++++ The Life Of Stonewall Jackson: From Official Papers, Contemporary Narratives, And Personal Acquaintance. By A Virginian Stonewall Jackson Richardson, 1863 History; United States; Civil War Period (1850-1877); Biography & Autobiography / Military; History / United States / Civil War Period (1850-1877)

*Includes nearly 30 pictures of Jackson and the important people, places, and events in his life. *Includes maps of some of Jackson's most famous battles. "The only true rule for cavalry is to follow the enemy as long as he retreats." -Thomas "Stonewall" Jackson
Thomas Jonathan Jackson is one of the most famous generals of the Civil War, but many of

the people he continues to fascinate probably don't remember his whole name. That's because Jackson earned his famous "Stonewall" moniker at the First Battle of Manassas or Bull Run, when Brigadier-General Bee told his brigade to rally behind Jackson, whose men were standing like a stone wall. Ironically, it's still unclear whether that was a compliment for standing strong or an insult for not moving his brigade, but the nickname stuck for the brigade and the general itself. Jackson would only enhance his legend over the next two years, first leading his army on one of the most incredible campaigns of the war in the Shenandoah Valley in 1862.. Known as the Valley Campaign, Jackson kept 3 Union armies occupied north of Richmond with less than 1/3 of the men, marching his army up and down the Valley 650 miles in three months. The impressive feat helped his men earn the nickname "foot cavalry." He is equally known for his famous flank march and attack at Chancellorsville on May 2, 1863, which completely surprised the Army of the Potomac's XI Corps and rolled the Union line up. The attack would end up winning the battle for the Confederates, who were outnumbered by nearly 50,000 men at Chancellorsville. As fate would have it, Jackson was mortally wounded at the height of what may have been his finest hour, depriving the Confederacy of one of its best generals. Many still wonder how the outcome of Gettysburg or the Civil War itself may have changed if Jackson had lived. Of all the Civil War generals, none have been mythologized like Stonewall Jackson, whose quirks and piety have made him a subject of study among military historians and Christians alike. The World's Greatest Generals: The Life and Career of Stonewall Jackson closely examines Jackson's military career and discusses the legends and mystique that have since surrounded his legacy, but it also humanizes the devoutly religious and tender husband who humored his students at Virginia Military Institute, loved his family, never cursed, and treated strangers with the utmost respect. Along with pictures of Jackson and other important people and events in his life, you will learn about Stonewall like you never have before, in no time at all.

Profiles the life and military career of the Confederate Army General, describes how he won the nickname "Stonewall," and traces his role in the Confederate victories of 1861-1863.

The World's Greatest Generals

Notes on the Life of Stonewall Jackson and on His Campaigning in Virginia, 1861-1863

The Life of Gen. Thomas J. Jackson ("Stonewall" Jackson). ... With Illustrations

O Laughing River

And on His Campaigning in Virginia, 1861-1868 (Classic Reprint)

"Stonewall Jackson"

O Laughing River will appeal to all military buffs, as well as those interested in the American Civil War. It recounts the life of "Stonewall" Jackson, a charismatic leader of genius, who led his troops against the Yankees with assurance, courage and success. He had that same gift of the "common touch" as other inspirational leaders such as Lincoln and JFK, Nelson and Princess Diana. Virtually worshipped by those he led, the mere appearance of "Old Jack" would be enough to rouse the renowned "Rebel Yell". He had immense powers of concentration and was, at all times, totally focused on his objectives. He died aged thirty-nine, accidentally wounded by his own troops, but such was the appeal of the leader and the man, that the whole South mourned, and he was praised even by the Northern enemy.

An account of General Thomas "Stonewall" Jackson's rise to prominence during the Civil War.

"Stonewall" Jackson has been considered by military authorities to be one of the most brilliant commanders of his time. He had a skillful, though sometimes peculiar, style of fighting that could turn the tide of a battle in the Confederate favor and avoid disastrous defeat.

The Violence, Passion, and Redemption of Stonewall Jackson

Stonewall Jackson

A Life from Beginning to End

A Biography of General Thomas J. Jackson

Thomas "Stonewall" Jackson

Rebel Yell

Confederate General Stonewall Jackson, Robert E. Lee's right-hand man, ranks as one of the most admired and mystifying characters to emerge from the Civil War. Illustrated with both archival and contemporary photographs and illustrations, Stonewall Jackson provides a complete portrait of the general in both words and images.

