From street scenes to sea scapes and more, young builders and Lego fans will discover a range of creative models with step-by-step instructions, which can be created using the Lego Classic set 10698, or bricks they already have at home. A visual glossary makes the book easy to navigate.

Read, play, and dream an adventure Looking for screen-free activities for your kids and more quality time together? This innovative LEGO® bedtime book includes eight adventures to build, play, and read, and it comes with LEGO bricks and instructions to make eight exclusive mini LEGO models. The LEGO® Book of Bedtime Builds is perfect for creative, screen-free wind-down time before bed. Choose and build your LEGO model. Then read the story together and decide what happens next. When it's time to sleep, the mini model and story will inspire

exciting dreams. The next night, take apart the mini model and choose another adventure to build and read together. Convenient brick storage and packaging make for easy building at home or on the go. Includes easy-to-follow building instructions, bricks, and stories featuring a pirate ship, dinosaur, robot, bird, castle, elephant, spider, and spaceship. ©2019 The LEGO Group.

Specifically targeted to children ages 5 and up, not to adults or hobbyists. LEGO kits come with instructions for building just a few models. The Build It! series supplements the fun with hundreds of new ideas. Easy-to-follow, step-by-step instructions take the guess work out of building. The Build It! series feature the most common parts found in LEGO sets, so that kids who already have lots of LEGO parts at home can still use the books. Gender neutral (much of the competition seems targeted to boys). "Dioramas" evoke the child's imagination by creating an imaginary scene in which their LEGO models can exist/interact. Kids can make many different models from one kit—they don't need to take apart what they created before going onto the next model in the diorama.
