling life! Yeats and Women is a special issue of the distinguished Yeats Annual series and is the first collection of essays upon W.B.Yeats to focus upon his relation to women. Its critical and biographical approaches employ feminist and psychoanalytic theory, and social anthropology. The seventeen plates (many hitherto unpublished) include the tomb and coffin of Maud Gonne's first child, Florence Farr's occult Egyptian shrine, and the last photograph of Yeats. A unique and humorous -- and also practical -- approach to the increasingly popular study of Qabalah. This is a seriously funny book! Traditional Qabalistic (or Cabalistic, or, indeed, Kabbalistic -- read this book to find out what the difference is...we know you've always wondered) sources tend to be a bit, er, dry. DuQuette spices up the Qabalah and makes it come alive, restoring the joy of learning the fundamentals of this admittedly arcane system by using simple, amusing anecdotes and metaphors. This account, written psuedepigraphically (fictitiously attributed to a supposed authority), allows DuQuette as Rabbi Lamed Ben Clifford to soar to outrageous heights and, when necessary, stand apart from the silliness to highlight the golden eggs of Qabalistic wisdom nested therein. Sure to be a revelation to those who think that learning about the Qabalah needs to be tedious and serious, DuQuette shows that great truths can be transmitted through the medium of laughter.

Includes authors, titles, subjects.

The Bible says that there was a beginning of things, and that there will be an end. Near the end we will see a hero and a villain arise, the son of God will battle the son of Satan. The prophecies in the Bible have a great deal to say about this, but one prophecy has been overlooked... until now. "I will explain to you the mystery of the beast who once was, now is not, and yet will come. This calls for a mind with wisdom (Revelation 17: 7- 9)." Here we are told that the Beast, the son of Satan, once lived, but at one time he was not alive, and that he would live again. The Beast will seem to recover from a fatal wound (Revelation 13: 3). Not a nearly fatal wound. He will seem to recover from death! In the end times he will be seen to rise from the grave in imitation of Jesus Christ. Who was the Beast? But more importantly, why is that mysterious fraternity of Freemasons preparing to come to his aid? We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was.

Gibt es seriöse Belege dafür, dass die Erde vor vielen Jahrtausenden von einer außerirdischen Zivilisation besucht wurde? Warum finden sich in alten Mythen Schilderungen von himmlischen Städten und fliegenden Wagen, die sogar technische Einzelheiten enthalten? Warum wird der Heilige Gral mitunter wie ein technisches Relikt beschrieben, das bei unsachgemäßer Behandlung Unfälle und Verbrennungen verursachen kann? Weshalb erwähnt der Gralsdichter Wolfram von Eschenbach in seinem Parzival, dass der Gral einst von einer »Schar« von den Sternen zur Erde gebracht wurde? Warum wird der Gral auf zahlreichen uralten Bildern mit einem bestimmten Ort in Südwestfrankreich verknüpft? Oliver Deberling findet höchst erstaunliche Antworten auf diese Fragen. Er begibt sich auf die Spurensuche nach einem Gegenstand, der nicht von dieser Welt stammen soll, der seit Jahrtausenden als Heiligtum verehrt durch die Menschheitsgeschichte »geistert« und im Mittelalter zum später christlich umgedeuteten Heiligen Gral wurde. Was ans Licht kommt, ist eine Sensation.

A delightfully entertaining liberal arts education in Western Hermeticism with one of America's most knowledgeable and engaging authorities! Each chapter is a self-contained monograph on one of 7 topics critical tounderstanding modern magick.

The Kabbalah Unveiled

An introductory guide for magicians to the complex system of the Qabalah and its symbolism