Stonewall Jackson. the Life and Military Career of Thomas Jonathan Jackson, Lieutenant-General in the Confederate Army
Historian Ben Cleary takes readers beyond the legend of Stonewall Jackson and directly onto the Civil War battlefields on which he fought, and where a country once again finds itself at a crossroads. Thomas Jonathan "Stonewall" Jackson was the embodiment of Southern contradictions. He was a slave owner who fought and died, at least in part, to perpetuate slavery, yet he founded an African-American Sunday School and personally taught classes for almost a decade. For all his sternness and rigidity, Jackson was a deeply thoughtful and incredibly intelligent man. But his reputation and mythic status, then and now, was due to more than combat success. In a deeply religious age, he was revered for a piety that was far beyond the norm. How did one man meld his religion with the institution of slavery? How did he reconcile it with the business of killing, at which he so excelled? In SEARCHING FOR STONEWALL JACKSON, historian Ben Cleary examines not only Jackson's life, but his own, contemplating what it means to be a white Southerner in the 21st century. Now, as statues commemorating the Civil War are toppled and Confederate flags come down, Cleary walks the famous battlefields, following in the footsteps of his subject as he questions the legacy of Stonewall Jackson and the South's Lost Cause at a time when the contentions of politics, civil rights, and social justice are at a fever pitch. Combining nuanced, authoritative research with deeply personal stories of life in the modern American South, SEARCHING FOR STONEWALL JACKSON is a thrilling, vivid portrait of a soldier, a war, and a country still contending with its past. Profiles the West Point graduate who became a soldier during the Mexican War in 1846, and describes how his actions as a Confederate general during the Civil War led others to call him "Stonewall."

Provides an in-depth look at the Civil War general which dispells many of the rumors surrounding him

There stands Jackson like a stone wall -- rally round the Virginians! It was at the First Battle of Bull Run that General Barnard Bee made this statement and gave Thomas J. Jackson his famous nickname. During the course of this battle, which occurred in July 1861, Jackson had led his brigade to face the oncoming Union troops at the crest of Henry Hill. There he made his stand and with tenacity and bravery as he turned the tide in the battle in the Confederacy's favor. Within months since the war had begun Jackson had cemented his reputation as a tactically brilliant general who fearlessly led his brigade into the heart of the action. He would remain a terror of Union troops for the next two years until his death as a result of friendly fire during the chaos of the Battle of Chancellorsville. John Esten Cooke's brilliant biography of this legendary Confederate general separates fact from fiction and provides the reader with a vivid depiction of what Thomas J. Jackson was actually like. Cooke draws his evidence from official papers, contemporary narratives as well as from his personal acquaintance with Jackson to create an extremely thorough and readable account. This

biography covers all aspects of Jackson's life, from his early years to the beginning of his military career in Mexico, right through to all of his actions in the famous campaigns of the civil war. As a military man himself who saw action in the American Civil War Cooke is able to provide fascinating insight into the campaigns and battles that Jackson fought in, from the Seven Days Battles to the Northern Virginia Campaign as well as Antietam, Fredericksburg along with Jackson's last actions at Chancellorsville. This book is essential reading for anyone interested in the life of one of the most important figures of the American Civil War and the impact that he made through the course of that conflict. John Esten Cooke was an American author and soldier. During the American Civil War he had served as staff officer for J. E. B. Stuart and William N. Pendleton. His biography of Stonewall Jackson was published shortly after Jackson's death in 1863. Cooke passed away in 1886.

The Life of Stonewall Jackson - From Official Papers, Contemporary Narratives, and Personal Acquaintance is an unchanged, high-quality reprint of the original edition of 1863.

The Life of General Stonewall Jackson

Life and Campaigns of Lieut.-Gen. Thomas J. Jackson, (Stonewall Jackson)

A Biography

Robert Lewis Dabney was an American Christian theologian and a Southern Presbyterian pastor, but he's best known for being chief of staff for General Thomas Jonathan "Stonewall" Jackson during his famous

Read Book The Life Of Stonewall Jackson

Valley Campaign and the Seven Days Battles. Jackson was one of the most famous generals of the Civil War, and one of the most successful for the Confederates. Jackson got his famous nickname during the First Battle of Bull Run, when another Confederate general told his men to rally behind Jackson's brigade. After being the hero at Bull Run, Jackson led an army in the Valley Campaign of 1862, fighting three Union armies and keeping them from linking together. Jackson also participated at Second Bull Run, Antietam and Fredericksburg, but his most famous battle was Chancellorsville, when he marched his men on a famous flank march and attack at Chancellorsville on May 2, 1863. The march would end up winning the battle for the Confederates, but Jackson was mortally wounded that night. Dabney's biography of Jackson is invaluable to all Civil War students, not only for the history but as a piece of Lost Cause literature.

Discover the remarkable life of Stonewall Jackson...Although he finds himself on the wrong side of history, Stonewall Jackson has become known as one of the American Civil War's most brilliant military strategists. His ride to acclaim was not easy; Jackson grew up poor, was orphaned by seven, jumped between different relatives' homes, and had no real education, yet at 18 he was accepted into the prestigious Military Academy at West Point. Jackson spent most of his adult life teaching, and when he joined the Confederates to fight in the Civil War in 1861, he was entirely out of military practice. Nevertheless, throughout Jackson's two-year service in the war, he won all but one battle he led. From the First Battle of Bull Run to his campaign in the Shenandoah Valley, Jackson managed to conquer most of his battles with his impressive military wits, often achieving what many considered to be impossible. Discover a plethora of topics such as Life Before the Civil War Stonewall Jackson Earns His Name The Shenandoah Valley Campaign The Second Battle of Bull Run Harpers Ferry and the Battles of Antietam and Fredericksburg Final Year and Death And much more!
