**Presentation** 'The stars incline, they do not determine.' Do the stars have an influence on our lives? The author explains that when we are born we enter the zodiac and at that moment a kind of "photographic" snapshot is taken. But, as the author points out, "even more interesting is to see in astrology a system of symbols that allows us to understand the mechanisms of our psychic life in connection with the universe in whose image we were created". 'The constellations and planets are the hieroglyphs, the sacred letters which reveal, to those who know how to decipher them, how mankind and the world were created, how they evolve hand in hand and how their inner structure is identical. Every human being who becomes aware of his kinship with the universe begins to feel the need to cultivate his inner life in order to rediscover, within himself, that cosmic plenitude symbolized to perfection by the circle of the zodiac.'

The Astrological Guide to Finding Lasting Love

No One Hears Me Crying

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

In Astrology it has long been known that the sign of the zodiac, rising in the east at birth (the ascending sign), largely determines physical appearance. In this book David Anrias shows what each sign looks like when rising. He goes further and, dividing each sign into 10 degrees, shows how appearance changes, from early degrees, to middle degrees, to late degrees of the same sign. All 36 drawings are by the author himself, who was an accomplished artist and a keen observer. Twelve of these you will find in the frontispiece, the remaining 24 are in B have sketched the twelve basic types, and one or two have given variations on some of them, Anrias is the only astrological artist/writer to make systematic sketches of all 36 variations.Anrias follows this with deft character sketches. If a given decanate (the third decanate of distinct face, it also produces a distinct personality. Of this book, Dr. H., of Regulus Astrology LLC (author of A Rectification Manual: America is Born) writes, "I find Anrias' use of the decans based on triplicities more accurate than Chaldean decans for application in physiognomy. ANRIAS, the pen-name of Brian Ross, served with the British forces in World War I. A natural sensitive, after the war he joined the Theosophical Society, studied in India, and wasassociated with Jiddu Krishnamurti's ill-fated Order of the Star in the East. He strenuously disagreed decision to dissolve it. Anrias's intense study of theosophy and metaphysics enlivens his astrology, making his book most fascinatingreading.

Your Guide to the Leo Man

Understanding You, Me, and How We All Get Along

Astrology for Enlightenment

Have you turned to astrology to become more informed about that handsome, witty, attentive Scorpio, Gemini, or Virgo man you just met? After you landed him, time has passed, did you wonder what happened to the person you read about....the personality he is supposed to possess? Are you asking yourself what went wrong? Perhaps, you have met the uninvolved of the male species. In "Male Basher's Zodiac" (How To Recognize the Uninvolved Male), Barb Rogers, with accuracy and humor, tells it like it is about what to expect from the uninvolved of the male species. With new symbols, illustrated by Dan Culver, she brings the point home that all men born under the same sign are not the same. Whereas, in a conventional astrology book, Aries is a regal ram, in "Male Basher's Zodiac", the uninvolved Aries is a skunk, with the attributes of a skunk. Each sign has been assigned a new image in keeping with the personality of the uninvolved. Don't look to the heavens for the new images, but look into the behavior of the man. Did the fire go out in your Leo man once he got you where he wanted you? Did your passionate, flamboyant, lion turn into a possessive pig who wants to rule every facet of your life? Has your mysterious Scorpio become a secretive, withdrawn primate who stomps through your life totally self-absorbed? Were you attracted to a Gemini because of his fun loving ways, his ability to take things in stride, and child-like innocence, only to discover there's another side to him; the gremlin that keeps him from getting too close, that allows him to be neglectful and insensitive, and that he really is a child in a grown up body? Has your Virgo turned into a porcupine, protecting his soft underbelly (feelings) by shooting out painful, poisonous quills, and focusing his life, and yours, on work and worry? If you want answers to "why?" your love interest is the way he is, and he doesn't fit into the scenarios in conventional astrology books, look for him in "Male Basher's Zodiac" because you may have hooked up with one of the uninvolved. Is there a sign for "ass"? There is now. You will find it under the uninvolved Taurus in "Male Basher's Zodiac", along with all the other signs. "Male Basher's Zodiac" explores the astrology of men from an entirely different angle.....the dark side. Are you curious? Are you brave? Or, would you just like to have a few laughs? If so, follow Barb Rogers into the world of the uninvolved. Find anyone you know there?

"The Leo personality is quite easy to understand. Simply put they are the Kings and Queens of the jungle or to use more modern description, the bosses and the leaders of this world, which means they call the shots. There is nothing complicated or difficult about that." A humorous look at the flamboyant Leo personality. Find out what makes Leos tick. What are their ambitions, the most suitable careers and what kinds of lovers do they make? This full color and wonderfully illustrated Astrology book is the perfect gift for the Leo in your life for their birthday, as a Christmas present or a small gift for Valentine's Day. A small price for 36 pages full of fun and giggles.

This is the greatest story never told. The guys who attended Leo High School are too busy doing ,to have time to do any telling. The story of the support for a school that everyone but Leo Men predicted would close or should be closed is a great Chicago story, a great Catholic story, a great human story, and a real American story. Not having graduated from Leo High School, I am free to make a big deal of what goes on at 79th & Sangamon on the south side of Chicago. Leo High School is situated in an African American neighborhood, Auburn Gresham, but receives no active support from the black community beyond black graduates of this school. Generations of white Catholic men actively support a school that they attended, in order to help young black, mostly non-Catholic young men. None of their grand children or sons attend Leo, but they actively invest hundreds of thousands of dollars annually. These same supporters have been cast as white flight bigots' by academics, journalists, and even some religious. Mopes that hurl that charge go unanswered too often. Our people support Leo out of love for their fellow man the same motivation that built the Catholic Church in Chicago. Without the support of Leo's Alumni, white and black, thousands of young men would not have the opportunity to succeed beyond the streets. Since 1991, 93% of all Leo graduates have gone on to Purdue, University of Chicago, Boston College, West Point, Northwestern, Loyola, DePaul, Illinois, Wisconsin, Michigan, Michigan State to name a few. Others like Lonnie Newman '02, deferred college scholarships for the trades. Lonnie Newman, Class Valedictorian turned down six scholarships to join Pipe-fitters Local 597. No student is turned away from Leo High School most students score below the 40th percentile on the entrance exam, but after four years of hard work and commitment go on to some of the best schools in America. Most of all, their tuition is supported by the Leo Alumni, because Lonnie Newman's story is familiar to them. You won't hear about Leo on Oprah or read about it in Chicago Magazine. It is not a story for the slick or the showy.

Leo people tend to sit in the back pews, even though they could stroll to the roped off section. They give away the fifty-yard line tickets and watch the game at home. They go to bat for a young man who needs a door opened for him. They live by deeds, not words: courage and commitment.