Aleister Crowley's ascension into the pantheon of alternative gurus was cemented by his appearance on The Beatles' Sgt. Pepper's Lonely Hearts Club Band album cover. Unfortunately, he was known more for his reputation as "The Beast 666" and "The Wickedest Man in the World." All well and good for publicity, but this infamy eclipsed his teachings, as did his technical and opaque writing style, meant more for adepts contemporary to him than the average modern reader. Enter Lon Milo DuQuette to decipher and explain Crowley's texts and more important rituals. Formerly titled The Magick of Thelema, this revised edition features extensive corrections, a new introduction, and a new ritual, "The Rites of Eleusis." This is the perfect introductory text for readers who wonder what the works--rather than the myth--of Aleister Crowley are all about. DuQuette takes the mystery out of both the rituals themselves and Crowley's writing in this modern grimoire. Step by step, he presents a course of study in plain English, with examples of rituals and explanations of their significance. DuQuette also includes a course of study for Crowley's original works with an extensive bibliography and fastidious footnotes. The Hermetic Order of the Golden Dawn has been considered one of the most important Western magical systems for over a century. Although much of their knowledge has been published, to really enter the system required initiation within a Golden Dawn temple ? until now. Regardless of your magical knowledge or background, you can learn and live the Golden Dawn tradition with the first practical guide to Golden Dawn initiation. Self-Initiation into the Golden Dawn Tradition by Chic and Sandra Tabatha Cicero offers self-paced instruction by two senior adepts of this magical order. For the first time, the esoteric rituals of the Golden Dawn are clearly laid out in step-by-step guidance that's clear and easy-to-follow. Studying the Knowledge Lectures, practicing daily rituals, doing meditations, and taking self-graded exams will enhance your learning. Initiation rituals have been correctly reinterpreted so you can perform them yourself. Upon completion of this workbook, you can truly say that you are practicing the Golden Dawn tradition with an in-depth knowledge of qabalah, astrology, Tarot, geomancy, spiritual alchemy, and more, all of which you will learn from Self-Initiation into the Golden Dawn Tradition. ·No need for group membership ·Instructions are free of jargon and complex language ·Lessons don't require familiarity with magical traditions ·Grade rituals from Neophyte to Portal ·Link with your Higher Self If you have ever wondered what it would be like to learn the Golden Dawn system, Self-Initiation into the Golden Dawn Tradition explains it all. The lessons follow a structured plan, adding more and more information with each section of the book. Did you really learn the material? Find out by using the written tests and checking them with the included answers. Here is a chance to find out if the Golden Dawn system is the right path for you or to add any part of their wisdom and techniques to the system you follow. Start with this book now.

Kabbalah holds the secrets to a path of conscious awareness. In this compact book, noted spiritual teacher DovBer Pinson presents 32 key concepts of Kabbalah and shows their value in opening the gates of perception. From the Introduction: Simply translated, Kabbalah means "that which is received." Looking deeper, the word Kabbalah can mean to be open and receptive, to challenge one's own internal navigational system in order to see, hear, and be open to... more. We must be receptive to a teaching to fully absorb it. We turn ourselves into vessels and invite within that which we wish to understand or grasp. In this way, we become receptacles, dispensaries, and a part of the Kabbalah. We become vessels of this tradition by opening the self to a higher reality, and viewing the spirit within the matter. We raise our consciousness to the point where the Divine within all creation is revealed. As we pursue a deeper awareness, we become less ego-centered and more attuned to the deeper significance of our surroundings. About the author: Rabbi DovBer Pinson heads the Iyyun Center in Brownstone Brooklyn. He has written several books, including Inner Rhythms: The Kabbalah of Music; Reincarnation & Judaism: The Journey of the Soul; Meditation & Judaism: Exploring Meditative Paths and Jewish Wisdom of the Afterlife.

The Ending of the Words - Magical Philosophy of Aleister Crowley

The Life and Legacy of One of History’s Most Fascinating Magicians Thelema is one of the most powerful and influential systems of magick the world has ever known. But to truly understand the philosophy and practice of Thelema, you need to understand its charismatic founder, Aleister Crowley. Thelema reveals this enigmatic figure in all of his provocative and brilliant glory, providing a biography of Crowley and showing how his work evolved to become a paradigm-shifting system of magick. This book also explores the texts and writings that form the basis of Thelema, and it provides step-by-step instructions for practicing the basic rites and rituals of this often-misunderstood tradition. Thelema provides a multifaceted method for spiritual attainment that focuses on manifesting your true will. Discover how Crowley developed his remarkable techniques, and learn how to begin or deepen your own magical practice with elements of Qabalah, Gnosticism, Eastern philosophy, Egyptian spirituality, tarot, and more. Along the way, you'll learn about Crowley's involvement in the Golden Dawn and the O.T.O., his clandestine activities during both world wars, and the nature and influence of his personal relationships. Includes photos Foreword by Lon Milo DuQuette Praise: "Colin Campbell's earlier works have shown him to be one of the most thorough and thoughtful Thelemic authors of our era. In Thelema, Campbell brings this same acumen and clarity of expression to the life and work of Aleister Crowley. The book covers a wide range of territory—historical, theoretical, and practical—and will be a useful resource for beginners and more advanced students alike."—David Shoemaker, author of Living Thelema

The symbolism of the Kabbalistic Tree of Life is explained, and its connections to astrology, numerology, angel lore, tarot, and the meaning of colors are shown. The Tree of Life is a potent tool for self-discovery and profound inner knowing, as the author shared in her popular workshops.

The classic conception of human transcendental consciousness assumes its self-supporting existential status within the horizon of life-world, nature and earth. Yet this assumed absoluteness does not entail the nature of its powers, neither their constitutive force. This latter call for an existential source reaching beyond the generative life-world network. Transcendental consciousness, having lost its absolute status (its point of reference) it is the role of the logos to lay down the harmonious positioning in the cosmic sphere of the all, establishing an original foundation of phenomenology in the primogenital ontoipoiesis of life.

Contemporary seekers on the hunt for an overview of the Western mystery traditions often face a small selection of dense, out-of-date tomes. Alternatively, Hidden Wisdom is a fresh, coherent, and accessible work that expounds many of the teachings of Western esotericism, examining its key figures and movements.

The Book of Concealed Mystery

UNLOCK THE MEANING OF EASTERN MAGICK In scope and clarity, there is no book that can compare to The Eastern Mysteries. This reissue of David Allen Hulse's landmark work is the one book all students of the occult must own. It catalogs and distills, in hundreds of tables of secret symbolism, the true import of each ancient Eastern magickal tradition. Each chapter is a key that unlocks the meaning behind one of the magickal languages. Through painstaking research and analysis, Hulse has accomplished an unprecedented feat -- that of reconstructing the basic underlying systems that form the vast legacy of mystery traditions. The real genius of this accomplishment is that it is presented in a way that is immediately understandable and usable. Although the book deals with many foreign scripts, ancient tongues, and lost symbols, it is designed for the beginning student. Included is a wealth of cross references, excellent introductory material and overviews, an extensive annotated bibliography, and -- new to this edition -- a complete index.

A comprehensive illustrated reference guide with more than 400 entries on the subjects of magic and alchemy.

Using the powerful insights of the Kabbalah, we can bridge the unfathomable distances between our material world and the divine realms where angels dwell. In The Kabbalah & Magic of Angels, celebrated author Migene Gonz á lez-Wippler presents an in-depth look at angels in the context of the Kabbalah, the comprehensive system underlying Western religion and spirituality. Providing a complete introduction to Kabbalistic concepts, Migene shows how to apply them to our relationships with numerous angels. Included are ways to contact angels and work with them, from simple spells and magical rituals to full Kabbalistic evocations. You ' ll discover how to see angels operating in your life and how to visualize them. Numerous angels are named and fully described so readers will know exactly which angel to work with for any purpose or desire. Ideal for students of Kabbalah and lovers of angels.

The Tarot of Ceremonial Magick is a new deck created by DuQuette and published by U. S. Games. In this groundbreaking book, he explains the symbology of the cards. On each card is shown the Zodiacal, Enochian, Ceremonial, Goetic, Tattvic, and Elemental components, along with the card's place in each of those systems, and its relationships to other cards. For students of Crowley's works, this new deck and book makes his conceptual connections more accessible. Illustrated. Bibliography. »Resonant Alterities« bridges the gap between sound studies and literary criticism. A queer ghost story by Vernon Lee, an occultist novel of psychic adventure by Algernon Blackwood, a dystopian science fiction tale by J.G. Ballard and a post-traumatic short novel by Don DeLillo are its primary objects of analysis. Each is explored within the context of its contemporary cultural debates on sound. Meanwhile, all four theory-enriched readings focus on intersecting and desire-laden processes of meaning making, knowledge production and subject formation. Focal points are aurally/audio-visually structured phenomena expressive of both collective and individual anxieties.

Borges once stated that he had never created a character: 'It's always me, subtly disguised'. This book focuses on the ways in which Borges uses events and experiences from his own life, in order to demonstrate how they become the principal structuring motifs of his work. It aims to show how these experiences, despite being 'heavily disguised', are crucial components of some of Borges's most canonical short stories, particularly from the famous collections Ficciones and El Aleph. Exploring the rich tapestry of symmetries, doubles and allusions and the roles played by translation and the figure of the creator, the book provides new readings of these stories, revealing their hidden personal, emotional and spiritual dimensions. These insights shed fresh light on Borges's supreme literary craftsmanship and the intimate puzzles of his fictions.

Second Edition (Crown Quarto, 152 pages, fully illustrated). "The Ending of the Words" examines the thought and philosophy of the English magician Aleister Crowley through the lens of practical research.

With an in-depth presentation of the source Tradition, the book introduces Thelema, the Law of the New Aeon declared by Crowley, to a modern readership. Includes a comprehensive glossary of Egyptian, Qabalistic and Thelemic terminology essential to the study of "The Book of the Law".

The Transfiguration of the Reader

Every culture has in its folklore and mythology beings of immense size and strength, as well as other preternatural humanoids great or small who walk among us, serving the divine or fulfilling their own agendas. This book catalogs the lore and legends of more than 1,000 different humanoid species and individual beings, including the Titans, Valkyries, Jotnar, yōkai, biblical giants, elves, ogres, trolls and many more.

Lola is about how every church and state on planet earth is out dated and sufficating humanity. The world leaders of today's church and state just as soon rape and pillage the planet for their own golden butt wipers then they would do the right thing for the planet and or humanity. I gaurantee Jesus the 2000 year dead guy is not going to save you. I guarantee the concept of hell is not real and is being used to scare and mind control honest people into believing negative bullshit. I guarantee you the United States Government is destroying the planet for a few corporations business interests. I gaurantee Obama's caampaign for "change" is all smoke and mirros and that the current American presedential administration is just as curropt and shady as the last administration.

Examines every category of occult phenomena from ESP to Eastern ritual and explores the basic laws of magic, relating them to the natural laws of the universe.

Kabbalah has gained notoriety in recent years, thanks in large part to a publicity boost from celebrity adherents like Madonna. Yet the uninitiated may be surprised to learn that Jewish mysticism has been practiced for thousands of years. First published in 1929, The Holy Kabbalah is Arthur E. Waite's guide to these esoteric teachings. Divided into twelve books, with five appendices and a detailed index, this heavily researched volume traces the origins of Kabbalah and examines its influence (if any) on astrology, alchemy, and freemasonry. Including a close look at Kabbalistic literature, and sections on the Zohar and the Ten Sephiroth, this volume will serve as an excellent introduction to the secret tradition for those wanting to learn more about Kabbalah out of scholarship or curiosity. American-born British author ARTHUR EDWARD WAITE (1857-1942) was cocreator of the famous 1910 Rider-Waite Tarot deck. Among his numerous books are Book of Ceremonial Magic, Devil Worship in France, and New Encyclopedia of Freemasonry.

The Kabbalah Unveiled Courier Corporation

This book's primary focus is an understanding of the change to the formulas of Initiation brought about by the advent of the New Aeon—the Aeon of the Child—in 1904. It draws deeply from Jungian psychology, world mythology and religion, the teachings of Aleister Crowley, and the doctrines of the Mystery traditions. It explains how the revelations unique to this stage of human evolution impact the work of the individual aspirant. Much of what is written here is revealed for the first time, with every attempt to do so in clear and precise language.

A fascinating book demonstrating the influence of alchemy and esoteric traditions on the mature art of Marcel Duchamp.

Hidden Wisdom

This book demonstrates how D.H. Lawrence's prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers. Charles Burack argues that Lawrence's major novels, beginning with The Rainbow , are structured as religious initiation rites that attempt to break down the reader's normative mindset and to evoke new, numinous experiences of self and world.

Through careful analysis of narrative structure, literary technique, and sacred discourses, Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism. Unlike most initiations that conclude with powerful affirmations, Lawrence's novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred-erotic exploration.

This is a book of the key text of the Kabbalah, a work known as the Zohar ("Splendour"). The Zohar is a commentary on the Torah and although it is sometimes ascribed to a second-century rabbi, Simon Bar-Yochai, the form in which it is most widely known originates with Moses of Leon, a native of Granada, who died in 1305. The kabbalists believe that the undefinable origin of all things is Ein Sof - the cause of causes, the infinite, that which underlies everything. The universe emanates from the divine in successive layers called esefiroti. Everything exists in God, but God extends infinitely beyond existence. All we know and are is linked together, pervaded and maintained by the divine. According to this work, the light of God must be concealed in order to be revealed to creation. Even though the kabbalists believe that ultimately Ein Sof is beyond expression or understanding, the contemplation of God's presence in all things causes our thoughts to be purified.

A pioneering scholarly investigation into the intersection of personality and cultural history, this study asserts that Freudian psychology is rooted in Judaism – particularly, in the mysticism of the Kabbalah.

[T]here is a system of interpretation in numerology which is supported by experience, but has its origin beyond the realm of the phenomenal worlds. If no such system existed, it would be impossible to prove the geometrical relations of thought. But this is done daily by those who make use of numbers for purposes of divination.-from "Chapter II: Geometrical Relations of Thought"Originally published in two volumes in 1913, this classic of the art of numerology builds upon the work of the ancient Greeks, Aryans, and Egyptians to describe the dramatic effect that numbers exert upon the world all around us. Part I introduces numerological theories and practices, including how to read others' thoughts through numbers, predict and influence success and failure, and understand "chance" events. Part II explores the geometry of nature and how it affects us, numbers that sway human will, and much more. For practitioners of the paranormal arts and those interested in the history of science and pseudoscience, this is a fascinating and essential book. "Sepharial" was the pseudonym of British mystic WALTER GORN-OLD (1864-1929), one of the most prolific writers on and teachers of astrology in modern times. Among his many works are Astrology Explained, Cosmic Symbolism, Science of Foreknowledge, and The Silver Key.

The Magick of Aleister Crowley

D. H. Lawrence's Language of Sacred Experience

The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

Through the illumination of Sacred Light, we discover who we are. Through knowledge of the Truth, we Awaken to that which we have always been.

Skrying on the Tree of Life
